The Junction Boys Jim Dent, 2024-08-06 The true story of Paul Bear Bryant's 1954 Texas A the knowledge they took back with them to College Station about themselves and what they were capable of would be used for the rest of their lives In vivid and powerful images reminiscent of Friday Night Lights Hoosiers and The Last Picture Show these young men and their driven coach come to life The Junction Boys contains all the hallmarks of a classic sports story and it combines America's love of college football with an extraordinary story of perseverance and triumph It's the best sports book I've ever read Pat Summerall Fox Sports Legendary college football coach Paul Bear Bryant comes alive in this rollicking story of his time at Texas A M during the mid 1950s College football enthusiasts will enjoy reading about Bear Bryant and about a time when the sport was such a big part in the lives of many Americans especially poor Texans Kirkus Reviews

The Junction B. Weston Rook, 2001-05 WWW BWESTONROOK.COM I first met Deems Ellison in Grand Junction Colorado while serving my two year mission for the Church of Jesus Christ of Latter day Saints At the time however I didn't know his real name I knew him as Elder Andrew McConkie the standoffish young missionary who was transferred into my district and put in charge of training a brand new Elder I only knew him for a short time and he never seemed to be anything more than a rock in my shoe an annoyance that I couldn't seem to shake Back then I had no clue of the grand adventure that was going on right under my nose But I guess that's the point I wasn't supposed to know I didn't learn what really happened until eight years later when Deems Ellison unexpectedly telephoned me at my home in Sacramento California and asked me to meet with him He had discovered that I fancied myself a writer and he wanted me to help him tell this story I jumped at the chance There was nothing for me to lose The Sacramento Union the oldest daily in the West was shutting down its presses forever and I would soon be facing unemployment lines My first attempt at writing a novel had failed miserably culminating in a dozen dog eared copies of my manuscript stacked in my closet But I think the biggest reason for my eagerness to work on this project with Deems Ellison was my overwhelming curiosity I had a lot of questions about what happened in Grand Junction during August of 1988 So when Mr Ellison one of the few people who knew the real story called me eager to spill his guts the temptation was too great to resist It was like finding expired milk in the back of the refrigerator I knew it was going to stink but I just couldn't resist taking a whiff Ellison wanted to meet me back where it all happened So I told my family I needed a vacation alone and I made tracks for Grand Junction It amazed me how little his appearance had changed His face was still youthful and his silvery hair was close cropped just as it had been in the mission field However the more time I spent with him the more I realized I had misjudged him when I was his District Leader and knew him as Elder McConkie He was actually a very likable person In fact I found myself admiring him and envying the excitement he had seen Unfortunately I think the Deems Ellison of today is a man filled with regret Not the average kind of regret that comes from doing something wrong but the agonizing enigma of wondering how things could have been if only he had done something right Still he seems to look back

on our time in Grand Junction with a fondness and sentimentality that even I cannot fully share We got connecting rooms at the Westgate Inn and I spent nearly every waking hour with my former annoyance for a week recording his story and making outlines for this book He shared with me a thick binder full of notes and reminders from that time He said he had been planning to tell this story for a long time but wasn't sure how he was going to do it until he discovered my occupation What follows is Deems Ellison's story in essentially his own words taken from my interviews with him and his journal notes One more thing my attorney tells me that I would face a stack of lawsuits unless I present this story as a work of fiction So it is fiction Elder Andrew McConkie never served in the Colorado Denver Mission Deems Ellison is a fictional character as are all of the others in this book If any people or events in this story resemble real life it is just a coincidence Everything in this book is just a figment of my overactive imagination B WESTON ROOK *Code of Federal Regulations* ,1987 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries **Federal Register** ,1976-06 **Journal of the House of Representatives of the United States** United States.
