Forest Susanna B. Hecht,Alexander Cockburn,2011-01-15 The Amazon rain forest covers more than five million square kilometers amid the territories of nine different nations It represents over half of the planet's remaining rain forest Is it truly in peril What steps are necessary to save it To understand the future of Amazonia one must know how its history was forged in the eras of large pre-Columbian populations in the gold rush of conquistadors in centuries of slavery in the schemes of Brazil's military dictators in the 1960s and 1970s and in new globalized economies where Brazilian soy and beef now dominate while the market in carbon credits raises the value of standing forest Susanna Hecht and Alexander Cockburn show in compelling detail the panorama of destruction as it unfolded and also reveal the extraordinary turnaround that is now taking place thanks to both the social movements and the emergence of new environmental markets Exploring the role of human hands in destroying and saving this vast forested region The Fate of the Forest pivots on the murder of Chico Mendes the legendary labor and environmental organizer assassinated after successful confrontations with big ranchers A multifaceted portrait of Eden under siege complete with a new preface and afterword by the authors this book demonstrates that those who would hold a mirror up to nature must first learn the lessons offered by some of their own people

The Hero's Farewell Jeffrey Sonnenfeld,1991-02-07 How a business replaces its chief executive often determines that firm's future If a business does not effectively manage the transfer of power utter turmoil can result with profound

implications not only for the CEO but also for the other employees the shareholders and the community at large Filled with inside stories from corporate boardrooms and fresh conceptual perspectives *The Hero's Farewell* describes in rich detail the factors that affect executive succession Jeffrey Sonnenfeld offers the first close examination of the critical role a CEO's departure style plays in helping or hindering the transfer of power Through candid interviews with fifty prominent retired chief executives from corporations such as AT&T Generals who leave reluctantly and spend their retirement planning a comeback Ambassadors who retain close ties with their former firms and Governors who willingly serve a limited time and leave to pursue new interests Capturing the human drama of these departures and succession battles *The Hero's Farewell* will fascinate anyone intrigued by power struggles in large corporations Outlining ways to smooth out the inevitable transfers of power that corporations must face Sonnenfeld presents essential information for all top executives and especially for CEOs

The Duke of Wellington, Kidnapped! Alan Hirsch, 2017-07-11 In 1961 a thief broke into the National Gallery in London and committed the most sensational art heist in British history He stole the museum's much prized painting *The Duke of Wellington* by Francisco Goya Despite unprecedented international attention and an unflagging investigation the case was not solved for four years and even then only because the culprit came forward voluntarily Kempton Bunton an elderly gentleman claimed he executed the theft armed with only a toy gun a disguise purchased for five shillings and a getaway car inadvertently provided by a drunkard Shortly after turning himself in Bunton also invoked language in an obscure law to maintain his innocence despite the confession He did not allege that the confession was false but rather that stealing the painting did not constitute a crime because he intended to return it On account of this improbable defense strategy the story took another twist resulting in a bizarre courtroom drama and extraordinary verdict Over fifty years later Alan Hirsch decided to explore the facts behind this historic case and uncovered shocking new evidence that both solved the crime and deepened the mystery

Grace in the South China Sea Aviott John, 2015-11-30 Grace is a young woman of twenty six when she discovers her unusual gift a gift that enables her to find a lucrative job and acquire a modest fortune over the next five years She sees at close quarters the environmental destruction caused by the company she works for resigns from her job and retires to an idyllic island in the South China Sea while trying to decide what to do with her life A chance encounter with a lonely old woman grieving over the death of her beloved pet mongrel sets her unwittingly on a path where she has to use her burgeoning powers to avenge a murder and save her own life This stand alone novel is the first of a trilogy The second book about Grace *The Trees of Ta Prohm* is forthcoming in 2016

The Apology Impulse Cary Cooper, Sean O'Meara, 2019-10-03 WINNER American Book Fest Best Book Award 2020 Communications Public Relations WINNER NYC Big Book Award 2020 Marketing and Public Relations Saying sorry is in crisis On one hand there are anxious PR aficionados and social media teams dishing out apologies with alarming frequency On the other there are people and organizations who have done truly terrible things issuing much delayed statements of mild regret We have become addicted to apologies but

immune from saying sorry In January 2018 there were 35 public apologies from high profile organizations and individuals That s more than one per day Between them in 2017 the likes of Facebook Mercedes Benz and United Airlines issued over 2 000 words of apologies for their transgressions Alarminglly the word sorry didn t appear once This perfectly timed book examines the psychology motivations and even the economic rationale of giving an apology in the age of outrage culture and on demand contrition It reveals the tricks and techniques we all use to evade reframe and divert from what we did and demonstrates how professionals do it best Providing lessons for businesses and organizations you ll find out how to give meaningful apologies and know when to say sorry or not say it at all The Apology Impulse is the perfect playbook for anyone from social media executive through to online influencers and CEOs who apologise way too much and say sorry far too infrequently
