Slingshot to the Juggernaut Sander Hicks,2012-04-10 In the ten years since 9 11 a grassroots truth movement has sprung up that unites the best elements of the right and left The call to resist the secrecy imperialism and the manipulation of the elite has been heard by a wide spectrum of people across religious and political lines This is a revolutionary moment that has lacked a clarifying manifesto Until now Pulling from his personal confrontations with the FBI Rudolph Giuliani Eliot Spitzer and Dick Cheney activist maverick and investigative reporter Sander Hicks reaches for a broader understanding of who was behind the 9 11 attacks He reports the mysterious murder of Dr David M Graham a Shreveport dentist who met two of the 9 11 hijackers but was then harassed by the FBI and poisoned Scientific evidence leads him to take a hard critical stance against Bush Cheney and the 9 11 Official Story Weaving evidence with anecdote Slingshot to the Juggernaut is an inspiring ride into the 9 11 cover up and the revolutionary possibilities it inadvertently created Provocative and unyielding Hicks examines the evidence draws conclusions and offers a vision for the future of the United States *The Jugger* Donald E.

Westlake,Richard Stark,1986 *The Trials of the Black Rat* G.D. Bartle,2021-07-09 The former Empire capital ship Renown is now the Black Rat a privateer vessel following a successful mutiny An ill considered act of piracy and the events of its aftermath almost provoke a conflict between nations leading the Black Rat and her crew to be banished from their adopted state Seeking somewhere else to call home amongst the Factions of the egg shaped world of Erdreja the leader of another nation offers citizenship if the Black Rat can prove her worth in a series of challenges Unbeknownst to her crew one who bears them ill will is following their every move and plotting their destruction Beset by trials both magical and mundane the Black Rat prowls the southern oceans an unwitting pawn in a shadow war where neither friends nor enemies nor allies are what they appear to be Natural forces elemental powers and creatures from the deep assail her In the fantastical world of Erdreja where magic is commonplace gunpowder does not exist and the most advanced science is alchemy will the Black Rat survive the machinations and manipulations of Factions on the brink of war that her crew may find the homeland they so desire

The Jugger Richard Stark,2009-04-15 You probably haven't ever noticed them But they've noticed you They notice everything That's their job Sitting quietly in a nondescript car outside a bank making note of the tellers work habits the positions of the security guards Lagging a few car lengths behind the Brinks truck on its daily rounds Surreptitiously jiggling the handle of an unmarked service door at the racetrack They're thieves Heisters to be precise They're pros and Parker is far and away the best of them If you're planning a job you want him in Tough smart hardworking and relentlessly focused on his trade he is the heister's heister the robber's robber the heavy's heavy You don't want to cross him and you don't want to get in his way because he'll stop at nothing to get what he's after Parker the ruthless antihero of Richard Stark's eponymous mystery novels is one of the most unforgettable characters in hardboiled noir Lauded by critics for his taut

realism unapologetic amorality and razor sharp prose style and adored by fans who turn each intoxicating page with increasing urgency Stark is a master of crime writing his books as influential as any in the genre The University of Chicago Press has embarked on a project to return the early volumes of this series to print for a new generation of readers to discover and become addicted to In The Jugger Parker travels to Nebraska to help out a geriatric safecracker who knows too many of his criminal secrets By the time he arrives the safecracker is dead and Parker s skeletons are on the verge of escaping from their closet unless Parker resorts to lethal measures Whatever Stark writes I read He s a stylist a pro and I thoroughly enjoy his attitude Elmore Leonard Westlake knows precisely how to grab a reader draw him or her into the story and then slowly tighten his grip until escape is impossible Washington Post Book World Donald Westlake s Parker novels are among the small number of books I read over and over Forget all that crap you ve been telling yourself about War and Peace and Proust these are the books you ll want on that desert island Lawrence Block
