J. Hillis Miller and the Play of Literature Jonathan Locke Hart, 2023-12-27 This is the first book to discuss the full sweep of the work of J Hillis Miller from his earliest writing in the 1950s to those near the time of his death in February 2021 across the genres of his criticism and theory poetry

fiction drama fiction non fiction The book examines Miller's preference for close and careful reading of individual literary and critical works over abstract theory The study will discuss the last member of the so called Yale School of deconstruction to die but will see him as a reader and lover of literature someone interested in Georges Poulet and phenomenology and in Jacques Derrida and deconstruction Miller was concerned about many aspects of literature and life including the pleasure of reading and writing and in climate change which he saw as the crisis of our time Miller was well known in humanities and literature worldwide as one of the greatest of modern critics and theorists J. Hillis Miller and the Possibilities of Reading

Eamonn Dunne, 2010-05-06 J Hillis Miller is undoubtedly one of the most important literary critics of the past century For well over five decades his work has been at the forefront of theoretical and philosophical thinking and writing From his earliest work with Georges Poulet and the so called Geneva School which introduced a generation of North American critics to the concept of a phenomenological literary hermeneutic to a deconstructive rhetorical philology and an ethically motivated textual analysis Miller's readings have not only reflected major movements in literary theory they have also created them Surprisingly Eamonn Dunne's *J Hillis Miller and the Possibilities of Reading* is the first book devoted exclusively to examining Miller's work Dunne argues that an appreciation of Miller is crucial to an informed understanding about the radical changes occurring in critical thinking in the humanities in recent years This book the first of its kind will be a vital and enabling avenue for further research into J Hillis Miller's exemplary and prolific output **Virginia Woolf's Common Reader**

Katerina Koutsantoni, 2016-02-11 In the first comprehensive study of Virginia Woolf's *Common Reader* Katerina Koutsantoni draws on theorists from the fields of sociology sociolinguistics philosophy and literary criticism to investigate the thematic pattern underpinning these books with respect to the persona of the common reader Though these two volumes are the only ones that Woolf compiled herself they have seldom been considered as a whole As a result what they reveal about Woolf's position with regard to the processes of writing reading and critical analysis has not been fully examined Koutsantoni challenges the critical commonplace that equates Woolf's strategy of self effacement and personal removal from her works as a necessary compromise that allowed her to achieve authorial recognition in a male dominated context Rather Koutsantoni argues that an investigation of impersonality in Woolf's essays reveals the potential of the genre to function both as a vehicle for the subjective and dialogic expression of the author and reader and as a venue for exploring topics with which the ordinary reader can relate As she explores and challenges the meaning of impersonality in Woolf's *Common Reader* Koutsantoni shows how the related issues of subjectivity authority reader response intersubjectivity and dialogism offer useful perspectives from which to examine Woolf's work *A Reader's Guide to Contemporary Literary Theory* Raman Selden, Peter Widdowson, Peter Brooker, 2016-12-19 *A Reader's Guide to Contemporary Literary Theory* is a classic introduction to the complex yet crucial area of literary theory This book is known for its clear accessible style and its thorough logical approach guiding the reader through the essentials of literary theory It includes two new chapters New

Materialisms which incorporates ecocriticism animal studies posthumanism and thing theory 21st Century and Future Developments which includes technology digital humanities ethics and affect *The Old Story, with a Difference* Julian Wolfreys, 2006 The Old Story with a Difference Pickwick's Vision explores in radically different ways from most approaches to nineteenth century studies the tropes and metaphors of vision in Dickens first novel The Pickwick Papers Julian Wolfreys provides a close reading of Dickens Pickwick Papers and argues that this novel is an exemplary text for the re consideration of concepts such as literature history the novel and the whole notion of Victorian studies True to the purpose of the Victorian Critical Interventions Series Wolfreys challenges scholars to rethink the use of a canonical text in Victorian literature Challenging the commonplaces of historicist criticism and demonstrating the need for a return to close reading The Old Story with a Difference presents a reading of the novel grounded in the twinned rigors of materialist historiography and theoretical inflections tending toward attentiveness to epistemological and linguistic concerns Through such an orientation Wolfreys unpacks the relation between the tropes of visibility and matters of memory history and the necessity of fiction to bear witness to the cultures past and present from which literature becomes generated and which it mediates In doing so he situates an argument for rethinking Dickens novel as the inaugural novel of Victorian fiction par excellence in that novel's efforts to remain open to the traces of the past in particular ways The Old Story with a Difference holds profound implications for the study not only of Dickens works but Victorian literature and culture in general Provocative and inventive this ambitious analysis will challenge goad and invite the reader to return to acts of materialist reading informed by ethical and ideological urgency rather than relapsing into the commonplaces of humanist cliché **Teaching Australian and New Zealand Literature** Nicholas Birns, Nicole Moore, Sarah Shieff, 2017-05-01 Offers techniques for teaching Australian and New Zealand literature in college and discusses the history of the two countries Maori and Aboriginal texts colonialism gender landscapes violence indigenous aesthetics ethics and crime fiction Includes information on editions reference works and online resources Gives syllabus suggestions for undergraduate and graduate courses [American Literary Criticism Since the 1930s](#) Vincent B. Leitch, 2009-09-10 American Literary Criticism Since the 1930s fully updates Vincent B Leitch's classic book American Literary Criticism from the 30s to the 80s following the development of the American academy right up to the present day Updated throughout and with a brand new chapter this second edition provides a critical history of American literary theory and practice discussing the impact of major schools and movements examines the social and cultural background to literary research considering the role of key theories and practices provides profiles of major figures and influential texts outlining the connections among theorists presents a new chapter on developments since the 1980s including discussions of feminist queer postcolonial and ethnic criticism Comprehensive and engaging this book offers a crucial overview of the development of literary studies in American universities and a springboard to further research for all those interested in the development and study of Literature **Encyclopedia of Postmodernism** Victor E. Taylor, Charles

E. Winquist, 2003 Provides comprehensive and authoritative coverage of academic disciplines critical terms and central figures relating to the vast field of postmodern studies Publisher's description *The Literary Theory Handbook* Gregory Castle, 2013-05-21 The Literary Theory Handbook introduces students to the history and scope of literary theory showing them how to perform literary analysis and providing a greater understanding of the historical contexts for different theories A new edition of this highly successful text which includes updated and refined chapters and new sections on contemporary theories Far reaching in its inclusion of a detailed history of theory and in depth discussions of major theories and movements Four distinct perspectives on theory historical thematic biographical practical are carefully intertwined so that key concepts terms and ideas are developed in different contexts and cross referenced in the text and in the index Includes alphabetically arranged biographies designed for quick reference and sample readings to illustrate the practical application of theory **Handbook of the English Novel, 1830-1900** Martin Middeke, Monika Pietrzak-Franger, 2020-05-05 Part I of this authoritative handbook offers systematic essays which deal with major historical social philosophical political cultural and aesthetic contexts of the English novel between 1830 and 1900 The essays offer a wide scope of aspects such as the Industrial Revolution religion and secularisation science technology medicine evolution or the increasing mediatisation of the lifeworld Part II then leads through the work of more than 25 eminent Victorian novelists Each of these chapters provides both historical and biographical contextualisation overview close reading and analysis They also encourage further research as they look upon the work of the respective authors at issue from the perspectives of cultural and literary theory

Neo-Victorianism and Sensation Fiction Jessica Cox, 2019-11-11 This book represents the first full length study of the relationship between neo Victorianism and nineteenth century sensation fiction It examines the diverse and multiple legacies of Victorian popular fiction by authors such as Wilkie Collins and Mary Elizabeth Braddon tracing their influence on a range of genres and works including detective fiction YA writing Gothic literature and stage and screen adaptations In doing so it forces a reappraisal of critical understandings of neo Victorianism in terms of its origins and meanings as well as offering an important critical intervention in popular fiction studies The work traces the afterlife of Victorian sensation fiction taking in the neo Gothic writing of Daphne du Maurier and Victoria Holt contemporary popular historical detective and YA fiction by authors including Elizabeth Peters and Philip Pullman and the literary fiction of writers such as Joanne Harris and Charles Palliser The work will appeal to scholars and students of Victorian fiction neo Victorianism and popular culture alike

Justice as Attunement Richard Dawson, 2013-08-09 The meaning of an expression resides not in the expression itself but in the experience of a person's engagement with it Meaning will be different not only to different people but also to the same person at different times This book offers a way of attending to these different meanings This way or method is a version of a trans cultural activity that Richard Dawson calls attunement The activity of attunement involves a movement of self adjustment to a language which a person transforms in her or his use of it Consciously performing the activity can enable

understanding of the processes by which we constitute ourselves and others when we use a language This directly connects to the topic justice which is concerned with constituting appropriate selves and relations Justice as Attunement engages with a wide range of texts legal literary economic philosophical among others and illuminates many useful and fascinating connections between them There is a sense in which this book transcends disciplinary boundaries for in addition to students and scholars of law literature economics and philosophy it is written to a general reader who is interested in reflecting on and doing justice to their experiences in life

Subversive Principles David H. Aaron, 2024-10-31 Avot a tractate in the Mishnah c 220 CE is the single most studied and commented upon Jewish text outside the Hebrew Bible Commonly published as a stand alone volume with the title Pirke Avot Chapters of the Fathers or Ethics of the Fathers Avot is also included in Jewish prayer books to encourage group and home study in every form of Judaism A number of scholarly studies over the past three decades have reconceptualized the historical purpose and stylistic character of tractate Avot which is unlike any other in the Mishnah Some scholars have recognized that Avot s content reflects the ideological positions of an elitist fellowship originally formed according to paradigms established by Greco Roman schools of philosophy Subversive Principles furthers the argument that Avot was composed to facilitate the formation of such a fellowship by engaging the analytical insights of Pierre Bourdieu regarding symbolic language and other theorists elucidating the role of exchange theory in religions This volume explores an ethics of reading and the matter of historical relativism as such concerns influence the historical critical interpretation of a canonical text

Jean-Claude Charles: A Reader's Guide Martin Munro, Eliana Văgălău, 2022-04-15 Despite being a major figure of Haitian literature Jean Claude Charles 1949 2008 has received relatively little scholarly attention to date The present volume seeks to serve as an introduction to the work and universe of this unique and capital writer to an English language readership The essays in the collection are organized along three major axes contextual articles placing Charles work within the larger Haitian literary landscape punctual articles addressing specific themes in a selection of Charles books and author testimonials attesting to Charles work s importance both to his contemporaries and to a new generation of writers With the ongoing republication of Charles work by M moire d encrier in Montreal and the increasing interest in the author the proposed volume is timely and necessary and is in large part a critical accompaniment to the republishing programme Described by Dany Laferrière as most brilliant Haitian author of his generation Charles has until recently remained largely unread and little understood As the various chapters in the volume show Charles is an author for now and the collection will accompany readers seeking strikingly original insights on issues such as race migration and exile and the role of the author and literature in times of crisis

The Intimate Critique Diane P. Freedman, Olivia Frey, Frances Murphy Zauhar, 1993 For a long time now readers and scholars have strained against the limits of traditional literary criticism whose precepts above all objectivity seem to have so little to do with the highly personal and deeply felt experience of literature The Intimate Critique marks a movement away from this tradition With their rich

spectrum of personal and passionate voices these essays challenge and ultimately breach the boundaries between criticism and narrative experience and expression literature and life Grounded in feminism and connected to the race class and gender paradigms in cultural studies the twenty six contributors to this volume including Jane Tompkins Henry Louis Gates Jr Shirley Nelson Garner and Shirley Geok Lin Lim respond in new refreshing ways to literary subjects ranging from Homer to Freud Middlemarch to The Woman Warrior Shiva Naipaul to Frederick Douglass Revealing the beliefs and formative life experiences that inform their essays these writers characteristically recount the process by which their opinions took shape a process as conducive to self discovery as it is to critical insight The result which has been referred to as personal writing experimental critical writing or intellectual autobiography maps a dramatic change in the direction of literary criticism Contributors Julia Balen Dana Beckelman Ellen Brown Sandra M Brown Rosanne Kanhai Brunton Suzanne Bunkers Peter Carlton Brenda Daly Victoria Ekanger Diane P Freedman Olivia Frey Shirley Nelson Garner Henry Louis Gates Jr Melody Graulich Gail Griffin Dolan Hubbard Kendall Susan Koppelman Shirley Geok Lin Lim Linda Robertson Carol Taylor Jane Tompkins Cheryl Torsney Trace Yamamoto Frances Murphy Zauhar Narrative Medicine Rita Charon,2008-02-14 Narrative medicine emerged in response to a commodified health care system that places corporate and bureaucratic concerns over the needs of the patient This book provides an introduction to the principles of narrative medicine and guidance for implementing narrative methods **Seven Modes of Uncertainty** C. Namwali Serpell,2014-04-30 Literature is uncertain Literature is good for us These two ideas are often taken for granted But what is the relationship between literature s capacity to perplex and its ethical value Seven Modes of Uncertainty contends that literary uncertainty is crucial to ethics because it pushes us beyond the limits of our experience
