**A Reason for Retribution** Abisai Estrella, 2009-10 In a city hardened by cynicism and repression comes Jake Santos A hard edged veteran NYC Detective who must come face to face with the day he never wished would ever come Julie Ann Micheals a young innocent woman in search of a new journey she sets forth to the bright lights of the big city looking for a new lease on life Eusebio Santana an individual so cold and relentless to stare at him is to gaze into the very fabric of death itself Plagued by his years of wrongful incarceration Eusebio orchestrates his release with the aid of an outside contractor whose own thirst for bloodshed overshadows his own they set forth to reclaim the very streets which made him a feared man With the entire city as their playground the lives of Jake Julie and Eusebio become intertwined game pieces as vindication and love become the trajectory for tragedy and triumph for all three players As the fall of a city becomes evident so does the efforts of one man who must choose for the love of his city the demise of his eluding enemy or for the love of a woman he has barely come to know Jake's Preacher Gig Jack Teeter, 2009-01-07 Jake s Preacher Gig is a two part story that focuses on characters from three separate families tracking the daily life of the principle character Reverend Jake Millsaps The story takes place at picturesque but fictitious Hyacinth College in Plant City in East Tennessee The time period is the 1989 1990 school year One of Jake s primary duties is to develop a drug intervention program to combat the college s flagging enrollment The point of view of this tale is unique we see all action through the eyes of a group of stumbling demons Our demons do not dispense curses nor do they commit any physical mayhem They exist only in the spiritual dimension and use their powers of suggestion to try to influence events in Jake s day to day life Their purpose is to encourage chaos to undermine Jake s effectiveness as campus pastor **Jake's Law** William J. Coleman, 2012-10-23 Out in the furthest reaches of space an assignment was given to a race of intelligent Light beings The assignment was to go to a faraway system and create a world and a species so that souls could experience the creative powers of living in a Free Will system This happened a long time ago in our terms and continues today However Free Will has some quirky aspects as Jake Montana is going to learn Excitement and change have many disguises and things are not always as clear as they first appear Jake a mild mannered past middle age engineer for a major aerospace company just wants to retire and enjoy his hobbies and life in general Little does he know that people from another planet are actively seeking him for reasons that are critical to their continued existence Follow Jake as he experiences the ultimate abduction by people who have medieval technology yet travel in advanced spacecraft Witness how dogma crushes culture and tyranny can eliminate free thought Discover a universe where peace and war lived side by side and didn't know it until the startling discovery of space travel Journey to the star system where one man's desire for absolute power transforms Jake's life Mental changes occur that are as large and mind altering as to affect the lives of all the inhabitants on two very separate worlds Jake will meet and join forces with the most unlikely group of co conspirators some of them human some not so human The difference Jake will find is just the labels that

they are given Jump into this metaphysical grab bag of travel fun intrigue and personal learning as Jake experiences the many shades of good and bad not to mention two outstanding ladies who have designs on him that are different from anything Jake could ever imagine

**Constructing (in)competence** Dana Kovarsky, Madeline Maxwell, Judith F. Duchan, 2013-06-17 Competence and incompetence are constructs that emerge in the social milieu of everyday life Individuals are continually making and revising judgments about each other's abilities as they interact The flexible situated view of competence conveyed by the research of the authors in this volume is a departure from the way that competence is usually thought about in the fields of communication disabilities and education In the social constructivist view competence is not a fixed mass residing within an individual or a fixed judgment defined externally Rather it is variable sensitive to what is going on in the here and now and coconstructed by those present Constructions of competence are tied to evaluations implicit in the communication of the participants as well as to explicit evaluations of how things are going The authors address the social construction of competence in a variety of situations engaging in therapy for communication and other disorders working and living with people with disabilities speaking a second language living with deafness and giving and receiving instruction Their studies focus on adults and children including those with disabilities aphasia traumatic brain injury augmentative systems users as they go about managing their lives and identities They examine the all important context in which participants make competence judgments assess the impact of implicit judgments and formal diagnoses and

look at the types of evaluations made during interaction This book makes an argument all helping professionals need to hear institutional clinical and social practices promoting judgments must be changed to practices that are more positive and empowering *Case Conceptualization and Treatment Planning* Pearl S. Berman, 2018-07-11 Case Conceptualization and Treatment Planning Integrating Theory With Clinical Practice teaches students in counseling psychotherapy and clinical psychology how to develop the case conceptualization and treatment planning skills necessary to help clients achieve change Author Pearl S Berman provides client interviews and sample case studies in each chapter along with detailed steps for practice and developing treatment plans Chapters conclude with questions that engage students in critical thinking about the complexity of human experiences The updated and expanded Fourth Edition includes cutting edge issues in trauma informed care responsiveness to development across the lifespan integration of issues relevant to intersectionality of oppression and evidence based practice **Pillar of Fire**, 1929 **Delphi Collected Works of Grant Allen (Illustrated)** Grant
