image became a self fulfilling prophecy as it contributed to increasingly skewed planning practices for Parkdale in the late twentieth century This rich and detailed history of a neighbourhood s actual conditions imaginary connotations and planning policies will appeal to scholars and students in urban studies planning and geography as well as to general readers interested in Toronto and Parkdale s urban history     The American Schoolmaster ,1928     *How to Abolish the Slums* Ernest Darwin Simon,1929     Pamphlets and Leaflets for ...
