

Monticello Jan 10. 1790

Dear Sir

The principal object of the settlement of the administration of my father's estate being to make a final settlement between my brother and myself, to know what debts remain due from the estate and by whom they are to be paid, what monies are due to it and by whom they are to be received, I have proceeded with that view to consider the papers which yourself and Mr Nicholas were so kind as to send the other day. The accounts of Skipper & Co. needing some corrections and explanations which Mr Nicholas alone can probably give, we have concluded to go to his house the day after tomorrow, that being the only day which my short stay here and my engagements will permit me to go from home. but there are several points upon which we must ask your & Mr Nicholas' opinions which will be decisive for us where they concur & where you differ we will take a middle term.

1. During a part of the time that I was a student in Williamsburg my expenses were greater than they ought to have been, it was therefore agreed that they should be paid by the estate but that I should repay so much as they exceeded what they ought to have

**The Founding of Thomas Jefferson's University** John A. Ragosta, Peter S. Onuf, Andrew J. O'Shaughnessy, 2019-09-10 Established in 1819 by Thomas Jefferson the University of Virginia was known as The University throughout the South for most of the nineteenth century and today it stands as one of the premier universities in the world This volume provides an in depth look at the founding of the University and in the process develops new and important insights into Jefferson's contributions as well as into the impact of the University on the history of higher education The contributors depict the students who were entering higher education in the early republic their aspirations their juvenile and often violent confrontations with authority and their relationships with enslaved workers at the University Contributors then turn to the building of the University including its unique architectural plan as an Academical Village and the often hidden role of African Americans in its construction and day to day life The next set of essays explore various aspects of Jefferson's intellectual vision for the University including his innovative scheme for medical education his dogmatic view of the necessity of a republican legal education and the detailed plans for the library by Jefferson one of America's preeminent bibliophiles The book concludes by considering the changing nature of education in the early nineteenth century in particular the new focus on research and discovery in which Jefferson again played an important role Providing a fascinating and important look at the development of one of America's oldest and most preeminent educational institutions this book provides yet another perspective from which to appreciate the extraordinary contributions of Jefferson in the development of the new nation
