The Irish Manor House Murder:

The Irish Manor House Murder Dicey Deere, 2000-08-12 Deere's follow up to her cozy debut *The Irish Cottage Murder* features outspoken American Torrey Tunet solving a double murder in the tiny Irish village of Ballynagh *The Irish Manor House Murder* Dicey Deere, 2013-07-09 Ever seeking peace and quiet for her writing Torrey Tunet believes she has found it in the quaint village of Ballynagh nestled in the hills of rural Ireland But something she can't quite put her finger on is awry With every change in the wind comes some strange news First her closest friend Rowena Keegan tries to run over the esteemed Dr Ashenden her own grandfather and master of the biggest manor in town Why Torrey wonders would anyone want to kill him least of all his favorite granddaughter Torrey wants to believe that Rowena's attack on the doctor was a simple fluke but when the old man later turns up dead in the forest and Rowena confides a pressing secret to her Torrey can no longer stay intentionally ignorant An outsider Torrey looks on in bewilderment as mysteries crop up one after another in her beloved Ashenden family which has taken her under its wing And when the grandfather's will is read and a gypsy shrouded in purple arrives on the scene family secrets fifty years old reveal themselves just as new ones begin to arise capturing the attention of young and old townspeople alike Ballynagh might never be the same *Strangled Prose* Joan Hess, 1998-11-15 She would have killed for a bestseller but someone beat her to it Professor of Passion the smutty new romance from Mildred Twiller aka Azalea Twilight isn't the kind of book Claire Malloy likes to hock at her bookstore but Claire agrees to host a book party for her friend's trashy tale As torrid as the novel is it's nothing compared to the evening After the party poor Mildred is found dead in her home strangled with a tightly knotted silk scarf Now it's up to Claire to find Mildred's killer and it won't be easy the two-bit author had offended nearly every faculty member she worked with at nearby Faber College But who could have hated Mildred with such smoldering passion Find out in Joan Hess' first Claire Malloy mystery novel *Strangled Prose* **Catilina's Riddle** Steven Saylor, 2002-02-18 As the consular election draws near Rome is divided between the conservative Cicero and the tempestuous Catilina whose followers are rumored to be plotting a bloody siege if he doesn't win Gordianus the Finder is enlisted by Cicero in an elaborate plot to control Catilina Caught in a political struggle for the fate of the Republic Gordianus knows he must unlock the secrets of Catilina's riddle before Rome tears herself apart **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery

series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
