## **The Possible Dream How The 2004 Red Sox Reversed History:**

*The Possible Dream* Vincent J. Femia, 2005-03-01 The 2004 Red Sox finally reverse the curse The 2004 Boston Red Sox forged a season that will go down in history The first team to come back from an 0 3 deficit they annihilated the enemy Yankees in the final 4 games of the playoffs totally breaking their spirit and reversing the 86 year old curse of the Bambino as told by a fan Reversing the Curse Dan Shaughnessy, 2008-06 For nearly a century the Boston Red Sox played underdog to the indomitable New York Yankees But in 2004 the Sox finally got their revenge A plucky team of comeback kids improbably brought down the House That Ruth Built and went on to reverse 86 years of jinxed history by winning Boston's first World Series since 1918 From right on the frontlines from the front office to the bleachers Dan Shaughnessy an award winning columnist for the Boston Globe goes inside to chronicle this unforgettable journey With lively reporting penetrating insight and a keen sense of history Shaughnessy brings the 2004 season alive in all its glory drama and euphoria Photos **Curse Reversed** Sporting News, Stan McNeal, Kyle Veltrop, 2004-11 **Cursed Reversed: The 2004 Boston Red Sox** Sporting News, 2004-11-01 A chronicle of the Boston Red Sox's 2004 baseball season featuring an review of the games in the regular season and an analysis of each A L Division series A L Championship series and World Series game Elimination Game! Larry Howser, 2020-04-23 For years the Boston Red Sox carried the burden of The Curse of the Bambino beginning when Harry Frazee the owner of the Boston Red Sox sold the greatest player in baseball history Babe Ruth to the New York Yankees after the 1919 season supposedly to finance one of his Broadway musicals although the musical he was supposed to have been financing was not produced for a number of years To that point the Red Sox had won five of the first 15 World Series the most of any team From that point onward until 2004 the Yankees won 39 American league pennants to the Red Sox four and 26 World Series to the Sox zero In 2018 the Boston Red Sox captured their fourth World Series title in 15 years after Reversing the Curse in 2004 ending 86 years of frustration All these facts are very well known to most Red Sox fans especially the constant of the Curse until the team finally triumphed in 2004 During the championship run of 2013 and again in 2018 the Bosox never faced an elimination game But in tracing back through the last 50 years of major league baseball there is no franchise that equals the Red Sox record in post season elimination games This is what I am interested in looking at in this book For many years we listened to the story of the curse under which the Red Sox operated As a Red Sox fan it was enjoyable and certainly relaxing that in 2013 the team NEVER faced a game in which they HAD to win to continue their season and of course they repeated the feat in 2018 The last time that had happened to the Boston nine it was in the 1918 World Series Throughout the years of Boston postseason baseball the Boston Red Sox win OR lose have produced some of the most tension filled exciting postseason baseball anyone has seen
