The Island of Dr. Moreau H. G. Wells, 2017-08-04 The tale of Edward Prendick, an English gentleman who finds himself an unwelcome guest on the Pacific island of one Dr. Moreau. There, Prendick discovers Moreau is performing horrific experiments using vivisection to craft animals into human beings. Worse, the island is now home to an entire society of these creatures, some more dangerous than others. As H. G. Wells himself wrote about this story, *The Island of Dr. Moreau* is an exercise in youthful blasphemy. Now and then, though I rarely admit it, the universe projects itself towards me in a hideous grimace. It grimaced that time and I did my best to express my vision of the aimless torture in creation.

*The Island of Dr. Moreau* H. G. Wells, 2020-09-30 Edward Prendick is shipwrecked in the Pacific. Rescued by Doctor Moreau's assistant, he is taken to the doctor's island home where he discovers the doctor has been experimenting on the animal inhabitants of the island, creating bizarre proto-humans.

**H. G. Wells: The Island of Dr. Moreau** Dobbs, 2018-10-02 The line between man and animal is blurred in this thrilling graphic novel adaptation of the classic science fiction horror story. Shipwrecked in the Pacific Ocean, Edward Prendick is rescued only to find himself on the strange island of Dr. Moreau. Hidden away in this remote place, Dr. Moreau has been conducting bizarre experiments for over ten years, genetically modifying animals to give them each a conscience and the ability to speak. These Beastmen obey a very precise set of rules called The Law, which forbids them to exhibit any primitive behavior and commands that they worship Dr. Moreau like a god. Trapped on the jungle island, Prendick soon discovers that the animal impulses of these creatures are far from forgotten. Based on the original story by H. G. Wells, this graphic novel adaptation brings a whole new look to the disturbing and visionary tale of *The Island of Doctor Moreau* and lets readers experience it in a whole new way.

Suddenly we heard a yelp and a volley of furious blasphemy from the companion hatchway and the deformed man with the black face came up hurriedly He was immediately followed by a heavy red haired man in a white cap At the sight of the former the staghounds who had all tired of barking at me by this time became furiously excited howling and leaping against their chains The black hesitated before them and this gave the red haired man time to come up with him and deliver a tremendous blow between the shoulder blades The poor devil went down like a felled ox and rolled in the dirt among the furiously excited dogs It was lucky for him that they were muzzled The red haired man gave a yawp of exultation and stood staggering and as it seemed to me in serious danger of either going backwards down the companion hatchway or forwards upon his victim So soon as the second man had appeared Montgomery had started forward Steady on there he cried in a tone of remonstrance A couple of sailors appeared on the forecastle The black faced man howling in a singular voice rolled about under the feet of the dogs No one attempted to help him The brutes did their best to worry him butting their muzzles at him There was a quick dance of their lithe grey figured bodies over the clumsy prostrate figure The sailors forward shouted as though it was admirable sport Montgomery gave an angry exclamation
