## **The Iphigenia In Tauris:**

A Commentary on Euripides' Iphigenia in Tauris Poulheria Kyriakou, 2012-02-14 This work is the first major commentary on Euripides Iphigenia in Tauris to appear in English in more than 65 years It offers detailed analysis of a fascinating play that scholars so far had considered mainly as a source of information about Athenian cult and viewed as a romantic adventure story with happy end Apart from including sober assessments of textual linguistic and metrical problems the commentary sheds new light on the play's treatment of myth its intricate structure presentation of character and place in Euripides work In particular it offers fresh insights into the play's relationship to the literary tradition especially its treatment of the crimes of the Pelopids and its presentation of the complex ambiguous relationship of humans and gods as well as that of Greeks and barbarians Unlike most other tragedies Iphigenia in Tauris does not feature any villain and avoids concentrating on past crimes and their corrosive influence on the characters present The Taurians are not portrayed simply as savage and slow barbarians and Iphigenia the most intelligent character fails to transcend her limitations Religion and cult in both myth and contemporary Athens are a mixture of traditional and invented elements and the play as a whole turns out to be an intriguing and unique experiment in Euripides career

**Iphigenia in Tauris** Euripides, 1904 **The Iphigenia in Tauris** Euripides, 2015-07-19 Excerpt from The Iphigenia in Tauris Of Euripides Tbs Iphigenia in Tauris is not in the modern sense a tragedy it is a romantic play beginning in a tragic atmosphere and moving through perils and escapes to a happy end To the archaeologist the cause of this lies in the ritual on which the play is based All Greek tragedies that we know have as their nucleus something which the Greeks called an Aition a cause or origin They all explain some ritual or observance or commemorate some great event Nearly all as a matter of fact have for this Aition a Tomb Ritual as for instance the Hippolytus has the worship paid by the Trozenian Maidens at that hero's grave The use of this Tomb Ritual may well explain both the intense shadow of death that normally hangs over the Greek tragedies and also perhaps the feeling of the Fatality which is rightly or wrongly supposed to be prominent in them For if you are actually engaged in commemorating your hero's funeral it follows that all through the story however bright his prospects may seem you feel that he is bound to die he cannot escape About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Goethe, 2020-09-28 Beneath your leafy gloom ye waving boughs Of this old shady consecrated grove As in the goddess silent sanctuary With the same shuddering feeling forth I step As when I trod it first nor ever here Doth my unquiet spirit feel at home Long as the mighty will to which I bow Hath kept me here conceal'd still as at first I feel myself a stranger For the sea Doth sever me alas from those I love And day by day upon the shore I stand My soul still seeking for the land of Greece But to my sighs the hollow sounding waves Bring save their own hoarse murmurs no reply Alas for him who friendless and alone Remote from parents and from brethren dwells From him grief snatches every coming joy Ere it doth reach his lip His restless thoughts Revert for ever to his father's halls Where first to him the radiant sun unclos'd The gates of heaven where closer day by day Brothers and sisters leagu'd in pastime sweet Around each other twin'd the bonds of love I will not judge the counsel of the gods
