F. Schumacher, 1974 Small is Beautiful: a Study of Economics as If People Mattered Ernst Friedrich Schumacher, 1980 **Small is Beautiful** E. F. Schumacher, 1983 **Small is Beautiful** Ernst Friedrich Schumacher, 1999 The 25th anniversary edition of Schumacher's book of essays on humanistic economics expands on his ideas by adding commentaries of contemporary thinkers who have been deeply influenced by his work and thought **As If Peoples Mattered** Zelim Skurbaty, 2021-11-22 Ours is an era of decline for the nation state and one of world wide concern for the problems surrounding sub state groups minorities peoples and indigenous populations The often violent resurgence of conflicts between these groups and States in even the stable democracies poses a challenge to international law as well as to liberal political principles In this volume an expert in international minority rights provides not only significant clarification

of the legal issues involved but also trenchant insights taken from a wide range of humanitarian disciplines from philosophy and systems theory to neuro linguistic programming NLP and transactional analysis TA The result is a meticulously researched book exploring from a variety of perspectives the terms peoples and minorities in international law as well as relationships between minorities peoples and indigenous rights individuation and self determination Of special interest is the attempt of the author to explain the existence of double standards in international minority rights dubbing them games with the help of transactional analysis and to redefine and reframe the basic terms such as international law sovereignty self determination etc The straightforward claim of the author is that the proposed theories can help both members of minorities and those in executive positions to gain insights on the cognitive level and make more congruent community oriented decisions on the practical level The book will hold particular appeal for all those interested in the international law of human rights politics and philosophy as well as students seeking a multi disciplinary perspective on these much debated areas
