## **The Kennedy Case:**

*The Kennedy Case* Rita Dallas, Jeanira Ratcliffe, 1973 WRITTEN FROM AND BY WOMAN WHO WAS THE NURSE TO THE KENNEDY FAMILY ESPECIALLY DURING THE TRAGIC YEAR OF PRESIDENT KENNEDY S DEATH *The Kennedy Case* Rita and Ratcliffe Dallas (Jeanira), 1973 *The Case Against the Kennedy Clan (in the Assassination of President John F. Kennedy)*. Joachim Joesten, 1968 **Case Closed** Gerald Posner, 2013-10-01 Pulitzer Prize Finalist By far the most lucid and compelling account of what probably did happen in Dallas and what almost certainly did not The New York Times Book Review The Kennedy assassination has reverberated for five decades with tales of secret plots multiple killers and government cabals often overshadowing the event itself As Gerald Posner writes Fifty years after the assassination the biggest casualty has been the truth In this first ever digital edition of his classic work updated with a special comment for the fiftieth anniversary Posner lays to rest all of the convoluted conspiracy theories concerning the mafia a second shooter and the CIA that have obscured over the decades what really happened in Dealey Plaza on November 22 1963 Drawing from official sources and dozens of interviews and filled with powerful historical detail Case Closed is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F Kennedy Now updated for the first time in twenty years with an epilogue from the author containing new information **The Man Who Killed Kennedy** Roger Stone, 2013-11-01 Lyndon Baines Johnson was a man of great ambition and enormous greed both of which in 1963 would threaten to destroy him In the end President Johnson would use power from his personal connections in Texas and from the underworld and from the government to escape an untimely end in politics and to seize even greater power President Johnson the thirty sixth president of the United States was the driving force behind a conspiracy to murder President John F Kennedy on November 22 1963 In The Man Who Killed Kennedy you will find out how and why he did it Political consultant strategist and Libertarian Roger Stone has gathered documents and used his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only involved in JFK s assassination but was in fact the mastermind With 2013 being the fiftieth anniversary of JFK s assassination this is the perfect time for The Man Who Killed Kennedy to be available to readers The research and information in this book is unprecedented and as Roger Stone lived through it he s the perfect person to bring it to everyone s attention *A Farewell to Justice* Joan Mellen, 2013-09-01 Working with thousands of previously unreleased documents and drawing on more than one thousand interviews with many witnesses speaking out for the first time Joan Mellen revisits the investigation of New Orleans district attorney Jim Garrison the only public official to have indicted in 1969 a suspect in President John F Kennedy s murder Garrison began by exposing the contradictions in the Warren Report which concluded that Lee Harvey Oswald was an unstable pro Castro Marxist who acted alone in killing Kennedy A Farewell to Justice reveals that Oswald no Marxist was in fact working with both the FBI and the CIA as well as with US Customs and that the attempts to sabotage Garrison s investigation reached the highest levels of the US government

Garrison's suspects included CIA sponsored soldiers of fortune enlisted in assassination attempts against Fidel Castro an anti Castro Cuban asset and a young runner for the conspirators interviewed here for the first time by the author Building upon Garrison's effort Mellen uncovers decisive new evidence and clearly establishes the intelligence agencies roles in both a president's assassination and its cover up In this revised edition to be published in time for the fiftieth anniversary of the president's assassination the author reveals new sources and recently uncovered documents confirming in greater detail just how involved the CIA was in the events of November 22 1963 More than one hundred new pages add critical evidence and information into one of the most significant events in human history

**The Radical Right and the Murder of John F. Kennedy** Harrison E. Livingstone, 2004 The Radical Right and the Murder of John F Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone's major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It names names One recent investigation in the 90s followed Mr Livingstone's preceding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case Mr Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference As a result Mr Livingstone was on all major TV networks and on the Today show NBC with Katie Couric the next morning The book also contains the story of Dallas doctor Charles Crenshaw's law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992 Dr Crenshaw's book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone's major work on the medical evidence High Treason 2 were JAMA's targets and the depositions contain much discussion of Mr Livingstone's major impact on the JFK case This new book is to be followed closely by a sixth book entirely about the Zapruder film called The Hoax of the Century Decoding the Forgery of the Zapruder Film

[The Soul Scar: Detective Kennedy's Case](#) Arthur B. Reeve, 2018-11-02 This eBook has been

formatted to the highest digital standards and adjusted for readability on all devices The Soul Scar Professor Kennedy is trying to unravel a murder mystery through the analysis of a woman's dream Professor Craig Kennedy is a scientist detective at Columbia University He uses his knowledge of chemistry and psychoanalysis to solve cases and uses exotic devices in his work such as lie detectors gyroscopes and portable seismographs Case Open Harold Weisberg, 1994 No one knows more about the assassination of President Kennedy than Harold Weisberg so said the FBI in open court Harold Weisberg a former OSS and Senate Investigator wrote and published Whitewash in 1965 the first book criticizing the conclusion of the Warren Commission Since then he has written and published seven books on President Kennedy's assassination Case Open is a book Mr Weisberg felt compelled to write He felt a need and determination to set the record straight In proving that Gerald Posner in Case Closed has proven nothing Mr Weisberg has proven that President Kennedy was killed by a conspiracy In analyzing Case Closed he demonstrates that Gerald Posner has distorted evidence suppressed evidence omitted evidence developed no new evidence omitted sources misappropriated the research of others and misled the reader into believing that he had sponsored new scientific computer enhancements At best Gerald Posner has provided a case for the prosecution Now it is time to present the case for Case Open Let the American public decide who has presented the stronger case Gerald Posner or Harold Weisberg The Kennedy Assassinations Mel Ayton, 2022-07-19 Few events have been the subject of more conspiracy theories than the assassinations of the two Kennedy brothers Indeed a great many people consider that there were other individuals than Lee Harvey Oswald and Sirhan Sirhan involved in both murders Was a shot fired from Dealey Plaza's grassy knoll Why did Jack Ruby shoot Oswald Was it the CIA the Soviets Cuban nationalists or the Mafia that arranged John Kennedy's assassination Was Robert Kennedy shot from in front and behind and who had the most to gain from his death These are just a few of the questions that have been put forward by a myriad of conspiracy theorists and it is those people and their ideas that Mel Ayton has tackled head on Over many years Mel Ayton has examined all the more substantial conspiracy theories and through careful analysis of documents and eyewitness statements he has demolished each one In each case Mel Ayton presented the results of his detailed investigations in periodicals as he worked through the various theories These have now been brought together to provide a comprehensive analysis of all the main theories as to who how and why the two Kennedy brothers met their deaths in such unusual circumstances Though wild ideas will continue to be proposed and efforts will still be made to demonstrate that Oswald could not have fired off three shots with great accuracy in the few seconds available to him as the presidential cavalcade passed beneath the window where he crouched or that there were sinister reasons why three CIA men were allegedly present on the night of Robert Kennedy's assassination the harsh reality is that the Kennedy brothers were each killed by lone gunmen This is an absorbing read brought up to date with the addition of new material as it has been uncovered Maybe just maybe this book will persuade people that the official accounts of both murders although flawed are not cover ups but simply statements of fact The Kennedy Curse Edward

Klein,2025-09-23 Death was merciful to Jacqueline Kennedy Onassis for it spared her a parent's worst nightmare the loss of a child But if Jackie had lived to see her son JFK Jr perish in a plane crash on his way to his cousin's wedding she would have been doubly horrified by the familiar pattern in the tragedy Once again on a day that should have been full of joy and celebration America's first family was struck by the Kennedy Curse In this probing expose renowned Kennedy biographer Edward Klein a bestselling author and journalist personally acquainted with many members of the Kennedy family unravels one of the great mysteries of our time and explains why the Kennedys have been subjected to such a mind boggling chain of calamities Drawing upon scores of interviews with people who have never spoken out before troves of private documents archives in Ireland and America and private conversations with Jackie Klein explores the underlying pattern that governs the Kennedy Curse The reader is treated to penetrating portraits of the Irish immigrant Patrick Kennedy Rose Kennedy's father Honey Fitz the dynasty's founding father Joe Kennedy and his ill fated daughter Kathleen President Kennedy accused rapist William Kennedy Smith and the star crossed lovers JFK Jr and Carolyn Bessette Each of the seven profiles demonstrates the basic premise of this book The Kennedy Curse is the result of the destructive collision between the Kennedy's fantasy of omnipotence an unrelenting desire to get away with things that others cannot and the cold hard realities of life
