The Jail Mission Field For Churches:

The Jail Tom Adams,1985 Go to Jail Rick Bezanson,2009-09 *Go to Jail* is a call for Christians worldwide to take the mission of Christ outside the walls of the church Dr Bezanson provides a good model and keen insight into how a local church and its people can make a huge impact in the jail found near its own back yard He brings out a sense of the amazing reality that occurs in God s kingdom as the battle rages for guilty and incarcerated people s souls and in the process some end up belonging to God Chaplain James Holder AZ prison complex Perryville A life changing and lifesaving story of caring people who bravely follow their faith as they share God s word with those who have been forgotten Thanks be to God for the servant hearts of Pastor Bezanson and the Amazing Grace Jail Pastors A grateful Mother of a former inmate Rick Bezanson is the senior pastor of Amazing Grace Christian Church in Glendale Arizona During his tenure over six years the church has grown from worship attendance of 23 to over 170 He also implemented the planting of 5 jail churches in the Maricopa County jail complex and the commencement of Spanish worship at Amazing Grace Rick recently received his Doctor of Ministry from Fuller Theological Seminary His passion is for the outcast and disenfranchised *Go to Jail* is the culmination of many talks and training classes for pastors and laity interested in jail or prison ministry He has found that prisoners are longing for transformation and are desperately in need of the words of Jesus Remember Jesus will equip the called If you are considering this ministry Jesus will bless you and equip you Amazingly you will be changed also as you bring Jesus words to prisoners

Building Church Behind the Walls Richard Prince,2022-05-03 *Building Church Behind the Walls* is written as a guidebook to developing churches inside prisons This book lines out the steps to effectively lay foundations for a true church within the walls of a prison and leads the reader in a step by step process of partnering with Jesus in establishing kingdom centers behind the walls Few individuals stop to consider the impact that prisoners could have on this world These are men and women of passion and knowledge in the Word of God Many have spent a long time growing in their faith giving themselves to study of the Word and service in the kingdom of God In this book you will learn the importance of developing a church behind the walls You will learn how to lay proper foundations step over obstacles that are unique to prisons and ultimately how to mine out the kingdom recourses in the recently released individuals that may come to your church Because the foundational elements of a church are the same whether in or out of prison this book will serve as a great informative guide for any minister Written in a simple conversational tone *Building Church Behind the Walls* is an easy read that is packed with powerful information As you read it you will find creative ways to become intentional in the development of any ministry and ways to bring your leaders into greater acceleration in their calling The Christian Intelligencer and Mission Field ,1922 Streetwise Prison Ministry Rebecca Lewis,2024-04-11 Every year thousands of religious individuals and groups of all faiths volunteer to enter into jails and prisons to bring hope to the incarcerated But while their intention is honorable many of these volunteers run into the reality of a highly dysfunctional complicated and often volatile environment

hostile by its nature to those efforts Jail and prison ministry is not just about bringing the gospel of deliverance to the inmates through religious programming and spiritual counseling Wise ministry comes from knowing the dynamics of the mission field which is often filled with the condensed darkness of human suffering and evil and many wolf traps Effective jail and prison ministry requires the religious volunteer to have an awareness of the inner nuances of that environment A study of inmate religious games security issues that affect civilians entering to minister as well as their own personal perceptions of ministry in a secular environment is part of being fully equipped for that mission Jail and prison ministry is not for the naïve in matters that may sabotage or weaken the intended purpose of those religious volunteers who seek to bring the hope of the gospel into the dark places that are our jails and prisons
