(R)*Evolution, Humanity, Insanity, and the Planet* Michael Anthony, 2024-01-05 In *Conscious R Evolution Humanity Insanity and the Planet* the author brings together two powerful insights that all life on this planet is interconnected and that humanity's current path of consumerism and industrialization is leading to catastrophe. From deforestation to pollution we are damaging the very environment that sustains us. This book asks us to stop and consider the bigger picture as an intelligent species: why would we willingly destroy the planet that gave us life? With urgency and clarity the author calls for a new way of living, one that recognizes our place in the natural world and uses our intelligence to create a better future for all.

Blood Moon Ernest Brawley, 2023-03-31 In the year 1880 an impoverished half-English journalist named Eduardo Dawson hitchhiking from Mexico for the American border meets three fellow travelers who could not be more different. The first is Phoebe Surgener, a wry, strong-willed American ranch lady of obvious wealth and influence. The second is Pleasant Honeyflower, a seedy, fast-talking phony preacher. The third is Marcela Sandoval, a magically beautiful Mexican shepherdess. After their meeting on the road, there follows a seemingly endless night that begins with friendly get-to-know-you chatter and evolves as they cross the desert under a great blood moon into episodes of passionate young love, depraved sexual violence, betrayal, and abandonment that will have unimaginable repercussions for years to come. As fate will have it, they all end up in Pleasant Valley, Arizona, and their chance encounter in the desert will turn out to be a harbinger of The Pleasant Valley War, the bloodiest land war in the history of the American West.

Rural Social Work in the UK Colin Turbett, Jane Pye, 2024-04-30 This book draws together writers from various backgrounds to discuss issues that affect those working in rural social work settings on themes ranging from current issues that are common to rural localities, including those arising from the Covid-19 pandemic, to future challenges. Common themes that run through all the chapters and hold them together include community and place, stigma and alienation, inequality and social justice, and the environment. Several of the chapters include a strong user voice and challenge cis-heteronormative and other stereotypes of rural life by celebrating diversity in these communities. The book will therefore be invaluable to rural practitioners, students studying to work in rural settings, and their educators, as well as rural sociologists and policy makers.

Little Victories, Small Defeats John D. Ferguson, 2009-01-14 *Little Victories, Small Defeats* Our world is fully capable of taking an innocent, sensitive, intelligent young man, and through death, hypocrisy, retribution, and remorse, turn him into a drifting, aimless shell of what he might have been. That this happens to James Branaugh is not a story in itself. That James can find his way back from a useless existence, find and give lasting love, and muster the will to redeem his place in society while battling for his life is a story. That tale comprises the theme of this book. James, the central character, hails from a small farm in the back country of West Virginia. Before his life can really begin, he is left spiritually destitute through the death of his wife and daughter at the hands of a small-time drug dealer and morally adrift by his own redress of the crime. The next several decades of idle wander bring him full circle to his boyhood home. This return is made to finally embrace peace and live his remaining years amid the soothing

comfort of the ancestral farm Before any solace is found James finds himself in the middle of an old and on going Machiavellian plot to acquire or control all lands in the immediate area including his own The ever escalating war of greed is delivered to his doorstep by none other than a US Senator and County Sheriff Thankfully James does not have to fight alone and acquires fellow soldiers in the form of a crippled lawyer half crazy woodsman renegade FBI agent and a two fisted lover The battles rage from Washington townhouses to high pasture barns and include some decidedly undesirables in hand to hand fighting Someone once said that all real stories end in death Death is no stranger to the characters in this archetypical yarn of good versus evil Set among bucolic hills the rustic normalcy of country life serves as counterpoint to the chaotic appeal of contemporary living The charm of simplicity stands in stark contrast to the narcotic of progress This blend of contradictory desires and lifestyles forms the backdrop for a reflection on greed gone mad That James can succeed is given Whether he does and how he goes about it is the story
