[Meet the Philosophers of Ancient Greece](#)

Patricia F. O'Grady,2021-08-26

Ancient Greece was the cradle of philosophy in the Western tradition Meet the Philosophers of Ancient Greece brings the thoughts and lives of the pioneers of Western philosophy down from their sometimes remote heights and introduces them to a modern audience Comprising seventy essays written by internationally distinguished scholars in a lively and accessible style this book presents the values ideas wisdom and arguments of the most significant thinkers from the world of ancient Greece Commencing with Thales of Miletus and continuing to the end of the Ancient Period of philosophy by way of Heraclitus Parmenides Protagoras Socrates Plato Aristotle Archimedes Epictetus this book explores the major contributions of each philosopher as well as looking at archaeological and historical sites where they lived worked and thought This book is an outstanding introduction to the world of the philosophers of Ancient Greece

The Philosophers of the Ancient World Trevor Curnow,2006-06-22

This fascinating book contains information on over 2 300 ancient Western philosophers from Abammon to Zoticus Covering the period from the seventh century BC to the seventh century AD it brings together the extremely well known and the thoroughly obscure Those already familiar with ancient philosophy will find it an invaluable and handy work of reference with a breadth of coverage that far exceeds any other single volume work on the subject Those new to the subject will find it a useful introduction The ideas of the major thinkers are summarised and an historical overview of ancient philosophy allows them to be placed in their proper context The book also provides useful background reading for anyone interested in the ancient world who wants to find out more about its intellectual life A minimum of philosophical jargon ensures its accessibility to a wide audience As in ancient histories of philosophy there is also a modest amount of gossip

Lives of the

Eminent Philosophers Diogenes Laertius,2018-04-16 Everyone wants to live a meaningful life Long before our own day of self help books offering twelve step programs and other guides to attain happiness the philosophers of ancient Greece explored the riddle of what makes a life worth living producing a wide variety of ideas and examples to follow This rich tradition was recast by Diogenes Laertius into an anthology a miscellany of maxims and anecdotes that generations of Western readers have consulted for edification as well as entertainment ever since the Lives of the Eminent Philosophers first compiled in the third century AD came to prominence in Renaissance Italy To this day it remains a crucial source for much of what we know about the origins and practice of philosophy in ancient Greece covering a longer period of time and a larger number of figures from Pythagoras and Socrates to Aristotle and Epicurus than any other ancient source This new edition of the Lives in a faithful and eminently readable translation by Pamela Mensch is the first rendering of the complete text into English in nearly a century Lavishly illustrated with a vast array of artwork that attests to the profound impact of Diogenes on the Western imagination this edition also includes detailed notes and a variety of newly commissioned essays by

leading scholars that shed light on the work's historical and intellectual contexts as well as its rich legacy. The result is a capacious, fascinating, and charming compendium of ancient inspiration and instruction. The Philosophical Transactions of the Royal Society of London, from Their Commencement, in 1665, to the Year 1800 Royal Society, 1809 **The Attributes of the Soul from the Cradle and the Philosophy of the Divine Mother, Detecting the False Basis, Or Fundamental Error of the Schools, and Developing the Perfect Education of Man** Robert Pemberton (F.R.S.L.), 1849 **The Imperial magazine; or, Compendium of religious, moral, & philosophical knowledge. Vol.1-12. 2nd ser. (ed. by S. Drew). Vol.1-4** , Milton's Paradise Lost, Or, The Fall of Man: with Historical, Philosophical, Critical, and Explanatory Notes. ... Embellished with Fourteen Copper Plates John Milton, 1767 **Philosophy, Theology, and Poetry, in the age and the art of Rafael** William Watkiss Lloyd, 1866
