Straddling Borders:

Border Straddling Heritages Ali Mozaffari, David C. Harvey, 2025-11-01 The twin effects of ever increasing mobility and rising globalization have done much to dislodge formerly stable social relations and our sense of time and place In this exacting and geographically wide ranging reassessment of the overlap between borders and heritage Ali Mozaffari and David C Harvey interrogate how this hyperglobalization has simultaneously challenged and intensified notions of sovereignty and nationality Ranging from the impact of empathy in border heritage work to the Europeanization of war heritage narratives and border heritage complexes in the Middle East this volume illuminates the methodological implications of viewing heritage as both an engagement with the borders of the past and an activity that continually creates them Developing Power Arvonne S. Fraser, Irene Tinker, 2004 Founders of the global women s movement share personal accounts about the trials and challenges of their work **The Power of Stories** Rev. Jacqueline J. Lewis, 2010-09-01 Most congregational leaders find it difficult to resist the dominant cultural expectation that different cultural and ethnic groups should stick to themselves especially when it comes to church But some congregational leaders have learned the secrets of breaking out of these expectations to bring together communities of faith that model God s radical inclusiveness What makes the difference Jacqui Lewis explains that it resides in the stories these leaders tell stories about who they themselves are and what the communities they lead are about These leaders are able to embrace the multiple complex stories within these diverse communities hearing in the many voices a particular echo of the living voice of the gospel In this book Lewis shares with the reader examples of congregational leaders who have successfully overcome the challenges of leading multicultural congregations and the lessons that can be learned from them Jacqueline J Lewis is Senior Minister for Vision Worship and the Arts at Middle Collegiate Church in New York **Witnesses to Interwar Subcarpathian Rus'** Patricia A. Krafcik, 2024-06-10 In the midst of a contentious atmosphere of the interwar period the far eastern province of Subcarpathian Rus attracted the personal curiosity and professional attention of Russian ethnographer and theoretician Petr Bogatyrev and Czech journalist writer Ivan Olbracht Both traveled extensively in the region and immersed themselves deeply in the life and culture of the local residents Carpatho Rusyns and Hasidic Jews Witnesses to Interwar Subcarpathian Rus The Sojourns of Petr Bogatyrev and Ivan Olbracht explores for the first time in English the legacy they bequeathed in their respective work Bogatyrev as an apolitical ethnographic collector and theoretician and Olbracht as a passionately committed Communist whose reports and brilliant stories from the region including Nikola uhaj Brigand and The Sorrowful Eyes of Hannah Karadjic capture a glimpse of a world destined to change radically as a result of the ravages of war *A Research Agenda for Border Studies* James W.
