B. Anghelescu, Bradley Allard, 2022-11-25 Volume 2 of Inside Major East Asian Library Collections in North America presents an extensive collection of interviews that give key insights into Chinese Korean and Asian American librarianship **The Journal of Korean Studies, Volume 20, Number 2 (Fall 2015)** Donald Baker, Theodore Hughes, Jina Kim, 2016-01-11 The University of Washington Korea Studies Program in collaboration with Rowman Littlefield Publishers is proud to publish the Journal of Korean Studies **Inside Major East Asian Library Collections in North America, Volume 1** Patrick Lo, Hermina G. B. Anghelescu, Bradley Allard, 2022-10-24 Volume 1 of Inside Major East Asian Library Collections in North America presents an extensive collection of interviews that give key insights into Japanese and Korean librarianship **State, Law and Gender** Shreya Roy, 2023-12-12 A critical analysis of marriage law in India from the late nineteenth to early twentieth century In State Law and Gender Shreya Roy highlights how Indian law has been implicated in women's subordination It explores the ideological expectations that underpin women's legal regulation as well as the traditions in which law subjugates women the multifaceted and elusive ways wherein law validates profoundly gender based suppositions relationships and characters The book demonstrates that the correlation of moral precepts and legal norms is associated with the broader history of the age of marriage of girls in India and it has also shown how history includes diverse alternatives to understanding and addressing the problem of child marriages that do not rely on liberal legal frameworks The book critically analyzes and evaluates the social and legislative history of the period focusing particularly on three significant pieces of legislation Act III of 1872 the Age of Consent Act of 1891 and the Child Marriage Restraint Act of 1929 It traces the history of the legal changes related to the age of marriage in India after Independence and links this issue with the present day concern and the Government's initiative for raising the age of marriage of girls Reading Contemporary South Asian Literature Bidhu Chand Murmu, Somjeeta Pandey, 2022-04-12 As a school of criticism the central argument in Postcolonial studies revolves around dismantling the dominant narrative of colonial or imperial history A colonization process not only captures the native people and culture but their lands too Proper reading of postcolonial theory would be by understanding the epistemology of colonized environment or vice versa Even after decolonization the ideology of imperialism is persistent in native memory and thought An embeddedness in native psyche not only nurtures imperialism but manifests them with the footprints of colonial masters In postcolonial countries the discourse of social and economic justice is deeply rooted in ecology As a consequence environmental activists from postcolonial nations tend to see any modern policy as a disguised form of neocolonialism or imperial dominance globalization and modernization Since the shocks of imperialism and globalization are most strongly felt in the third world countries most of them being

former colonies this edited volume intends to explore texts by South Asian writers examining how these writers and their characters cope with the destruction of the environment This edited volume plans to seek out the writings of epistemological understanding of our environment Moreover the volume would also see a critical entanglement of race class gender culture modernization globalization nation and trans nation etc Furthermore this book will attempt to show how different genres of literature ranging from fiction to non fiction can bring out inimitable insights into varied understanding of postcolonial and ecocritical studies **Imagined Mobility** Michiel Baas,2012-10 This book critically examines the history and current issues on the migration of Indian students to Australia **The Journal of Korean Studies, Volume 21, Number 2 (Fall 2016)** Donald Baker,Tracy L. Stober,Robert Oppenheim,2016-12-08 The University of Washington Korea Studies Program in collaboration with Rowman Littlefield Publishers is proud to publish the Journal of Korean Studies **From Popular Movements to Rebellion** Ranabir Samaddar,2018-11-21 From Popular Movements to Rebellion The Naxalite Decade argues that without an understanding of the popular sources of the rebellion of that time the age of the Naxalite revolt will remain beyond our understanding Many of the chapters of the book bring out for the first time unknown peasant heroes and heroines of that era analyses the nature of the urban revolt and shows how the urban revolt of that time anticipated street protests and occupy movements that were to shake the world forty fifty years later This is a moving and poignant book Some of the essays are deeply reflective about why the movement failed and was at the end alienated Ranabir Samaddar says that the Naxalite Movement has been denied a history The book also carries six powerful short stories written during the Naxalite Decade and which are palpably true to life of the times The book has some rare photographs and ends with newspaper clippings from the period As a study of rebellious politics in post Independent India this volume with its focus on West Bengal and Bihar will stand out as an exceptional history of contemporary times From Popular Movements to Rebellion The Naxalite Decade will be of enormous relevance to students and scholars of history politics sociology and culture and journalists and political and social activists at large Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka **Who's Who in the Arab World 2007-2008** Publitex Publications,2011-12-22 Who's Who in the Arab World 2007 2008 compiles information on the most notable individuals in the Arab world Additionally the title provides insight into the historical background and the present of this influential and often volatile region Part I sets out precise biographical details on some 6 000 eminent individuals who influence every sphere of public life in politics culture and society Part II surveys the 19 Arab Countries providing detailed information on the geography history constitution economy and culture of the individual countries Part III provides information on the historical background of the Arab world Indexes by country and profession supplement the biographical section A select bibliography of secondary literature on the Middle East is also included **Buddhism and Postmodern Imaginings in Thailand** James Taylor,2016-12-05 This book presents a rethink on the significance of Thai Buddhism in an increasingly complex and

changing post modern urban context especially following the financial crisis of 1997 Defining the cultural nature of Thai urbanity the implications for local global flows interactions and emergent social formations James Taylor opens up new possibilities in understanding the specificities of everyday urban life as this relates to perceptions conceptions and lived experiences of religiosity Changes in the centre are also reverberating in the remaining forests and the monastic tradition of forest dwelling which has sourced most of the nation s modern saints The text is based on ethnography taking into account the rich variety of everyday practices in a m lange of the religious In Thailand Buddhism is so intimately interconnected with national identity and social economic and ethno political concerns as to be inseparable Taylor argues here that in recent years there has been a marked reformulation of important conventional cosmologies through new and challenging Buddhist ideas and practices These influences and changes are as much located outside as inside the Buddhist temples monasteries

Alternative Futures and the Present Ranabir Samaddar,2023-05-05 This book explores the idea that alternatives to our present condition are available in the present such that a search for alternatives must involve rigorous study of some of its central texts events and thinkers Through engagement with selected modern thinkers texts and events it imagines a different future from the position of the current postcolonial moment indicating the possibilities that emerge from the present and which shape contemporary radical thinking An invitation to imagine a possible future marked with alternative possibilities of conducting struggles and living through contentions and social restructuring it will appeal to scholars with interests in social and political theory political philosophy colonialism and postcolonialism and historical materialism

Hyper City Peter J.M. Nas,Annemarie Samuels,2013-10-28 First published in 2006 Cities are sites of multiple meanings and symbols ranging from statues and street names to festivals and architecture Some times the symbolic side of urbanism is so strong that it outshines reality then we speak of hypercity Urban symbolic ecology and hypercity studies are relatively new fields that deal with the production distribution and consumption of symbols and meanings in urban space timely concerns in an era of increasing globalization and competition between mega urban regions This volume presents a detailed introduction to the new fields followed by case studies of the cultural layer of symbolism in Brussels Belgium Cape Town South Africa Cuenca Ecuador Delft The Netherlands Kingston Jamaica Ljubljana Slovenia Paris France and cities in Italy and Indonesia It amply demonstrates that the time has come for urban symbolic ecology and hypercity studies to be included in regular urban studies training in the fields of anthropology sociology social geography and architecture

Chinese Complaint Systems Qiang Fang,2013 Despite the rich heritage of numerous complaint systems in Chinese history most Western as well as Chinese studies of one or more complaint systems in the PRC and earlier periods have paid little systematic attention to the origins development practices impact and nature of similar institutions in the longue dur e of Chinese history This book fills this gap providing the reader with a comprehensive study of complaint systems in Chinese history from early times to the present As such it will be of huge interest to students and scholars of Chinese history politics and law
