The Brown Paper Bag Boyz & the Colorism Experiment! Darrell Harper,2019-12-11 How powerful of an effect does colorism have on twin brothers Malcolm and Luther King They re from Compton California where beating the odds is not an easy thing to do Colorism is at the center of personal dysfunction and unbelievable self hatred on a level you ve not seen in a while These people are real as can be but express their stories in extraordinary ways They go through similar yet vastly different experiences Through colorism they find two different paths based on the way they re perceived The perceptions not based on individual merit it s based on the skin tones of the brothers Malcolm King is light skinned while Luther King is dark skinned Each one gets treated a certain way whether good or bad Choices are made that influence their paths One goes off to Harvard the other one goes off to prison Together they re a magnet subjected to the pain judgment favoritism and the mirror is bright through comparison Powerful truths sacrifices and high crimes will be revealed in this poignant coming of age drama The consequences reach an all time high It could end very badly Can the Brown Paper Bag Boys make it through the hurricane that is the colorism experiment The Brown Paper Bag Boyz and the Colorism Experiment is a fantastic fictional commentary on today s times This book is a fresh new look into the subject of colorism This title will be a staple on the topic of colorism even creating a standard in dialogue through these two exciting characters Malcolm and Luther King You ll find their humanity through the thick cloud of self hatred weaved into the gripping entertaining yet heart drenched bond the brothers have with significant life changing consequences What would you risk for the love of a brother Everything I dedicate this book to my mother and father Cassandra and Derrick For the strength and perseverance you ve instilled in me
