The Joy Of Waltzes Tangos And Polkas:

The Joy of Waltzes, Tangos and Polkas Denes Agay,1997-11-01 A wonderful collection of waltzes tangos and polkas from Beethoven to Joplin Albeniz to Agay **MY HOME SWEET HOME** Gala Waken,2013-07 This is a true to life story of a rebellious young girl who fell in love with a handsome young man became pregnant and married at age 16 and who wanted only to make a happy life in her own home sweet home with her husband and children Her life turns upside down when her husband becomes seriously abusive to her and her four children and she finds herself a victim of not only him but of her own willfulness not to be proven wrong and her willingness to sacrifice even physical safety for the dream of a happy home The pain causes her to seek salvation through God and her Savior Jesus Christ She also finds the meaning of a mysterious prophetic dream she had when in the midst of her turmoil The fact that she eventually realizes her dream of a home sweet home after many years of pain and sorrow is living testimony to the power of God in human life and the lessons of yielding to a higher power **International Accordion Favorites** Bruce Bollerud,2015-08-27 Welcome to the world of international accordion music This collection contains a sampling of ethnic folk music from Europe and the Americas and forms the foundation of a basic folk accordion repertoire These songs are from many nations They are crowd pleasers and they are fun to play I have played most of these songs in the various bands I have played with over the years These melodies have stood the test of time so what are you waiting for Open the book get your accordion out and let s play some music One word about these songs I generally learn a song and then play it by heart by memory as opposed to playing it by reading from a sheet of music I believe this allows for more personal expression and interpretation which can be affected by audience response or the way I feel at the time You ll notice that on most of the performances on the CD I didn t play repeats Because of the limited time available on a disc we found we couldn t fit all the tunes if we played them as written Written by Bruce Bollerud June 2007 **Forthcoming Books** Rose Arny,1998-06 **Columbia Record Catalog** ,1925 **Schwann Long Playing Record Catalog** ,1962 **Bibliographic Guide to Music** New York Public Library.
