singles the subtle causes devastating consequences and achievable cures of breaking the marriage covenant The cause of divorce is selfish sinful and unloving behavior and the cure of divorce is selfless sinless and loving behavior When divorce occurs the hurtful consequences are life altering and unending for generations The consequences can be avoided when divorce never occurs but results in confession repentance forgiveness and reconciliation The 1249 Club teaches these biblical principles and how to apply them They are simple but make no mistake not easy yet with God all things are possible Get the book and 1 listen to the teachings 2 hear the teachings in your spirit 3 understand the teachings and 4 apply the teachings to your lives That and God will make a difference in your marriage journey The Sacred and Profane History of the World

The Right Side of the Sixties Laura Jane Gifford,Daniel K. Williams,2012-07-25 The 1960s were a transformative era for American politics but much is still unknown about the growth of conservatism during the period when it was radically reshaped and became the national political force that it is today In their efforts to chronicle the national politicians and organizations that led the movement previous histories have often neglected local perspectives the role of religion transnational exchange and other aspects that help to explain conservatism s enduring influence in American politics Taken together the contributions gathered here offer a cutting edge synthesis that incorporates these overlooked developments and provides new insights into the way that the 1960s shaped the trajectory of postwar conservatism **Where the Money**
