The Jade Stalk An Erotic Novel:

Mastery of the Penis Swami Genesha Anajon, 2017-10-22 This book is for those who wish to extend their sexual abilities beyond the normal. It provides you with training exercises and techniques to become a sexual master. The author compiles a wide variety of sexual techniques gathered from ancient sexual traditions like Tantra Tao and modern experiments. There are ancient secrets from numerous sexual traditions which will allow you to profoundly change the depth of your sensual experience. You will learn techniques for exercising the penis, controlling the penis, controlling ejaculation, and experiencing orgasm without full ejaculation. The male recovery phrase after ejaculation limits sexual pleasure. The obvious solution is to extend the capacity of the male by teaching him how to function in a multi-orgasmic way. If you follow the precepts, exercises, and instructions of this book, you should be able to maintain erection while orgasming frequently until you are ready for a complete and full ejaculation. This book will also teach you how to extend sex into an ecstatic two-hour marathon rather than the 14-minute sprint now experienced by most men.

Imposed Morality Dr. Alena Rada, PhD, 2021-06-01 The book *Imposed Morality* is written from a multidisciplinary perspective and in this sense is totally different from other books dealing with human sexuality and particularly homosexuality.

Chinese Erotic Art Michel Beurdeley, 1969 *Misers, Shrews, and Polygamists* Keith McMahon, 1995 Having multiple wives was one of the mainstays of male privilege during the Ming and Qing dynasties of late imperial China. Based on a comprehensive reading of eighteenth-century Chinese novels and a theoretical approach grounded in poststructuralist psychoanalytic and feminist criticism, *Misers, Shrews, and Polygamists* examines how such privilege functions in these novels and provides the first full account of literary representations of sexuality and gender in pre-modern China. In many examples of rare erotic fiction and in other works as well known as *Dream of the Red Chamber*, Keith McMahon identifies a sexual economy defined by the figures of the miser and the shrew: caricatures of the retentive self-containing man and the overflowing male enervating woman. Among these and other characters, the author explores the issues surrounding the practice of polygamy, the logic of its overvaluation of masculinity, and the nature of sexuality generally in Chinese society. How does the man with many wives manage and justify his sexual authority? Why and how might he escape or limit this presumed authority, sometimes to the point of portraying himself as abject before the shrewish woman? How do women accommodate or coddle the man, or else oppose, undermine, or remold him? And in what sense does the man place himself lower than the spiritually and morally superior woman? The most extensive English language study of Chinese literature from the eighteenth century, this examination of polygamy will interest not only students of Chinese history, culture, and literature but also all those concerned with histories of gender and sexuality.

Olderr's Fiction Index, 1988 **A Geisha for the American Consul (a short story)** Lesley Downer, 2012-12-06 Two cultures. One man and one woman. One moment in time. Cultures collide when Okichi, a beautiful geisha, is sent to work for the American envoy in Japan. Age and pride meet youth and grace. How will she survive in a home where no one speaks her
