**In the Shadow of the Temple** Oskar Skarsaune, 2025-08-04 Oskar Skarsaune makes a fresh contribution to our understanding of the development of the early church in its practice e g worship baptism and Eucharist and doctrine e g Scripture Christology pneumatology This book offers the new perspective that Christians were in ongoing and deep conversation with Jews during the early centuries leading up to Constantine The common perception of a drastic parting of the ways after the destruction of Jerusalem in 70 A D has tended to distort our understanding of the succeeding decades and centuries of Jewish and Christian history Notwithstanding the fact that there were points of bitterness and strife the relationship is better viewed as that of a younger and older sibling There is much evidence of interaction between the early Christians and rabbinic Judaism both at the level of leadership and laypeople and this left its impression on the church Skarsaune gives us numerous fascinating episodic and topical glimpses into this untold story *Witness to the Gospel* I. Howard Marshall, David Peterson, 1998 A distinguished group of scholars here provides a comprehensive survey of the theology of the early church as it is presented by the author of Acts The twenty five articles show the current state of scholarship and the main themes of theology in Acts *In Quest of the Historical Pharisees* Jacob Neusner, Bruce Chilton, 2007 This work sketches the many portraits of the Pharisees that emerge from ancient sources Based upon the Gospels the writings of Paul Josephus the Mishnah the Tosefta and archeology the volume profiles the Pharisees and explores the relationship between the Pharisees and the Judaic religious system foreshadowed by the library of Qumran A great virtue of this study is that no attempt is made to homogenize the distinct pictures or reconstruct a singular account of the Pharisees instead by carefully considering the sources the chapters allow different pictures of the Pharisees to stand side by side

**The Dead Sea Scrolls in Scholarly Perspective: A History of Research** Devorah Dimant,Ingo Kottsieper,2012-01-20 This book contains an exhaustive survey of past and present Qumran research outlining its particular development in various circumstances and national contexts For the first time perspectives and information not recorded in any other publication are highlighted **The Pharisees** Kent L. Yinger,2022-05-19 A struggle is currently underway to figure out one of the central groups in the gospel story the Pharisees Were they hypocrites or heroes Or as one recent writer put it maybe they were just good guys with bad press Scholars of Judaism and of the NT have been painstakingly correcting even rehabilitating the image of the first century Pharisees but this seems not yet to have affected most readers of Scripture Here at last is a book that lays out for the non specialist the evidence for the origin and true nature of the Pharisees and challenges them to re read the gospel stories with real Pharisees in mind rather than caricatures **Purity and Identity in Ancient Judaism** Yair Furstenberg,2023-11-07 The concern for purity was the cornerstone of the religious culture of ancient Judaism Purity and Identity in Ancient Judaism explores how this concern shaped the worldview of Jews during the Second Temple period as well as their daily practices and social relations It examines how different groups offered competing visions and methods for living a life of purity which embodied a promise for personal and cosmic salvation and at the same time determined the degree of sectarian separation Purity and Identity in Ancient Judaism offers a comprehensive description of the world of purity among the Jews of the Second Temple period in general and within the tradition of the Pharisees in particular Yair Furstenberg explores the language of purity that provided Jews in antiquity a powerful tool for organizing legal social and ideological boundaries and its study is therefore pertinent for understanding the powers that shaped the varieties of Second Temple Judaism and their later offshoots Early Christianity and Rabbinic Judaism Purity and Identity in Ancient Judaism offers new methods for carefully integrating the New Testament Qumran literature and early rabbinic sources into a comprehensive history of purity laws from the world of the Second Temple and the Pharisees to the later rabbinic movement allowing the reader to trace the emergence of new religious sensibilities within changing social and cultic circumstances
