Zorea,2017-04-26 Separating truth from hype this book introduces readers to the topic of life extension in a holistic manner that provides scientific historical and cultural perspectives While the story of 16th century explorer Juan Ponce de Le n futilely searching for the Fountain of Youth is likely a myth it is true that for many centuries mankind has sought a cure for aging Today the anti aging and longevity industry is a multibillion dollar industry and medical advances are continuing to find ways to add to our time on earth Finding the Fountain of Youth The Science and Controversy behind Extending Life and Cheating Death introduces readers to the topic of life extension in a holistic manner examining the topic through scientific historical and cultural perspectives It also highlights key medical and ethical controversies related to this particular area of gerontology and serves as a gateway for further research and study The book s chapters address the history of movements to remain youthful from ancient times through the modern era past medical advances that significantly extended the average lifespan and our cultural obsession with staying young that has spawned the anti aging industry Readers will learn about basic principles of aging and anti aging as well as the science behind the methods both proven and hypothetical that serve to extend the lifespan The final section of the book examines controversial issues and debates related to life extension such as global overpopulation length of life versus quality of life and socioeconomic concerns **Youth and Inequality in Education** Michael Heathfield,Dana Fusco,2015-07-30 The transition to adulthood for many is mediated by class culture and local global influences on identity This volume analyzes the global injustices that create inequities and restrict future opportunities for young people during this transitional time including poverty unemployment human rights race ethnicity and location It critically examines global instances of youth discrimination offering positive strategies and practices such as youth work that successfully remediate these injustices With international contributions from Aotearoa

New Zealand Australia England Malaysia Peru Philippines Portugal Morocco Jordan and the U S this volume is particularly important to researchers and scholars in the fields of youth studies education and social work **Film Landscapes of**

Global Youth Stuart C. Aitken, Jacob Rowlett, 2024-04-22 This book explores the dynamic landscapes of global youth through spatially grounded chapters focused on film and media It is a collection of incredible works concerning children and young people in out and through media as well as an examination of what is possible for the future of research within the intersections of geography film theory and children s studies It contains contributions from leading academics from anthropology sociology philosophy art film and media studies women and gender studies Indigenous studies education and geography with chapters focused on a spatial area and the representations and relationships of children in that area through film and media The insights presented also provide a unique and eclectic perspective on the current state of children s research in relation to the ever changing media landscape of the 21st century Film Landscapes of Global Youth approaches the subjects of children and young people in film and media in a way that is not bound by genre format medium or the on off screen binary Each chapter offers an insightful look at the relationships and portrayals of children and young people in relation to a specific country culture or geographic feature This book is a must read for anyone interested in the intersections between geography young lives and the power of film television social media content creation and more The Youth's instructor [sic] and guardian , 1853 **Youth Crime and Violence in the Caribbean** Camille A. Gibson, Lorna E. Grant, Sherill V. C. Morris-Francis, 2024-01-04 This compilation of works highlights the historical economic and human dynamics behind youth offending in the nations of the West Indies Youth Crime and Violence in the Caribbean offers insights into the slow rate of system change yet leaves readers with an optimistic picture of possibilities Recent events in Haiti and neighboring Venezuela demonstrate how quickly dynamics in the Caribbean area can shift if crime is not addressed and people increasingly disengage from systems in a manner that allows despots to rise to power When this happens the impacts are not localized Suicide Among Diverse Youth Andres J Pumariega, Neha Sharma, 2017-11-13 This book provides a comprehensive review of the complex growing mental health challenges faced by culturally diverse populations of children and adolescents Suicide Among Diverse Youth A Case Based Guidebook is the first book of its kind and is designed specifically to bridge the knowledge and skills gap encountered by most clinicians dealing with youth from diverse cultural backgrounds particularly those different than that of the clinician The title begins with two introductory chapters which cover cultural aspects of suicidality among youth culturally informed treatment of suicidality with diverse youth and examples of preventative approaches These are followed by population specific chapters which cover a broad spectrum of diverse populations including underserved ethnic and racial populations in the United States LGBTQ youth as well as various immigrant populations from Eastern European and Middle Eastern countries These case based chapters are structured in a cohesive easy to read format that promotes ease of reference beginning with a clinical case report review of literature unique

characteristics and risk factors associated with suicidality and evidence based practice provided by the authors from their considerable experience The authors are often from the same ethnic racial or cultural group that they discuss in their writings providing experiential knowledge where scientific knowledge is lacking Suicide Among Diverse Youth A Case Based Guidebook is a unique resource that offers the clinical material needed to treat diverse adolescent patients with sensitive intersectional and culturally informed care and will provide an indispensable resource for medical professionals working with and caring for these patients

Youth and the State in Hungary Laszlo Kurti, 2002-07-20 Youth and the State in Hungary takes as its focus the nature of Hungary's youth movements over the last seventy years In a detailed ethnographic study Laszlo Kurti examines the lives of youth workers in the Csepel district of Budapest in the context of the wider political and economic transformations witnessed during the twentieth century Kurti follows State Youth relations from the inter war capitalism that made peasants into workers through the post war state socialism Stalinism and after to the reintroduction of capitalism in 1990 This time frame allows an exploration of the transformations and dilemmas of youth class gender and ethnicity as they develop across time In the course of this study two main themes emerge the reproduction of class in youth culture across shifting socio economic conditions and the mobilisation of youth movements in resistance to the state Youth and the State in Hungary challenges the orthodox equation of youth and resistance by arguing that youth mobilisation has in fact served the interests of the state Nevertheless there remains a genuine space for resistance and contestation in the reproduction of youth culture

The Youth's magazine, or Evangelical miscellany, 1846 *Part-Time Youth Ministry, Full-Time Heart* Jeremiah Isley, Sarah Isley, 2013-09-04 We all know that ministry is challenging but serving as a part time youth worker creates distinct challenges that require particularly nimble balancing skills Jeremiah and Sarah Isley know what it's like to serve in part time ministry while holding down other jobs and while raising a family and still managing to have friends They've crammed squished and packed youth ministry into their already full lives and they're eager to help you along the journey too by dissecting their experiences trials victories and defeats This book is filled with practical insights on how to pursue health and balance in your family personal life your professional life and your ministry life Jeremiah and Sarah will offer you a fresh perspective encourage you to evaluate your ministry habits and give you grace and permission to change the way you approach ministry And most importantly they'll remind you that you're not alone in the adventure of part time youth ministry Whether you're considering taking a part time role you've just jumped in or you've been living this crazy life for some time Part Time Youth Ministry Full Time Heart will encourage and equip you as you serve

Pacific Youth Helen Lee, 2019-10-31 Pacific populations are becoming younger and this youth bulge is often perceived as a dangerous precursor to civil unrest Yet young people are also a valuable resource holding exciting potential for the future of island nations Addressing these conflicting views of youth this volume presents ethnographic case studies of young people from across the Pacific and the diaspora Moving beyond the typical focus on youth problems in reports by Pacific governments and

development agencies the authors examine the highly diverse lives and perspectives of young people in urban and rural locations They celebrate the contributions of youth to their communities while examining the challenges they face The case studies explore the impacts of profound local and global changes and cover a wide sweep of youth experiences across themes of education employment and economic inequalities political and civil engagement and migration and the diaspora

Contributors to this volume bring many decades of experience of research with Pacific people as well as fresh perspectives from early career and graduate researchers Most are anthropologists and their chapters contribute to the interdisciplinary fields of youth studies and Pacific studies offering thought provoking insights into the possibilities for Pacific youth as they face uncertain futures

Popular Music in Evangelical Youth Culture Stella Lau, 2013-05-07 Christian churches and groups within Anglo American contexts have increasingly used popular music as a way to connect with young people This book investigates the relationships between evangelical Christianity and popular music focusing particularly on electronic dance music in the last twenty years Author Stella Lau illustrates how electronic dance music is legitimized in evangelical activities by Christians discourses and how the discourses challenge the divide between the secular and the sacred in the Western culture Unlike other existing books on the relationships between music cultures and religion which predominantly discuss the cultural implications of such phenomenon *Popular Music in Evangelical Youth Culture* examines the notion of spirituality in contemporary popular electronic dance music Lau s emphasis on the sonic qualities of electronic dance music opens the door for future research about the relationships between aural properties of electronic dance music and religious discourses With three case studies conducted in the cultural hubs of electronic dance music Bristol Ibiza and New York the monograph can also be used as a guidebook for ethnographic research in popular music

Island Voices John Charles Kennedy, 2006 Like their counterparts in developing countries rural people living on the periphery of developed nations are increasingly vulnerable to forces beyond their control Farmers miners and fishermen must cope with periodic resource scarcities fluctuating global markets and neoliberal trade pacts *Island Voices* explores this struggle through the perspective of people living on Arnøya an island off northern Norway John C Kennedy spent years collecting their stories each of which offers resounding proof of how change both local and global has unevenly benefited the island s four villages
