**Six Honest Serving Men** Paul Muldoon,1995 Paul Muldoon s only play deals with the horrors of the Northern Ireland conflict and the psychology of terrorism Written in verse it centers on a safe house and a lookout post on the Irish border where six members of an IRA cell and the widow of another recently killed IRA leader are trying to make sense of recent developments The play was originally published in 1995 Images Literature Reader 6 Vasudev Vasanthi,2009-09

*Sympathetic Ink* Shane Alcobia-Murphy,2006-01-01 Northern Irish poets have been notably reticent when addressing political issues in their work In *Sympathetic Ink* Shane Alcobia Murphy traces that tendency through the works of Seamus Heaney Paul Muldoon and Medbh McGuckian Using collections of the poets papers made only recently available Alcobia Murphy focuses on the oblique subtle strategies they apply to critique contemporary political issues He employs the concept of sympathetic ink or invisible ink arguing that rather than avoiding politics these poets have via complex intertextual references and resonances woven them deeply into the formal construction of their works Acute and learned *Sympathetic Ink* will serve as a perfect introduction to these crucial figures of Irish poetry **Images of Projects** Mark Winter,Tony Szczepanek,2017-03-02 In this very distinctive book *Images of Projects* challenges how we think about projects in the most fundamental way it rejects outright the idea of a one best way to view all projects and also the idea of following a prescriptive approach In contrast *Images of Projects* seeks to encourage a more pragmatic and reflective approach based on deliberately seeing projects from multiple perspectives exploring the insights and implications which flow from these and crafting appropriate action strategies in complex situations Based on real examples and the authors work over the last ten years *Images of Projects* presents seven pragmatic images for making sense of the complex realities of projects Illustrated using various models these images are presented in ways that allow the reader to reflect upon their own mental models in relation to the different perspectives in this book **The Stars of Ballymenone, New Edition** Henry Glassie,2016-09-12 In the time of the Troubles when bombs blew through the night and soldiers prowled down the roads Henry Glassie came to the Irish borderland to learn how country people endure through history He settled into the farming community of Ballymenone beside Lough Erne in the County Fermanagh and listened to the old people For a decade he heard and recorded the stories and songs in which they outlined their culture recounted their history and pictured their world In their view their world was one of love defeat and uncertainty demanding the virtues of endurance faith bravery and wit Glassie s task in this book is to set the scene to sketch the backdrop and clear the stage so that Hugh Nolan and Michael Boyle Peter Flanagan Ellen Cutler and their neighbors can tell their own tale which explains their conditions and converts them into a tragedy of conflict and a comedy of the absurd It gathers the saints and warriors and celebrates the stars whose wit enabled endurance in days of violence and deprivation With patience and respect Glassie describes life in a time and a place exactly like no other and yet Ballymenone is like a thousand other places where people work on the land during the day and tell their own tales at night

forgotten while the men of power fill the newspapers and history books by sending poor boys out to be killed The Stars of Ballymenone is an integrated analysis of the complete repertory of verbal art from a rural community where storytelling and singing of quality remained a part of daily life      The Poetry of Paul Muldoon Jefferson Holdridge,2008-08-01 The Poetry of Paul Muldoon introduces the student and general reader to the critical discussion surrounding Muldoon s oeuvre as well as to his major themes It examines the poet s meditations on culture and nature human and animal speculations on the act of perception figures fragmented by the Troubles and philosophical considerations of colonisation It then discusses what rank among the most beautiful and intricate elegies of our time For Muldoon art s complicity in suffering is a political self indicting question which his best poems endeavour to answer If sometimes this Pulitzer Prize winner insists that art has a positive role to play at other times he fears that it merely feeds off the carnage This critical book shows how for Muldoon art should not merely repeat the devastation of the world although he is afraid that it does and engages in bitter moral despair that places his work among the very best any contemporary poet has written The Poetry of Paul Muldoon unearths difficult questions of form with a metaphysical significance that is suitable to our times      *Paul Muldoon in America* Alex Alonso,2021 A study of the later career of the poet Paul Muldoon who left his native Northern Ireland for the United States in 1987 and acquired US citizenship The volume explores how the move to the US influenced Muldoon s work especially concerning themes of departure and return      **Beckett and Contemporary Irish Writing** Stephen Watt,2009-06-18 This book searches for the Beckettian impulse in Irish literature by tracing Beckett s legacy through a selection of contemporary writers      The Materials of Early Theatre: Sources, Images, and Performance Meg Twycross,2017-12-06 Collected Studies CS 1068 The essays selected for this volume are chosen to reflect the important and intersecting ways in which over the last forty years Meg Twycross has shifted paradigms for people reading early English religious drama The focus of Meg Twycross s research has been on performance in its many aspects and this volume chooses four of the most important strands of her work the York plays new ways of understanding acting and performance in late medieval theatre particularly in Britain and across Europe why scenes are staged in the ways they are verbally and by extrapolation visually by close reading of texts against the background of medieval theology and the attention paid to wider contexts of medieval theatre concentrating especially on essays that are not easily available today These thematic strands are reflective of Meg Twycross s major contribution to the field They also represent those areas from her wider work which will have most utility and value for those whether students or senior specialists in areas beyond early drama who are looking for ways into understanding English medieval plays The crucial work that has been done here has opened new perspectives on late medieval theatre and will allow new generations to begin their study and research from further along the road      **Paul Muldoon** Tim Kendall,Peter McDonald,2004-01-01 The authors of these essays see Muldoon from many different angles biographical formal literary historical generic but are also engaged in directing attention to complex moments of creativity in which an extraordinary

amount of originality is concentrated and on the clarity of which a lot depends      **Terrible Beauty** Marian Eide,2019-03-13  
 If art is our bid to make sense of the senseless there is hardly more fertile creative ground than that of the twentieth century  
 From the trench poetry of World War I and Holocaust memoirs by Primo Levi and Elie Wiesel to the post colonial novels of southern Asia and the anti apartheid plays of the South African Market Theater writers have married beauty and horror This century of trauma produced writing at once saturated in political violence and complicated by the ethics of aesthetic representation Stretching across genres and the globe *Terrible Beauty* charts a course of aesthetic reconciliation between empathy and evil in the great literature of the twentieth century The violent aesthetic a category the author traces back to Plato and Nietzsche accommodates the pleasure people take not only in destruction itself but also in its rendering As readers we oscillate between a fascination with atrocity and an ethical imperative to bear witness Arguing for the immersive experience of literature as particularly conducive to ethical contemplation Marian Eide plumbs the aesthetic power and ethical purpose of this creative tension By invoking the reader as complicit both stricken witness and enthralled voyeur *Terrible Beauty* sheds new light on the relationship between violence literature and the moral burdens of art      [A Concise Companion to Postwar British and Irish Poetry](#) Nigel Alderman,C.
