The Italian Communist Party 1976-81 On The Threshold Of Government:

The Italian Communist Party, 1976-81 James Ruscoe, 1982 **The Italian Communist Party, 1976-81** James Ruscoe, 1982 **The French and Italian Communist Parties** Cyrille Guiat, 2004-08-02 This volume is a systematic comparative study of the French and Italian Communist parties in the period from the early 1960s to the early 1980s *A Concise History of Italy* Christopher Duggan, 1994-04-21 A concise history of Italy from the fall of the Roman empire in the west to the present day **One Hundred Years of Socialism** Donald Sassoon, 2010-07-30 On 14 July 1889 the centenary of the French Revolution socialist parties from all corners of Europe met in Paris On the same day in the same city the Exposition Universelle was launched to mark the achievements of capitalist production The two events symbolized the beginning of the epic struggle between socialism and capitalism in Europe In this comprehensive study of a century of socialism the author traces the fortunes of the political parties of the Left in Western Europe From the rise of the Bolsheviks to the fall of the Berlin wall from the Second International through two world wars to the Cold War and the birth of the welfare state from the working class militancy and student uprisings of the 1960s through the revival of feminism and the arrival of green politics to the reluctant embrace of market economics en route to the millennium Donald Sassoon charts the course of socialism across 14 countries He shows that throughout their history the fortunes of socialism and capitalism have been inextricably linked They have grown up side by side each one challenging and seeking to destroy yet nourishing and shaping the other **Constructing Democracy in Southern Europe** Lauren M. McLaren, 2008-04-08 Offers an introduction to the politics of Italy Spain and Turkey providing a comparative case study analysis of why democratization outcomes vary across the three countries *Parties, Conflicts and Coalitions in Western Europe* Moshe Maor, 2002-11 Explores the impact intraparty conflicts have on a party's coalition bargaining Focusing on the UK Denmark Norway Italy and France it analyses whether organizational imperatives of political parties feature in intraparty competition *Eurocommunism* Ioannis Balampanidis, 2018-11-09 Eurocommunism constitutes a moment of great transformation connecting the past and the present of the European Left a political project by means of which left wing politics in Europe effected a definitive transition to a thoroughly different paradigm It rose in the wake of 1968 that pivotal year of social revolt and rethinking that caused a divide between radical progressive and socialist thinking in western and southern Europe and the Soviet model Communist parties in Italy France Spain and Greece changed tack drew on the dynamics of social radicalism of the time and came to be associated with political moderation liberal democracy and negotiation rather than contentious politics forging a movement that would hold influence until the early 1980s Eurocommunism thus wove an original political synthesis delineated against both the revolutionary Left and the social democracy party of struggle and party of governance **European Monetary Integration & Domestic Politics** James I. Walsh, 2000 Three nations in similar economic situations since the 1970s have pursued different monetary strategies Walsh argues that monetary policies

produce predictable winners and losers and that policy choice is a function of how industrial firms banks and unions use their political resources

Italian Communism Cris Shore,1990 An anthropological exploration into the mind and social fabric of the Italian Communist Party Based on research in the Communist governed city of Perugia Shore traces major factors which underlie the success of the PCI

The A to Z of Modern Italy Mark Gilbert,Robert K. Nilsson,2010-04-20 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy s natural beauty and cuisine are rightly renowned Italy s history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814 15 After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one The A to Z of Modern Italy is an attempt to introduce the key personalities events social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow This is done through a chronology a list of acronyms and abbreviations an introductory essay a map a bibliography and some 400 cross referenced dictionary entries on prominent individuals basic institutions crucial events history politics economics society and culture

Historical Dictionary of Modern Italy Mark Gilbert,Robert K. Nilsson,2007-09-19 Italy is a country that exercises a hold on the imagination of people all over the world Its long history has left an inexhaustible treasure chest of cultural achievement The historic cities of Rome Florence and Venice are among the most sought after destinations in the world for tourists and art lovers and Italy s natural beauty and cuisine are rightly renowned Italy s history and politics are also a source of endless fascination Modern Italy has consistently been a political laboratory for the rest of Europe In the 19th century Italian patriotism was of crucial importance in the struggle against the absolute governments reintroduced after the Congress of Vienna 1814 15 After the fall of Fascism during World War II Italy became a model of rapid economic development though its politics has never been less than contentious and its democracy has remained a troubled one The second edition of Historical Dictionary of Modern Italy is an attempt to introduce the key personalities events social developments and cultural achievements of Italy since the beginning of the 19th century when Italy first began to emerge as something more than a geographical entity and national feeling began to grow This is done through a chronology a list of acronyms and abbreviations an introductory essay a map a bibliography and some 400 cross referenced dictionary entries on prominent individuals basic institutions crucial events history politics economics society and culture

Italy Spencer M. DiScala,2018-04-17 This essential book fills a serious gap in the field by synthesizing modern Italian history and placing it in a fully European context Emphasizing globalization Italy traces the country s transformation

from a land of emigration to one of immigration and its growing cultural importance Including coverage of the April 2008 elections this updated edition offers expanded examinations of contemporary Italy s economic social and cultural development a deepened discussion on immigration and four new biographical sketches Author Spencer M Di Scala discusses the role of women gives ample attention to the Italian South and provides a picture of how ordinary Italians live Cast in a clear and lively style that will appeal to readers this comprehensive account is an indispensable addition to the field

Political Parties and Coalitional Behaviour in Italy Geoffrey Pridham,2013-07-04 Coalitional behaviour is central to the Italian system of government but has been largely neglected by research As a result coalitions in post war Italy have been viewed as simply unstable short lived and incohesive In this book the author corrects this one sidedness by analysing Italian coalition politics as a continuous and dynamic process His comprehensive interpretative approach takes account of other new developments in coalition studies and relates his subject both to the literature on Italian politics and to the comparative study of party systems in liberal democracies An introductory section places Italian coalitional behaviour in a theoretical and comparative context This inductive framework is then used as a reference for examining the historical institutional motivational internal socio political and environmental dimensions of the phenomenon The Failure of West European Communism Frank Lee Wilson,1993 Public Affairs Information Service Bulletin Public Affairs Information Service,1983

Expanding Welfare in an Age of Austerity Anthony Kevins,2025-10-01 In recent decades and particularly since the financial crisis continental Europe has seen an increasing gap between those workers who have well protected good paying jobs with strong benefits and those who work lower quality nonstandard jobs or who have no regular work at all This situation would seem to call for increased spending on the social safety net yet governments throughout the region have instead been turning to austerity In the face of that reality the options for helping disadvantaged workers are to extend coverage through re allocating the benefits given to higher level workers maintain the benefits of the well off as the number of outsiders continues to grow or simply ignore the problem This book asks why different nations have taken different tacks in handling or not handling this problem **Politics and Society in Western Europe** Jan-Erik Lane,Svante O. Ersson,1999-02-23 Politics and Society in Western Europe is a comprehensive introduction for students of West European politics and of comparative politics This new edition has been extensively revised and updated to meet with the new needs of undergraduate students as they come to terms with a changing social and political landscape in Europe This textbook provides a full analysis of the political systems of 18 Western European countries their political parties elections and party systems as well as the structures of government at local regional national and European Union levels Throughout the book key theoretical ideas are accessibly introduced and examined against the very latest empirical data on civil society and the state *Italy* Lucio Sponza,Diego Zancani,1995 Italy has transformed itself in the last fifty years changing from a rural society into one of the seven wealthiest nations in the world This is despite the fact that Italy has had to cope with many

apparent contradictions such as the twin influences of the Roman Catholic Church and the most powerful Communist Party in the West Information Sources in Politics and Political Science Dermot J. T. Englefield, Gavin Drewry, 1984
