THE BEGGAR : A NOVEL PF FARRADAY, 2018-10-14 This 272 page novel was written by the award winning British author PF Farraday An enthralling and enchanting story it follows a dark and mysterious path of the wealthy Earl of Leicester as he loses his fortune along the way to find true happiness THE PLOT In 2014 a young twenty three year old by the name of Andy was fresh out of university and on his first job The new intern for the National Trust was sent to purchase an old and relatively unimportant building at Savills auction house in New York his instructions were simple With a small budget of a hundred thousand pounds he had to bid on and secure the purchase of a rundown estate which in 1663 belonged to a wealthy noble family in Leicestershire England After being surprisingly outbid by a secret buyer for a cool 5.5m he was furious and worried he would lose his job so he quickly fired off an email to the head of department Mr Hopkinson and somehow managed to buy himself seven more days in the states The next morning and when the puzzled graduate rushed down the Central Library in downtown NY and began to dig deeper into the story behind the estate and soon unearthed a dark dark secret documented in the archives of the rich and wealthy Barrington family and the possible reason why the old rundown property was so highly sought after In 1922 the wealthy seventh Earl of Leicester and his wife died tragically in a car accident Their only son the eighth Earl inherited the estate many priceless artifacts and paintings and a fortune in wealth seven hundred million pounds The thirteen year old boy was now one of the richest people in England and over the years he found that wealth came with a price of its own Everybody from charities to family and friends even people he didn't know had their hand out asking for something The heir became reclusive

tired of the world outside always wanting from him The more time he spent alone the more he became lonely He soon became obsessive and by shutting people out of his life to sit counting his wealth was to be the beginning of his downfall Back in 2014 and the more the young historian investigated it the more he learned of a twisted eerie story that was stranger than fiction and made a once rich nobleman the poorest man on earth

The Baptism Papers Peter Frow,2011-06-16 In *The Baptism Papers* professional engineer and preacher Peter Frow attests to the disquieting reality that certain laws and disciplines within his church are being applied with such monolithic rigidity that grace is stifled Here is a poignant reminder that when denominational distinctives have greater potential to divide the Church than the cross has to unite it then such practices have become denominational idols
