The Journey To Spiritual Maturity Growing In Holiness:

Journey to Spiritual Maturity Joel C. Hunter, Timothy Davis, 2001-01-01 Maybe you have thought I can try to be holy but it is going to be a lot of work and it is not going to be very enjoyable Guess what It is just the opposite and you know that from your own experience Think about it When you have acted in a holy manner did it make you feel better or worse I am guessing you answered better When you have acted in an unholy manner did that make you feel better or worse Again I am guessing here worse right

Road to Holiness Rev. Tijs Theijsemeijer, 2021-12-22 This book was written to help people grow closer to and participate more fully in their personal relationship with God The road to spiritual maturity is often a long and involved process which I believe is outlined for us in John's Gospel John says at the end of his Gospel in 20-21 But these are written that you may believe that Jesus is the Christ the Son of God and that by believing you may have life in his name The life he is talking about is our spiritual life Our spiritual life starts when we begin to truly believe in Jesus and accept him as our lord and Saviour It comes to ultimate fulfillment when we cross over from physical death into eternal life in Heaven In between is a long and often difficult but rich and involved journey On this Road to Holiness we learn many things We learn to give up old ways that are not life giving and to adopt a more deeply true spiritual outlook I believe we go through various stages that I have outlined in this book and as found in the Gospel We learn to recognize the presence of the Holy Spirit in our lives as wonderful new opportunities present themselves As we grow in our spiritual maturity we develop new spiritual strength that helps us to overcome a whole variety of obstacles and difficulties that would have previously sent us running for cover Our ability to love deepens and is enriched so that we can appreciate and enjoy all of God's creation and creatures in a new way Spiritual growth may take a lot of work at times but the rewards are definitely worth the effort As we gain a solid faith in our own worth in the sight of God we also begin to participate in the unfolding of the Kingdom of God in our midst This helps us to discover new ways to prepare for our eventual arrival into the Kingdom of Heaven

Growing in Holiness through the Psalms David J. McKinley, 2023-04-05 In a confused world with moral decay we need clear direction for godly living While the mention of holiness is not commonly heard these days the Psalms call us to cultivate holy lives in today's society The psalmists not only teach us how to grow in holiness but they draw us into their own rich experiences The author explores the Psalms to give us a perspective on the nature of holiness and the many important ways we can grow in holiness The Psalter serves as an invaluable guide for our spiritual formation as followers of Jesus Christ

Wuan D. Miller,2020-12-15 Are you struggling to live a mature Christian life You don t have to All you need is a step in the right direction Which step Intentionality Why intentionality While spiritual growth should be the goal of daily Christian living it is not automatic Unless the believer is intentional what one learns from reading the Bible will never manifest on its own The Lord can inspire one to action yet it is up to the believer to ASPIRE or move toward the call of the Lord The greater the aspiration the greater the spiritual growth The question is how does one get started ASPIRE to Grow is a deep dive into biblical disciplines that can transform any life into the one God has intended In this work Wuan D Miller shows Christians how spiritual growth is possible through a modern treatment of nine timeless biblical practices Connect to Draw Consecrate to Align Commit to Launch Share to Grow Serve to Receive Sow to Send Rest to Rejuvenate Reflect to Reposition Renew to Enrich Drawing from the model of Jesus devotional scriptures ideas for daily application and questions to ponder Miller unpacks the richness of these disciplines in the Word of God in a way that is relevant for today while systematically condensing them into a simple 3 pillar model for living it out Worship Witness Withdraw Wherever you are in your study of the Word ability to witness to others or private devotion ASPIRE can help one go to the next level Anyone who wants to move from wherever they are right now to where God has intended them to be should read ASPIRE TO GROW *Who We Were Meant to Be* Matthew Burden,2021-12-21 What is our purpose in life Is there an even grander story at work behind our

salvation in Christ Drawing on the reflections of early church writers and theologians *Who We Were Meant to Be* invites the reader to consider the whole tapestry of God s plan from start to finish culminating in a vision of all creation being restored and renewed as the temple of God s glory Guided by the wisdom and insights of the patristic age this book urges us to take up the mantle of our appointed role as royal priests not only as a status to be enjoyed but as a vocation to shape our entire lives We have an open invitation to recapture the grand theological vision of Christianity s early centuries and to step once again into the transfiguring light of who we were meant to be **Cultivating Spiritual Growth** Conrad Mbewe,2024-09-19

His divine power has given to us all things that pertain to life and godliness 2 Peter 1 3 Too many believers treat salvation like fire insurance in this case hellfire insurance They are happy to have it for entrance to heaven but they fail to appreciate their own responsibility to grow spiritually in the meantime Moved by such common negligence Conrad Mbewe faithfully

encourages us to pursue a fruitful and godly life by considering how God equips Christians to grow the ways God ordains for them to cultivate growth and the implications of either neglecting or diligently attending to these things In short here is a pastoral charge for Christians to keep on growing The Seed of Abraham Michael M. C. Reardon, Pesach Wolicki, 2025-06-25 The inspiration for this volume emerged from years of friendship dialogue and collaboration between a Jewish rabbi and Christian professor Historically Jewish Christian relations has been a fraught sphere of inquiry Despite sharing a set of Scriptures the relationship between Christians and Jews has been marked by distrust misunderstandings and exaggerated theological differences which taken together appear to create an indissoluble wedge between the two faiths This volume brings the two faiths into fruitful and productive dialogue by unearthing recondite yet highly significant features shared between them Beyond being an academic exercise the aspiration undergirding this project is to bridge the gap between Jews and Christians and by doing so chart a path forward toward rapprochement reconciliation and Jewish Christian unity
