Smiths Boy:

To Raise a Boy Emma Brown, 2022-01-11 How will I raise my son to be different This question gripped Washington Post investigative reporter Emma Brown who was at home nursing her six week old son when the MeToo movement erupted In search of an answer Brown traveled around the country through towns urban and rural affluent and distressed In the course of her reporting she interviewed hundreds of people educators parents coaches researchers men and boys to understand the challenges boys face and how to address them What Brown uncovered was shocking 23% of boys believe men should use violence to get respect 22% of an incoming college freshman class said they had already committed sexual violence 58% of young adults said they ve never had a conversation with their parents about respect and care in sexual relationships Men are 4 times more likely than women to die by suicide Nearly 4 million men experience sexual violence each year Emma Brown connects the dots between educators researchers policy makers and mental health professionals in this tour de force that upends everything we thought we knew about boys adapted from back cover
