EXTRACT FROM IRELAND'S DECLARATION OF INDEPENDENCE PROCLAIMED APRIL 25, 1919

"The Irish Republic is entitled to, and hereby claims, the allegiance of every Irishman and Irish woman. The Republic guarantees freedom and equal rights, equal rights, and equal opportunities to all its citizens, and declares its resolve to secure the happiness and prosperity of the whole nation and of all its parts, cherishing all the children of the nation equally, and oblivious of the differences naturally fostered by an alien government, which have divided a minority from the majority in the past."

The Irish Republic:

The Birth of the Irish Free State, 1921-1923 Joseph Maroney Curran, 1980 The Irish Free State Irish Saorst éireann Irish pronunciation si sta t e n 6 December 1922 29 December 1937 was the state established in 1922 as a Dominion of the British Empire under the Anglo Irish Treaty signed by British and Irish representatives exactly twelve months beforehand On the day the Irish Free State was established it comprised the entire island of Ireland but as expected Northern Ireland almost immediately exercised its right under the treaty to remove itself from the new state The Irish Free State effectively replaced both the self proclaimed Irish Republic founded 21 January 1919 and the Provisional Government of Southern Ireland W T Cosgrave the first President of the Irish Free State had led both of these governments since August 1922 The Irish Free State came to an end in 1937 when the citizens voted by referendum to replace the 1922 constitution It was succeeded by the sovereign and current state of Ireland which until 1949 was often referred to as Eire Wikipedia **The Irish Republic** Dorothy Macardle, 1937 **The Republic** Charles Townshend, 2013-09-26 A gripping narrative of the most critical years in modern Ireland's history from Charles Townshend The protracted terrible fight for independence pitted the Irish against the British and the Irish against other Irish It was both a physical battle of shocking violence against a regime increasingly seen as alien and unacceptable and an intellectual battle for a new sort of country The damage done the betrayals and grim compromises put the new nation into a state of trauma for at least a generation but at a nearly unacceptable cost the struggle ended a new republic was born Charles Townshend's Easter 1916 opened up the astonishing events around the Rising for a new generation and in *The Republic* he deals with the same unflinchingly wish to get to the truth behind the legend with the most critical years in Ireland's history There has been a great temptation to view these years through the prisms of martyrology and good and evil The picture painted by Townshend is far more nuanced and sceptical but also never loses sight of the ordinary forms of heroism performed by Irish men and women trapped in extraordinary times Reviews Electric a magisterial and essential book Irish Times About the author Charles Townshend is the author of the highly praised Easter 1916 The Irish Rebellion His other books include The British Campaigns in Ireland 1919 21 and When God Made Hell The British Invasion of Mesopotamia and the Making of Iraq 1914 21 *The Irish Republic* Patrick Cudmore, 1871 *Six days of the Irish Republic* L. themselves as the provisional government After a week of fighting with the British army on the streets of Dublin the Seven were arrested court martialled and executed Cutting through the layers of veneration that have seen them regarded unquestioningly as heroes and martyrs by many Ruth Dudley Edwards provides shrewd yet sensitive portraits of Ireland's founding fathers She explores how an incongruous group which included a communist visionary Catholic poets and a tobaccoist joined together to initiate an armed rebellion that changed the course of Irish history Brilliant thought provoking and captivantly told The Seven challenges us to see past the myths and consider the true character and legacy of the Easter Rising Irish Statesman and Rebel Bill Severn,1971 A biography of the revolutionary who became President of the Irish Republic he helped establish **The Irish Republic--why?** Laurence Ginnell,1919 **Ulster and the Irish Republic** William Arthur Carson,1957 **The Irish Republic** Patrick Cudmore,2015-06-30 Excerpt from The Irish Republic A Historical Memoir on Ireland and Her Oppressors About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Poblacht na hEireann IRELAND** [Provisional Government of the Irish Republic, 1916],1916 **The Case for Upholding the Irish Republic ...** J.
