Michael Yahuda

Sino Soviet Conflict 1956 1961:

Sino-Soviet Conflict, 1956-1961 Donald S. Zagoria, 2015-12-08 What happens if the two most powerful partners in the Communist world cannot agree on basic issues of principle and policy Donald S Zagoria who was from 1951 to 1961 an analyst of Communist Bloc politics for the U S Government traces the development of serious conflict between the U S S R and China from the 20th Party Congress in 1956 to the 22nd Party Congress in late 1961 This conflict has enveloped three major areas global strategy domestic policy and intra Bloc relations and has plagued the relations between Khrushchev and Mao Tse tung and affected their differing attitudes toward de Stalinization the communes Yugoslavia Taiwan and the developing African and Asian nations In studying these differing policies Mr Zagoria makes extensive use of the published statements of the Chinese and Russian Communists his analysis of this literature is in itself an important contribution to all future evaluations of Communist intentions Originally published in 1962 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 [The Sino-Soviet Conflict, 1956-1961](#) Donald S. Zagoria, 1969 **The Sino-Soviet Conflict, 1956-1961** Donald S. Zagoria, 1964

The Sino-Soviet Split Lorenz M. Lüthi, 2008-03-02 The collapse of the Sino Soviet alliance was one of the defining events of the Cold War revealing that the supposedly monolithic socialist camp was riddled with internal conflicts This book examines the causes of the split in particular the divisive role of Marxist Leninist ideology **The Cambridge History of China: Volume 15, The People's Republic, Part 2, Revolutions Within the Chinese Revolution, 1966-1982** Roderick MacFarquhar, John K. Fairbank, Denis Crispin Twitchett, 1991-11-29 In continuing the post revolution study started in Volume 14 Volume 15 considers the developments in Mao s thoughts and how they related to China s government The most comprehensive account of this turbulent period in Chinese history [Routledge Library Editions: International Relations](#) Various, 2021-08-05 The 10 volumes in this set originally published between 1959 and 1986 analyze the process of radical foreign policy change explore Marxist Leninist models of international relations describe the significance of cultural relations in international affairs highlight the changing nature of political communities and changing patterns of government and examine the interaction between the realms of ethics and international relations **Where Empires Collided** Michael B. Share, 2007 Michael Share explores the historical relationship between Russia and the Chinese Eastern Periphery Hong Kong Taiwan and Macao Share s extensive research of archived materials shows that Russian and Soviet dealings with the Chinese Eastern Periphery were inextricably linked to broader international relationships with Great Britain Japan and the United States [Mao's China and the Cold War](#) Jian Chen, 2010-03-15 This comprehensive study of China s Cold War experience

reveals the crucial role Beijing played in shaping the orientation of the global Cold War and the confrontation between the United States and the Soviet Union. The success of China's Communist revolution in 1949 set the stage. Chen says. The Korean War, the Taiwan Strait crises and the Vietnam War, all of which involved China as a central actor, represented the only major hot conflicts during the Cold War period, making East Asia the main battlefield of the Cold War while creating conditions to prevent the two superpowers from engaging in a direct military showdown. Beijing's split with Moscow and rapprochement with Washington fundamentally transformed the international balance of power, argues Chen, eventually leading to the end of the Cold War with the collapse of the Soviet Empire and the decline of international communism. Based on sources that include recently declassified Chinese documents, the book offers pathbreaking insights into the course and outcome of the Cold War.

China's Quest John W. Garver, 2015-12-01. From its founding 65 years ago, the People's Republic of China has evolved from an important yet chaotic and impoverished state whose power was more latent than real into a great power on the cusp of possessing the largest economy in the world. Its path from the 1949 revolution to the present has been filled with twists and turns, including internal upheavals, a dramatic break with the Soviet Union, the 1989 revolution wave, and various wars and quasi wars against India, the USSR, Vietnam, and South Korea. Throughout it all, international pressures have been omnipresent, forcing the regime to periodically shift course. In short, the evolution of the PRC in world politics is an epic story and one of the most important developments in modern world history. Yet to date, there has been no authoritative history of China's foreign relations. John Garver's monumental *China's Quest* not only addresses this gap, it will almost certainly serve as the definitive work on the topic for years to come. Garver, one of the world's leading scholars of Chinese foreign policy, covers a vast amount of ground and threads a core argument through the entirety of his account: domestic political concerns, regime survival in particular, have been the primary force driving the People's Republic's foreign policy agenda. The objective of communist regime survival, he argues, transcends the more rudimentary pursuit of national interests that realists focus on. Indeed, from 1949 onward, domestic politics has been integral to the PRC's foreign policy choices. Over the decades, the regime's decisions in the realm of international politics have been dictated by concerns about internal stability. In the early days of the regime, Mao and other top leaders were concerned with surviving in the face of American aggression. Later, they came to see the post-Stalinist Soviet model as a threat to their revolutionary program and initiated a stunning break with the Khrushchev regime. Finally, the collapse of other communist regimes in and after 1989 radically altered their relationships with capitalist powers, and again preserving regime stability in a world where communism has been largely abandoned became paramount. *China's Quest*, the result of over a decade of research, writing, and analysis, is both sweeping in breadth and encyclopedic in detail. Quite simply, it will be essential for any student or scholar with a strong interest in China's foreign policy.

In the spirit of the Red Banteng Antonie C. A. Dake, 2018-12-03. No detailed description available for *In the spirit of the Red Banteng*.

Perceptions and Behavior in Soviet Foreign Policy Richard K. Herrmann, 2010-11-23. This book

discerns Soviet leaders' views of the United States and sees them in relation to foreign policy statements and actions. Hermann first examines the subtle problem of analyzing perceptions and interpreting motives from the words and deeds of national leaders. He then turns to cases measuring the dominant U.S. hypotheses about the USSR against Soviet behavior in Central Europe, the Middle East, Africa, and Asia, as well as Soviet participation in the arms race. Finally, he weighs his conclusions against a thematic study of speeches and publications by members of the Politburo.

Soviet-Vietnam Relations and the Role of China 1949-64 Mari Olsen, 2007-05-07 This new book analyzes how the Soviet leadership evaluated developments in Soviet-Vietnamese relations in the years from 1949 to 1964. Focusing on how Soviet leaders actually perceived China's role in Vietnam relative to the Soviet role, it shows how these perceptions influenced the Soviet-Vietnamese relationship. It also explains how and when Moscow's enthusiasm for the active Chinese role in Vietnam came to an end or, in other words, from what point was Beijing's involvement in Vietnam perceived as a liability rather than an asset in the strategies of Soviet policy makers. This book is an excellent resource for all students with an interest in Soviet-Vietnamese relations and of strategic studies and international relations in general.

The International Politics of the Asia Pacific Michael Yahuda, 2012-12-06 This second edition of Michael Yahuda's extremely successful textbook introduces students to the international politics of the Asia-Pacific region since 1945. The new edition is completely updated with contemporary coverage of the economic crises and includes new chapters on the current role of East Asia in world affairs, prospects post 2000, the strengths and weaknesses of US dominance, and the challenge of other powers, prospects for, and implications of an East Asian economic recovery.

British Power and International Relations during the 1950s Michael J. Turner, 2009-10-08 This book examines Britain's role and influence in a pivotal decade. The postwar international order was still taking shape in the 1950s. Much was unsettled, and in these circumstances Britain could realistically expect to remain and be treated as one of the Big Three world powers along with the United States and Soviet Union. Some adjustments were required in British priorities and methods in view of changing pressures and needs at home and abroad, but the continuing desire was to make Britain's position tenable in those parts of the world that were of special importance to British prestige, power, strategy, prosperity, and security. This book elucidates the motives behind key decisions, discusses their far-reaching consequences, explains why some options were taken and others rejected, and places British policy-making in the appropriate international context. Designed primarily for undergraduate and beginning postgraduate students, the book offers an up-to-date, single-volume treatment of major themes in British and international history: historiographical synthesis and comment, detailed narrative, accessible, easy to follow, analysis, and a clear, evidence-based point of view concerning the survival of British power in challenging times.

From Adversaries to Partners? Ming-Yen Tsai, 2003-10-30 When China and Russia established a strategic partnership in 1996, both nations declared that they would further develop military cooperation in various fields. Tsai examines the course of this military cooperation to reveal the nature of the military ties with the hopes of determining

whether these two traditional adversaries have put aside historical legacies and mutual mistrust to create a full fledged military partnership After analyzing the motives and concerns of both powers Tsai concludes that while progress has been made in reducing military tensions in border regions the level of trust has not increased substantially The nature of these ties remains extremely fragile Among Western analysts there has been concern that a closer partnership might adversely affect U S interests in the region China and Russia have developed cooperation in certain areas such as arms transfers and military technical cooperation and these achievements have successfully reduced political tension However reciprocal threats against each other s territories and China s increasing ambitions and capacity to act as a great military power in the region could eventually become a major source of friction Based on research in both Chinese and Russian this study offers a comprehensive analysis on the development of and limits to this military cooperation

The Soviet Theory of

Development Stephen Clarkson,1978-12-15 Until now the innumerable and widely distributed Soviet writings on the third world haven been scrutinized for the clues they contain on the Kremlin s aid trade and foreign policies on Soviet strategies for local communist parties and even on shifts in the Sino Soviet Relationship But they have rarely been analysed in their own terms and for what they are the application of marxist leninist theory by Soviet scholars to the problems of Asia Africa and Latin America Based on research in Paris New York the Soviet Union and India this book provides a long needed insight into how Soviet thinkers understand such crucial problems in development as planning in mixed economies foreign aid from socialist and capitalist donors agrarian reform and the class struggle A concerned observer of Soviet development theory for some fifteen years Stephen Clarkson is neither hostile nor uncritical He argues that western students and third world policy makers alike have a good deal to learn from marxist leninist political economy because it presents an integrated approach to understanding the dilemmas of underdevelopment Although Soviet scholarship benefits from some important theoretical advantages it also suffers in Clarkson s view from severe intellectual handicaps The book examines the Soviet analysis of third world development as a whole drawing particularly on the most extensive and sophisticated school of interpretation the Russian writings on India This book makes an important contribution to Soviet and third world studies by offering the reader a guide to the publications on development a complex and evolving aspect of the Soviet view of the world

The

International Politics of Asia-Pacific, 1945-1995 Michael Yahuda,2005-08-19 This fully updated and revised edition of Michael Yahuda s extremely successful textbook introduces students to the international politics of the Asia Pacific region since 1945 Divided into three parts the first presents a chronological overview of developments since 1945 the new second part looks at the post cold war period while the third focuses on the policies of the US the USSR Russia China and Japan in the region Yahuda analyses politics in terms of global regional and local trends combining narrative with analysis This new edition features analysis of the economic crisis and the potential implications worldwide of East Asian economic recovery a chapter on the emergence of East Asia as a significant force in world affairs focusing on the role of lesser powers such as

Indonesia and Malaysia chapters considering prospects post 2000 and competing frameworks for security in the wake of nuclear tension between India and Pakistan the strengths and weaknesses of US hegemony in the new world order *We All Lost the Cold War* Richard Ned Lebow, Janice Gross Stein, 1995-07-23 In the 1980s Soviet evidence suggests the Reagan arms buildup delayed rather than hastened the accommodation Gorbachev desired for internal political reasons Both nations the authors argue expended lives and resources out of all reasonable proportion to their legitimate security interests with destabilizing consequences that persist today **East Asian Security in the Post-Cold War Era** Sheldon W. Simon, 2016-06-16 This edition adds chapters on Burma and Vietnam and updated material throughout reflects the current economic crisis in the region **Eurasia's Ascent in Energy and Geopolitics** Robert Bedeski, Niklas Swanström, 2012-08-06 The Sino Russian relationship has experienced several permutations in recent decades as both states have undergone radical domestic changes including the end of Soviet communism and the abandonment of Maoism This volume brings together scholars to address the current status of Sino Russian relations in the political military energy and trade sectors In this comprehensive new volume authors offer a detailed account on the both the historical context and current status of relations between Russia and China and the geo political realignments in Eurasia This analysis of the evolving relationship addresses global strategy energy politics national security human security and Central Asian links Individual chapters examine key issues such as China s economic ascendancy military relations the geostrategic position of Mongolia Japan s views and historical background With authors representing a broad range of current active experts and researchers working in Europe the US Central Asia China and Japan this book offers a long term and in depth analysis of the relations and potential developments in both bilateral and international relations This work will be of great interest to scholars of international relations Asian security and the Eurasian region

Sino Soviet Conflict 1956 1961 Introduction

In today's digital age, the availability of Sino Soviet Conflict 1956 1961 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sino Soviet Conflict 1956 1961 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sino Soviet Conflict 1956 1961 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sino Soviet Conflict 1956 1961 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sino Soviet Conflict 1956 1961 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sino Soviet Conflict 1956 1961 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sino Soviet Conflict 1956 1961 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sino Soviet Conflict 1956 1961 books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sino Soviet Conflict 1956 1961 books and manuals for download and embark on your journey of knowledge?

FAQs About Sino Soviet Conflict 1956 1961 Books

1. Where can I buy Sino Soviet Conflict 1956 1961 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sino Soviet Conflict 1956 1961 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sino Soviet Conflict 1956 1961 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sino Soviet Conflict 1956 1961 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sino Soviet Conflict 1956 1961 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
