**The Sister's Curse** Nicola Solvinic,2025-10-21 There s something in the water in Bayern County When mysterious drownings plague her small town a detective haunted by her serial killer father must uncover whether revenge ancient legends or something darker lurks beneath the surface Lieutenant Anna Koray thought she d finally found solid ground and escaped her past as the daughter of a notorious serial killer A loving boyfriend a loyal dog a life that almost feels normal except darkness has a way of seeping in When she saves a boy from drowning the strange marks on his body tell a disturbing story something in the depths tried to drag him under Days later another victim surfaces with identical marks and Anna s instincts scream that these are no accidents Both victims are connected to the Kings of Warsaw Creek men of the town s wealthiest and most influential families And they have enemies Others whisper that there are witches in Bayern County seeking revenge for a long ago murder Perhaps it s the work of Vivian Carson the enigmatic bartender who s rumored to cast hexes on those who wrong her

Or maybe it's a secret coven who's been leaving serpentine symbols and skulls behind at the scenes of the drownings. But Anna's investigation reveals an even more sinister truth: something is stirring in the water and it wants the Kings to pay. With time running out and more victims appearing, Anna must separate superstition from truth. But in Bayern County, where legends and curses run deep as the water itself, one wrong step could drag her into the depths this time for good. [Hearts on Fire](#) Penny Lernoux, 2011-12-01 [Hearts on Fire](#) is the inspiring story of the Maryknoll Sisters updated to mark the centenary of their founding in 1912. Through the voices of the Sisters themselves, Penny Lernoux draws a loving portrait of a community in constant transition and shows how in their process of growth and conversion they left an indelible mark on the church and the world. [The New Merry-go-round](#), 1924 [Tales of Sasha 9: The Disappearing History](#) Alexa Pearl, 2022-01-04 In book nine of the Tales of Sasha series, Sasha has to figure out what to do when the recorded history of the flying horses disappears. The History Day celebration is coming up in Crystal Cove, and Sasha has to pick her favorite story to read aloud. But when she unrolls the magical fabrics with the flying horse history on them, she discovers that all the words have disappeared. Can Sasha figure out what happened and find a way to return the stories to the fabrics in time for the celebration? [The Brontës: Veins Running Fire](#) Derick Bingham, 2018-08-19 The story of the Brontë family is one of incredible romance, immense genius, and haunting sadness. From humble beginnings in Ireland, the Rev. Patrick Brontë rose to the very heart of the reforming evangelical movement of the 19th century. He was sponsored at Cambridge University in England by its great leader, William Wilberforce. Patrick's daughters, Emily, Charlotte, and Anne, came onto the pages of literary history with, amongst other works, their novels *Wuthering Heights*, *Jane Eyre*, and *The Tenant of Wildfell Hall*, which now grip the imagination of millions of people in the 21st century. Branwell, the most promising of Patrick's children, is mourned for the wreck of his talent. All had the fire of deep emotions running in their veins. In this book, Derick Bingham seeks to trace the influence of Patrick Brontë's unfaltering evangelical faith on the lives and work of all his children. Here is faith in the face of unremitting tragedy, imagination soaring out of pitiful sadness and doubt, vying with hope for dominance. The world will truly never see such a literary family again, whose life story is every bit as fascinating as their fiction.

**Lighting My Fire** Geraldine O'Leary-Macías, 2013 This book offers biographical aspects of the authoress and a selection of her conferences on the revolution in Nicaragua and the foreign politics of the United States in the 80s. The conferences were given to religious leaders, university students, the Reagan administration, and the Congress, and leaders of diverse organizations in the United States. It helps us to visualize the process of internal transformations that Maryknoll, the most revolutionary missionary order of the United States, experienced at that time, and the participation of many of its members in the processes of change of Central America. Through her interesting annotations, the authoress helps us to visualize the process of internal transformation that Maryknoll suffered and the participation of many of its members in that process of change, given a quote of martyrdom. One of the nuns who worked in Nicaragua with the authoress, Sister Maura Clark, was

murdered later in El Salvador together with others nuns as well a lay volunteer The book also offers a vision of the popular participation in the Nicaraguan revolution of 1979 an aspect little known and that the authoress was touched by In 1992 she had to leave of Nicaragua and live in exile
