The Boy Who Walked Off The Page:

The Lost Pages of the Necrom J. E. Travers Botu, 2015-03-30 The Necrom consists of seven mystical pages written by Cain after he had been scolded by the Creator for taking his brother's life Lucifer came to him and asked him to write the down the names of the seven spirits of the earth with his blood on seven pages That if these pages were read by a righteous man who had never sinned it would break the gates of hell and free his brother Cain later realized after he had read the pages that it didn't work as Lucifer had promised That only a righteous man who had never sinned could make it work and that Lucifer wasn't helping him from the kindness of his heart Lucifer was using him to find a way out of his chains for if you free one you've freed all The pages were written in the first language that man spoke before the Creator changed the tongues of men at the tower of Babel So the tongue in which the pages were written was now lost forever Thousands of years have passed and Lucifer hasn't found a righteous man who had never sinned to read his pages So he resolved on making a man sinless from his infant age till he's old enough to read the pages So he found an orphan who was abandoned at the gates of a monastery in Italy and became his guardian angel keeping him from sin that he might become the reader **The**
