*Hippies of the Religious Right* Preston Shires, 2007 This volume demonstrates that the Christian Right has a surprising past Historical analysis reveals that the countercultural movements and evangelicalism share a common heritage Shires warns that political operatives in both parties need to heed this fact if they hope to either in the case of the Republican Party retain their evangelical constituency or in the case of the Democratic Party recruit new evangelical voters *The Jesus People are Coming* Pat King, 1972 OMG Mary Ellen Ashcroft, 2018-12-18 The plot thickens in novels and our lives forcing us from the fairy tale into a bewildering even heartbreaking narrative We look at the god we re holding and find it too fragile too brittle to meet reality Cling tighter Move on godless In fact rejecting a god image or as C S Lewis puts it allowing God to smash our limited god opens space for deeper faith in the midst of painful life experience In OMG Mary Ellen Ashcroft invites readers to look over her shoulder as she traces her god growth beginning with a capricious childhood god The loving savior who embraced her when she was eighteen followed her into strict fundamentalism while the god she met in an Anglican seminary shocked her by caring more about poverty than a seven day creation but then called her to a South Africa tipping toward revolution An interweaving of narrative theology and creative nonfiction OMG invites readers to grow into deeper faith retelling their stories in the light of the biblical one dropping inadequate gods to grasp a mysterious awesome one

*Yeshua, the Untold Story* Lee Carter Thomas, 2021-03-31 Based on the fantasies created in the mind of an apathetic church attendee who reimagines the possibility that Jesus in the New Testament was actually the creation of a famous Judean street performer Yeshua is the story of how the character of Jesus in theater emerges as an iconic celebrity whose dramatic reenactments of well known stories in the New Testament challenge and threaten the current social and political order of the first half of the century The growing popularity of the Jesus character in Yeshua s performances occurs alongside his romantic relationship with Alexia the daughter of a Roman aristocrat As the crowds attending Yeshua s performances increase exponentially they eventually capture the attention of the Roman emperor After a series of dangerous encounters death and sacrifice Yeshua s character will be revered in history for all of eternity as the one who inspired people beyond their imagination Coming out of the Closet Without Coming Apart at the Seams Gail Dickert, 2004-03-02 Coming out of the Closet without Coming Apart at the Seams is a witty yet stirring testimony of one lesbians struggles in and out of the closet As a teenager Gail peeked out of her closet from time to time But her fear of being ridiculed and misunderstood kept her from taking any chances During Bible College the closet became her home After years of warped counseling in ex gay ministries she grew tired of trying to change So eventually she took a risk She risked losing her family her friends and her faith She risked it all for the chance to be herself Coming out of the Closet is more than a memoir It is an ideal read for anyone seeking to reconcile homosexuality and faith Combining her Bible College background with unique story telling abilities Gail created a practical and powerful defense against religious and political agendas Gails story is definitely out of

the ordinary Shes come completely out of her shell Some will think shes out of her mind Others will think shes out of this world But no matter what Gail has successfully come out of the closet without coming apart at the seams *God's Final Answer* Harold E. Gundry,2011-11-01 Delve Deeper into God s Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today s readers The Gospel of Matthew highlights Jesus messiahship and divine sonship Matthew defines faithfulness in terms of Christian behavior and verbal testimony and warns against unfaithfulness by accenting its eternal consequences Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry s nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry s *Commentary on the New Testament Sin, the Human Predicament, and Salvation in the Gospel of John* Mathew E.

Sousa,2021-08-12 Mathew E Sousa demonstrates that in certain respects John s doctrine of salvation fails to align with its customary depiction in Johannine scholarship Sousa suggests that according to John the human predicament is not merely unbelief or a lack of mental perception and Jesus s mission consists not merely of revelation and or a purely forensic atonement Rather Jesus is for John the one who makes true and everlasting life an accomplished fact for humanity and in doing so Jesus reveals the true nature of the predicament from which he saves Sousa argues that salvation in the Gospel of John concerns ethics and the quality or condition of human corporeality The matters of sin and death in particular also make clear that according to John the human predicament is a reality that in various ways persists for believers as they both are and become children of God Sousa thus concludes that salvation for John consists of far more than the emergence of belief in a moment of decision

*The Coming of the Son of Man* Andrew Perriman,2012-08-21 Tracing the powerful motif of the coming of the Son of man from Daniel through to Revelation Andrew Perriman provides thought provoking ideas about eschatological narrative What was it like to hear the biblical proclamation of this coming for the first time in a cultural political and religious context very different from our own How did early Christians think about the imminence of the

promised day of the Lord What difference did this message make to how they thought lived and spread the gospel message This book engages the minds of jaded twenty first century postmoderns who have heard it all before By seeing the fulfilment of much of New Testament apocalyptic in events of the first centuries Perriman proposes that in some important sense we have moved beyond eschatology into an age of renewed community and mission that is creational in its scope The Coming of the Son of Man is important reading for those who want to engage in the debate concerning what church is and will be
