TV Navigating the Coming Chaos is Carolyn Baker's latest and most important work. As we face up to the reality of collapse, the difference between those former citizens who cope and those who don't may well be a simple case of who has taken heed of the lessons contained within these priceless pages. Keith Farnish, author of *TIMES UP: AN UNCIVILIZED SOLUTION TO A GLOBAL CRISIS* and manager of The Earth Blog, uses this book like you would a longtime friend who is willing to listen to you thoroughly but will still ask you the tough questions. It is an invaluable tool for people who are committed to creating a fulfilling life no matter what the future brings. Andre Angelantoni, Founder of Post Peak Living, writes: [Love in the Age of Ecological Apocalypse](#) Carolyn Baker, 2015-03-24. Given the daunting dire predicament in which we find ourselves on this planet, what is described by social critic James Howard Kunstler as a Long Emergency may in fact become a Last Emergency for humanity. Whether we encounter a long or a last emergency, Carolyn Baker seeks to offer inspiration and guidance for inhabiting our remaining days with passion, vitality, empathy, intimate contact with our emotions, kindness in our relationships with all species, gratitude, open-hearted receptivity, exquisite creations of beauty, and utilizing every occasion, even our demise, as an opportunity to invoke and inflict joy in our world. *Love in the Age of Ecological Apocalypse* addresses an array of relationships in the Last Emergency and how one's relationship with oneself may enrich or impede interactions with all other beings. Drawing upon her deep experience as a life coach, Baker writes of the specific need to understand our key relationships in a society in collapse and how to navigate through differing levels of acceptance of collapse, trauma, and grief. Key relationships include those with our partners, children, friends, neighbors, as well as relationships with our work, our bodies, our natural resources, food, and eating animals, future generations, Eros, and indeed the powers of the universe. Baker's writing is engaging, inspiring, and often beautiful in its depth and candor. She introduces a variety of spiritual practices that facilitate our developing a relationship with the deeper Self. With these practices and giving and receiving support from others who are walking a similar path, we begin to live more frequently from the deeper Self or at least are able to access it more quickly when we find ourselves becoming embroiled in the ego.
