

## The 12 Steps of Alcoholics Anonymous

1

We admitted we were powerless over alcohol —that our lives had become unmanageable

2

Came to believe that a Power greater than ourselves could restore us to sanity

3

Made a decision to turn our will and our lives over to the care of God as we understood Him

4

Made a searching and fearless moral inventory of ourselves

5

Admitted to God, to ourselves, and to another human being the exact nature of our wrongs

6

Were entirely ready to have God remove all these defects of character

7

Humbly asked Him to remove our shortcomings

8

Made a list of all persons we had harmed, and became willing to make amends to them all

9

Made direct amends wherever possible, except when to do so would injure them or others

10

Continued to take personal inventory and when we were wrong promptly admitted it

11

Sought through prayer and meditation to improve our conscious contact with God...

12

Having had a spiritual awakening as the result of these Steps, we tried to carry this message...

The 12 Steps are presented as a set of principles to guide former alcoholics on how to tackle the problems caused by their addiction, how to make amends, and how to continue in their new lives as recovering drinkers.
