The Breaking Of The Pendulum:

The Breaking of the Pendulum W. G. Allen, 2025-06-15 Not so long ago when cell phones were not widespread and the Internet had yet to replace newspapers a senatorial conspiracy to seize the nation was uncovered in the mountains of Montana To finance the scheme conspirators had to access secretly discovered gold in a federally protected wilderness area near the logging town of Libby Montana However environmental committee chairman Senator Harold Schwartz of New York stood in their way and had to be eliminated when he was to host an environmental conference there Schwartz had sent his Jewish aide ahead to make preparations but the aide was murdered near the discovery site The death inflamed the town and nation while conspirators exploited it as a distraction Besieged with tree huggers loggers Aryans and skinheads the economically depressed community braced for the upcoming explosive conference and America watched Young tenacious Assistant County Attorney Janette Singer and law intern Navy vet Tom Kineson uncovered the plot but then Tom inexplicably became suspect in the murder of the chairman s aide Not knowing who to trust with what they had discovered they ran frantically through the surrounding wilderness Could they stay ahead of the law the Aryans and the plotters long enough to save the senator and the nation Or are we currently living under an illusion of democracy The Breaking of the Pendulum is a fast paced political wilderness thriller proving prescient for America today Heat Treatment Harry Bass Knowlton, 1929
