The Anti-Zionist Complex Jacques Givet, 1982 Israelis and Jews Simon N. Herman, 1971 Gift of Rabbi W Gunther **Jewish Polemics** Arthur Hertzberg, 1992 Provocative politically important and controversial essays by one of the Plaut most widely read and respected scholars of the Jewish experience that touch on topics such as Zionism in America God and the Holocaust Christian Jewish relations the Arab Israeli conflict and Israeli politics A History of the Israeli Army, 1874 to the Present Zeev Schiff,1985 Bog om den israelske h rs historie og om staten Israels krigshistorie i vort rhundrede Biblioteket har f rsteudgaven fra 1974 Den nyeste udgave indeholder tillige et afsnit om krigen i Libanon i 1982 To Right a Wrong Yohanan Manor, 1997 This book is a dramatic history of the 1975 U N General Assembly Resolution equating Zionism with racism The campaign for the abrogation of the Resolution began with the 1985 International Women s Conference in Nairobi which showed it was possible to stem the anti Zionist tide The commitment and activism of the U S administration and the critical role of the Australian government were decisive factors. The resolution s overturn in 1991 helped put an end to Israel s pariah status removed a moral stain on the U N restored its ability to fight anti Semitism and enabled the U N to condemn anti Semitism as a form of racism Saving Remnants Sara Bershtel, Allen Graubard, 1993-01-01 Saving Remnants provides a series of honest and clear minded portraits of young American Jews trying to confront what it means to be Jewish Irving Howe author of World of Our Fathers You don t have to be Jewish to be fascinated and challenged by this sensitive profoundly intelligent book Saving Remnants is about Jewishness but it is also about all of us searching for identity on a menu that includes New Age epiphanies along with old time religions and instant

traditions Barbara Ehrenreich author of Fear of Falling The Survival Factor Stanley A. Blumberg, Gwinn Owens, 1981 Fragile Branches James R. Ross, 2000 A Ugandan village An island in the Letters to Yitz Eliezer David Jaffe, 1981 Amazon A Peruvian mountain town Throughout the world in the unlikeliest places isolated communities are embracing Judaism despite enormous obstacles In this tour of six far flung Jewish communities James Ross creates a portrait of people who are currently risking their lives and livelihoods to exist as Jews though in some cases they have no historical links to Judaism As Ross describes communities in India Peru Brazil Israel and Uganda a variegated picture of contemporary Jewish life emerges offering us new perspectives on ancient precepts thoughts and rituals and inspiring us to reexamine our own relationship with tradition In reminding us of the diversity and richness of Jewish life which has always borrowed from surrounding cultures Fragile Branches begs the ever perplexing question of who is a Jew a question that has troubled Jews and non Jews alike for centuries BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights A History of the Israeli Army: 1874 to the Present Ze'ev Schiff, 2024-05-23 It is virtually impossible to understand Israel or the Middle East without understanding Israel s military history and its security needs There are many books that attempt to provide such a history but Ze ev Schiff's concise History of the Israeli Army is unquestionably the most successful he writes with great objectivity and probes issues that most Israeli military writers prefer to dodge Mr Schiff's ability to come to grips with the fact that both Israel and the Arab states bordering it used tactics the other side regards as terrorism and continue to use them is matched by his skill in summarizing the causes course and outcome of the large scale Arab Israeli conflicts in 1956 1967 and 1973 and the war of attrition in 1969 70 Mr Schiff provides an excellent summary of the political and military forces that shaped Israel s behavior in each war He neither justifies nor excuses Israel s behavior and he does not justify or excuse Israel's motives and goals he is content to explain them He also explains the factors that shaped Arab behavior and gives the causes of Arab defeats without editorializing Mr Schiff avoids technical issues tactics and the details of battles he focuses on the main flow of events He provides a short history of the major events shaping Israel s military forces and strategy before and during each war His descriptions of military events flow naturally out of his accounts of political motives and strategy His chapter on doctrine ties together the histories of the different conflicts and it should be read by anyone who feels Israel somehow has caused most of its wars His chapter on the 1982 war in Lebanon is the most incisive reporting yet done on that event a model of how good defense reporting can be when it looks beyond the day to day flow of events and searches out the underlying pattern of military conflict and its causes Mr Schiff presents the war as one in which Mr Sharon then Israel s Minister of Defense snatched defeat from the jaws of victory Mr Schiff's treatment of Mr Sharon and the P L O s high command is devastating it adds up to one of the best arguments against violence as a solution to the problems of the Middle East ever written In short Mr Schiff has written a history that any historian or political or military analyst must envy The New York Times A story concisely and clearly told Schiff's ability to deal with Israeli military matters

accurately and analytically is in evidence as usual This is a good introduction to the subject and well written Middle East Journal I f one does not have a basic book on the Israeli Army this is one of the best Military Affairs <u>Jews in America</u> David Gantz,2006 A unique presentation of the history of Jewish life and culture in the United States over the past 500 years Jews in America is a graphic history that uses the comic book format an artistic expression as American as jazz to depict five centuries of Jewish life in this country With its blend of humor history and old fashioned sentimentality Gantz an artist who has spent a lifetime using paper and ink to present social commentary and issues with wry wit illustrates the prominence of Jews in American history from the time Columbus first set foot in the New World Jews in America will appeal to readers from ages 12 to 120
