Petro,2022-06-17 *Uncanny Histories in Film and Media* brings together a stellar lineup of established and emergent scholars who explore the uncanny twists and turns that are often occluded in larger accounts of film and media Prompted by fresh archival research and new conceptual approaches the works included here probe the uncanny as a mode of historical analysis that reveals surprising connections and unsettling continuities The uncanny stands for what often eludes us for what remains unfamiliar or mysterious or strange Whether writing about film movements individual works or the legacies of major

or forgotten critics and theorists the contributors remind us that at the heart of the uncanny and indeed the writing of history is a troubling of definitions a challenge to our inherited narratives and a disturbance of what was once familiar in the uncanny histories of our field     The Philippine Agricultural Review ,1923 Vol 1 6 contain the Annual report of the Bureau of Agriculture for 1906 07 1912 13     **Agricultural News** Commissioner of Agriculture for the West Indies,1915     Payback and Other Stories Tomi Adeaga,Sarah Udoh-Grossfurthner,2018 The short stories explore the complications faced by Africans in living the postcolonial experience especially as it directly impacts the African world its peoples and their sometimes complicated lifestyles The narratives capture not only the angst of seeking meaning in a world that challenges wholeness for African communities and individuals but above all look at ways of retrieval of cultural ancestral knowledge in authenticating themselves     *Departmental Reports* Gold Coast,1918 Includes Report on the blue book and annual reports of various departments     **Hawaii Place Names** John R. K. Clark,2003-05-14 In his latest book John Clark author of the highly regarded *Beaches of Hawaii* series gives us the many captivating stories behind the hundreds of Hawaii place names associated with the ocean the names of shores beaches and other sites where people fish swim dive surf and paddle Significant features and landmarks on or near shores such as fishponds monuments shrines reefs and small islands are also included The names of surfing sites are the most numerous and among the most colorful from the purely descriptive Black Rock Blue Hole to the humorous No Can Tell Pray for Sex Clark began gathering information for the *Beaches* series in 1972 and during the years that followed interviewed hundreds of informants many of them native Hawaiians and consulted dozens of Hawaiian reference books newspapers and maps A significant amount of the oral history he collected was unrecorded and remained only in his notebooks and memory *Hawaii Place Names Shores Beaches and Surf Sites* is the final result of those years of research and like its popular predecessors it benefits substantially from Clark s having spent a lifetime surfing and swimming Hawaii s beaches Presented in the same convenient format as Pukui Elbert and Mookini s *Place Names of Hawaii* UH Press 1974 this rich compendium of information on Hawaii s surf shore and beach sites will satisfy visitors and residents alike     Classrooms in the Shade Shanthee Manjoo,2009-04-01 From the opening Sanskrit mantra to the final act of voting in South Africa s first democratic elections this lyrical memoir provides a unique perspective on South Africa s modern history The account shows how a young Hindu woman of Indian ancestry living in South Africa in the 1940s defied convention married a Muslim man and became an activist at time when Muslim women were seldom seen in such a role As a teacher she spoke up during the political strife of that highly segregated era which included the relocation of Indians and angry student boycotts and here shares her philosophies and insights into education Filled with characters from both a personal and national context the memoir captures the nuances of an important time and place     *Acta Horticulturae* ,1972
