## **The Irish Civil War An Illustrated History:**

**The Irish Civil War** Helen Litton,1995 Recounts the events leading up to the signing of the Treaty and the outbreak of hostilities **The Green Divide** Michael B. Barry,2014 *The Irish Civil War* Seán Enright,2019-08-12 During the Irish Civil War eighty three prisoners were executed after trial by military court The Irish Civil War Law Execution and Atrocity explores the pressures that drove the provisional government to try prisoners for arms offences by military courts and how at a time of great crisis the rule of law evaporated and the new policy morphed into reprisal executions More than 125 further prisoners were killed in the custody of the state kidnapped and shot tied to landmines and blown up shot after surrender trying to escape or even killed under interrogation These men were killed because they were anti treaty fighters or because they were suspected of involvement or sympathy with the anti treaty cause In the heat of civil war the inquest system became part of the battle ground where the emerging state connived at the suppression of evidence and turned a blind eye to perjury and cover up At the end of the Civil War there were 3 000 dead over 10 000 wounded 13 000 interned and many more forced into migration And in this period of great crisis the bedrock of law itself had been shattered This dark secret corner of Irish history whose bitter legacy affects society to this day is uncompromisingly exposed in The Irish Civil War Law Execution and Atrocity *Commemorating the Irish Civil War* Anne Dolan,2006-04-27 After civil war can the winners commemorate their victory hailing their conquering heroes with the blood of their former comrades still fresh on their boots Or should they cover themselves in shame and hope that the nation soon forgets In this book Anne Dolan explores the tensions between memory and forgetting in twentieth century Ireland By examining the memory of winning the Irish Civil War she discusses the extent to which it has been used to serve party political ends where private grief finds consolation when the dead have fallen from political favour and how the dead are remembered when no one wanted to fight the war The book addresses the Irish Civil War at its most public point at the statues and crosses and in the ritual and rhetoric of commemoration It will be of central interest to all students and scholars of European history and politics **The Irish Civil War and Society** G. Foster,2015-02-18 The Irish Civil War and Society sheds new light on the social currents shaping the Irish Civil War from the politics of respectability behind animosities and discourses to the intersection of social conflicts with political violence to the social dimensions of the war s messy aftermath *The Irish and the Spanish Civil War, 1936-39* R. A. Stradling,1999 The outbreak of the Spanish Civil War threw Irish politics north and south of the border into turmoil Ireland sent large organised bodies of men to fight on opposite sides in the Spanish Civil War essentially enemy crusades *Green Against Green - The Irish Civil War* Michael Hopkinson,2004-03-23 Michael Hopkinson s Green Against Green is the definitive study of the Irish civil war putting in perspective a bitter and passionate conflict the legacy of which still divides Irish society today Widely praised and frequently cited as the most authoritative work on the subject it continues to hold its place as one of the finest works on modern Irish history Unlike the Easter Rising and the War of Independence the Irish Civil War has been largely

overlooked by historians put off by the messy divisions between former War of Independence allies and its continued importance in modern Irish society even now the rival parties in the conflict form the basis for two of the largest political parties in Ireland In Green Against Green Michael Hopkinson addresses this gap in Irish historical writing looking closely at the reasons for the outbreak of civil war the major figures who directed it how it was fought and its impact across Ireland This major achievement of historical scholarship traces the history and course of the war from 1912 to its conclusion starting with a sketch of the background to the divisions which surfaced during the war and continuing through to the functioning of the post civil war Irish State This groundbreaking work a dispassionate account of the most passionate times Irish Times captures the confused loyalties and localised often personal violence that characterised one of the most critical and least studied formative events in modern Irish history Green Against Green Table of Contents Preface PART I 1912 1921 The Background to the Treaty Divisions 1912 1918 The Anglo Irish War January 1919 July 1921 and the Truce Period The Treaty Negotiations The Treaty Split The Irish Question in the United States PART II FROM THE TREATY TO THE ATTACK ON THE FOUR COURTS The Political and Constitutional Background in Early 1922 The Military Split De Valera and the Military and Political Developments Military Developments after the Army Convention The North from Treaty to Attack on the Four Courts Social and Governmental Problems The Search for Unity The Constitution The June Election and the Assassination of Sir Henry Wilson PART III THE OPENING OF THE WAR The Attack on the Four Courts Dublin Fighting PART IV THE EARLY CIVIL WAR The Military and Political Background to the Fighting The War in the Localities July August 1922 The Opening of the Guerrilla Phase of the War The Death of Collins The Establishment of the Third D il Peace Initiatives The Formation of the Republican Government The First Executions The British Government and the Early Civil War The Southern Unionists and the Civil War The Civil War and the Railways The War in the Localities September 1922 January 1923 PART V THE WAR S END The Free State Government and Army January April 1923 The Republicans and the Civil War January April 1923 The War in the Localities January April 1923 The North and the Civil War Exile Nationalism The United States and Britain in the Civil War The Ceasefire PART VI THE POST WAR PERIOD The Republicans The Post War Free State Government and Army The Republican Hunger Strike October November 1923 Conclusion      **Irish Volunteer Soldier 1913-23** Gerry White,Brendan O'Shea,2013-02-20 The political situation in Ireland at the beginning of the 20th century was characterised by crisis and change Armed rebellion against the British Crown the prosecution of the Anglo Irish War the emergence of the Irish Free State and the eruption of the Civil War over the treaty with Great Britain ensured that the birth of the modern Irish nation was bloody and difficult This book details the life of an average Volunteer and includes the experiences of internment the lack of established medical facilities for wounded life on the run discipline and typical duties      **The Civil War in Dublin** John Dorney,2017-06-17 The start of the Irish Civil War was signalled by the artillery bombardment of the Four Courts in Dublin on 28 June 1922 A week later the Four Courts was gutted and O Connell Street a smouldering ruin but the

anti Treaty IRA was driven from the city Most accounts of the fighting in Dublin end there The Civil War in Dublin reveals the complete shocking story of Ireland s capital during the ten month guerrilla war that followed a ruthless and bitter cycle of execution outrage and revenge The strategy of the anti Treaty forces often ignored or dismissed in previous histories is brought to the fore Dorney s exacting research provides total insight into how the city of Dublin operated under conditions of disorder and bloodshed how civilians and guerrilla fighters controlled the streets the patterns of IRA violence and National Army counter insurgency alternated and for the first time how the pro Treaty Murder Gang emerged from Michael Collins IRA Intelligence Department the Squad with devastating effect The Civil War in Dublin brings the chaos of these years to life through meticulous detail revealing unsettling truths about the extreme actions taken by a burgeoning Irish Free State and its anti Treaty opponents **Re-presenting the Past** Ann-Marie Gallagher,Cathy Lubelska,Louise Ryan,2014-06-11

Feminist history continues to change the way history is written and in doing so changes our view of the past The authors of this collection explore how issues of sexuality class nationalism and colonialism informed the ways in which women were represented and continue to be represented in history They show the ways in which women have been excluded silenced and misrepresented in stories of the past and how women s lives have been distorted or simplified in conventional historical accounts Together they suggest fresh ways of approaching women s history and use examples of work in new areas of research such as women s health and leisure in order to demonstrate the effectiveness of the various methodologies being proposed A New History of Ireland Volume VII J. R. Hill,2010-08-26 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland *Who's who in the Irish War of Independence and Civil War, 1916-1923* Padraic O'Farrell,1997 This work deals with the personalities involved on both sides of the Irish War of Independence and Civil War listing not only the main activists but many other combatants who played supporting but equally important roles in the conflict The work draws on both public and private sources including archives records and journals of the Royal Irish Constabulary Dublin Metropolitan Police Royal Ulster Constabulary Irish Defence Forces and the British Army The book refers to interviews conducted by the author with celebrated people who took prominent parts on the national scene as well as minor participants in long forgotten incidents The former include Sean MacBride Peadar O'Donnell Todd Andrews General Michael Brennan Lt Gen M J Costello Colonel

Dan Bryan Sheila Humphreys Maire Comerford Liam O Flaherty Sean Dowling and close relatives of Sean MacEoin and Ernie O Malley whose biographies the author has also written      **Blood on the Shamrock** Cathal Liam,2006 With the tragedy of Easter 1916 behind them and spurred on by the euphoria born of England's willingness to confer after months of bitter warfare Irish republicans sense they are finally on the verge of triumph over their centuries old foe Ireland's freedom is just around the corner or so it seems But almost overnight the green hills of Ireland turn red again blood red as the bitter residue of Anglo Irish politics unexpectedly erupts into unholy civil war the repercussions of which are destined to sully the dream of Irish unity for years to come This work of historical fiction continues the chronicle of Aran Roe O'Neill a fictional Irishman and his tenacious comrades both real and imaginary Together they reluctantly renew their struggle for Ireland's long denied independence from England Their action is triggered by the divisive treaty Dublin's fledgling government negotiates with members of London's parliamentary leadership      *Blood for Blood* William Henry,2012-10-04 William Henry has trawled the archives to produce this meticulous account of the many raids ambushes murders and reprisals that took place in the 1919-21 period and of those who were involved He details the activities of the dreaded Black and Tans and the role played by the RIC and the mainstream British Army who were stationed in the county He also looks at how everyday life was affected by the ongoing war and how the attitude of the people changed as the brutality of the Tans intensified He details hunger strikes in Galway jail and the general strike in the city that resulted as well as the boycotts of the British forces throughout the county With fascinating and sometimes horrific details he brings the time to life      **The Fall of Dublin** Elizabeth Gillis,2011-05-05 Focusing on the people and the decisions they made The Fall of Dublin examines the attack on the Four Courts and the subsequent fighting in Dublin in June and July 1922 which signalled the beginning of the Irish Civil War With the use of new sources the book challenges many of the pre-conceived thoughts on the fighting in Dublin the role of the leadership on both sides the personalities of those involved and even the destruction of the Four Courts These sources not only shed new light on the conflict itself but more importantly they are invaluable in telling the stories of the ordinary men and women on both sides of the divide who for many years have been forgotten They include memoirs from people on the ground military history bureau witness statements a complete garrison list of people in the Four Courts a copy of the army constitution and the proposed Free State constitution and a copy of the republican proclamation      The Illustrated History of Guns Chuck Wills,2017-05-02 For the first time in paperback a photographic history of civilization as seen through the world's most deadly and fascinating firearms The Illustrated History of Guns is a comprehensive look at the tools of battle To craft this book more than five hundred photographs of genuine specimens were specially commissioned from the six thousand piece collection of the Berman Museum of World History The weapons featured span a period of close to four thousand years ranging from Ancient Greece to World War II and from the Crusades in Europe to the US Civil War It features a wide array of diverse treasures including the traveling pistols of Confederate president Jefferson Davis a royal Persian

scimitar with 1 295 rose cut diamonds and rubies and a single 11 carat emerald set in gold first owned by Shah Abbas I of Persia and given in tribute to Catherine the Great The Illustrated History of Guns also offers information on weapons innovators including Alexander Forsyth Eliphalet Remington Samuel Colt Sergei Mosin the Mauser brothers Hiram Maxim John Browning Richard Gatling John T Thompson John Garland Feodor Tokarev Oliver Winchester and Mikhail Kalashnikov With unparalleled historical perspective and background on persons significant to the development and advancements of weapons technology or military strategy The Illustrated History of Guns belongs on the shelf of every history buff and firearms enthusiast

Michael Collins and the Women Who Spied For Ireland Meda Ryan, 2011-07-11 Michael Collins and the Women Who Spied for Ireland is the first book to concentrate on the crucial role played by women in Collins's personal and working life From his boyhood in an overwhelmingly female household in West Cork women brought out the best in him and he brought out the best in them Susan Killeen his first girlfriend remained a steadfast ally throughout his life From 1917 his girlfriend Madeline Dilly Dicker helped to ease the burden of his huge workload as well as acting as a secret agent Society ladies Moya Llewelyn Davies and Lady Hazel Lavery were conduits between Collins and the British Establishment and active participants in his work of espionage In the final years of his life the true romantic passion between him and Kitty Kiernan is testified to by their frequent correspondence These women and many others who participated in the national struggle women such as Kathleen Clarke Leslie Price Peg Barrett Nancy O'Brien Madge Hales and Collins's sister Mary Collins Powell are woven into this fascinating narrative of Collins's life

**The Battle for Limerick City** Pádraig Óg Ó Ruairc, 2010-03-01 The first of a six book series on titles on the Military History Of The Irish Civil War this is an in depth study of the battle for Limerick city The story concentrates on the vicious battle that took place between Republican and Provisional Government forces for the control of Limerick City Occurring in the early days of the Civil War hostilities arrived in Limerick with a whimper rather than a bang Outnumbered and outgunned the Pro Treaty Commander of the city Michael Brennan negotiated a truce with the Anti Treaty Chief of Staff Liam Lynch But the benefit of this lull in fighting accrued almost entirely to the Pro Treaty side gaining them time for reinforcements and weaponry to arrive When it did the city became a battleground of extreme viciousness Several buildings were shelled by 18 pounder guns at point blank range The fighting around the Strand barracks was particularly heavy Pádraig Ruairc offers a fresh perspective on the struggle that reduced the viability of the Republican's hoped for Munster Republic and set the stage for the battle of Kilmallock which checked the pro treaty rout that the initial stages of the Civil War had been

Everyday Violence in the Irish Civil War Gemma Mary Clark, 2014-04-21 This book provides an innovative study of the violence experienced by non combatants during the Irish Civil War of 1922-3 The author surveys the function and frequency of violent acts ranging from arson intimidation and animal maiming to assault murder and sexual abuse that transpired amongst civilians and revolutionaries throughout the period of conflict

**Irish Canadian Conflict and the Struggle for Irish Independence, 1912-1925** Robert

McLaughlin,2013-01-01 McLaughlin s research is highly original demonstrating the extensive role played by Canadians in this fascinating episode of Ireland s history P 4 of cover
