The Judas Mandate A Pinnacle:

The Judas Mandate Clive Egleton, 1974 *Weekly Record*, 1974 Cloak and Dagger Fiction Myron J. Smith, 1982 A new edition of the definitive bibliography of the modern spy adventure intrigue novel First published in 1976 this edition has been thoroughly revised and updated After a discussion of early spy fiction Smith and White provide a detailed listing of novels from 1940 onward **American Book Publishing Record**, 1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets **Nuclear Holocausts** Paul Brians, 1987 The anxiety caused by the thought of nuclear war causes some people to avoid the topic altogether some to despair and others to place unwarranted confidence in scientific or governmental control However the vivid characters and realistic settings of fiction can bring home the impact of a nuclear war in a way that makes the topic difficult to avoid and allows readers to confront their fears and phobias This bibliography study is the only compilation of its kind to deal exclusively with nuclear war in fiction The first five chapters provide a historical survey of the development of the nuclear war theme and a study of the causes and aftermath of nuclear war as treated in literature In addition Brians considers the significant failure of some works to confront the subject and the success of others as educational tools With a clear focus on the subject of war this work does not deal with such related topics as nuclear accidents reactor disasters or near war situations The bulk of the book is given over to the detailed annotated bibliography which consists of over 800 entries with associated checklists Intended to provide scholars librarians and general readers with ready access to a great variety of information about his body of writing the bibliography lists both hardcover and paper editions of books and the reprinting of each short story and corrects several errors in other standard reference works In his critical analysis and through the annotations in the bibliography Brians attempts to improve our understanding of cultural attitudes toward the dangers posed by the ever present reality of nuclear weaponry Jacket Extrapolation, 1987 *American Book Publishing Record Cumulative, 1950-1977: Fiction. apparently Biblical scrolls But these were not the testaments of Mathew Mark or John but of Judas The truth was potentially explosive We had found the map and instructions to the biggest religious discovery of all time Not only that but if the Book of Judas really existed it was prophesised that its unearthing would destroy the pillars upon which the entire Christian religion had grown It had the power to unlock the devil himself The very knowledge of their existence is deadly Now Sir Lawrence is gone the Vatican is determined to claim the secret that undermines its raison d tre and their hired agents will stop at nothing Worse still is the knowledge that the Antichrist s disciples on earth The Satanica have unleashed an assassin of pure implacable evil leaving hideously mutilated bodies in his wake as he follows the Trenchard brothers on their quest In a terrifying nail biting mission that takes us from leafy Oxfordshire to the Dead Sea from Greece to the Vatican the brothers travel the world to save the world and themselves from Satan s ultimate revenge Best Sellers ,1974 **Future War Novels** John Newman,Michael E.
