The Burning Stone Kate Elliott,2000-08-01 Set in an alternate Europe where bloody conflicts rage the third book of the Crown of Stars epic fantasy series continues the world shaking conflict for the survival of humanity It is a crucial time in the war torn kingdoms of Wendar and Varre a moment when even one wrong decision can tilt the balance of events into total disaster For Sanglant King Henry s son and Liath the woman he loves the offer of both a haven from their enemies and the chance for Liath to study the ancient lore with those who claim her as their own seems like the answer they have been seeking But no place can truly be safe for them Both their lives and their love will be at risk when they are forced to choose which pathway each will follow lured by the equally strong demands of politics forbidden knowledge and family Liath born with a dangerous power beyond her control is torn between her longing for Sanglant and the child they are about to have and the call of sorcery which can open the way into the land of the Aoi the Lost Ones And even as Liath struggles with magic s seductive spell Sanglant s Aoi mother returns to the mortal world seeking the son she abandoned as a babe As the fates of kingdoms shift with the changing fortunes of those caught up in the dangers of both civil war and continuing attacks by the nonhuman Eika and the Quman invaders time is running out for Liath Sanglant King Henry and the people of Wendar and Varre For the time of cataclysm is fast approaching and no one can foretell who will survive or rule when it is over **The Burning Stone** Deborah Turner Harris,1988 [The Burning Stone](#) Elleston Trevor,1961 *The Burning Stone* Paul A. Guyana Legends Odeen Ishmael, 2011-08-30 Guyana Legends Folk Tales of the Indigenous Amerindians By Odeen Ishmael Guyana Legends Folk Tales of the Indigenous Amerindians is a collection of fifty folk tales of the first people to inhabit Guyana and the contiguous regions of the north coast of the South American continent Very little is known of Amerindian history in Guyana before the arrival of European settlers in the early seventeenth century and actually no written form of their languages existed until about seventy years ago Indeed much of the history of the Amerindians people is based on oral traditions which are not quite clear because the periods when important events occurred are difficult to place Still native oral traditions are very rich in folk stories of the ancestral heroes and heroines of these indigenous people Some of these folk stories have varying versions among the nine different language groups or tribes that comprise the Amerindian population of Guyana Such a difference is illustrated in this book which presents two different tales of how fire was acquired and various versions of the legend of two immortal folk heroes the bothers Makonaima and Pia This present collection of Amerindian legends was compiled over a lengthy period of many years during which I listened to and collected versions of these tales from elderly Amerindians in various regions of Guyana and more recently from Amerindian residents of the Delta Amacuro region of Venezuela on the frontier with Guyana Significantly most of these legends were also summarised since the late nineteenth century by a succession of writers including Everard F im Thurn W H Brett Walter Roth and Leonard Lambert But it is significant to note that those versions by no means original which were related by those writers of the nineteenth and early twentieth centuries have undergone some changes with the passing years and new characters have been added to them Since Amerindians of the North West District of Guyana are ethnologically and culturally related to those in the eastern regions of Venezuela particularly the Delta Amacuro region it is noteworthy that the myths and legends of those Venezuelan Amerindians bear close similarities to those of their Guyanese counterparts Interestingly the Guajiro people Amerindians of Arawak background living in north west Venezuela near to Lake Maracaibo also have some folk tales that closely resemble those of their relatives living in the North West District of Guyana and the Delta Amacuro region of Venezuela For further information the writings of Venezuelan researchers Cesar o de Armellada Maria Manuela de Cora and Michel Perrin are recommended It is essential to note too that an important character in Amerindian legend is Tiger While there are a number of tigers in the stories and generally they are all villains these animals

however are not part of the fauna in Guyana or the entire American continent What is generally referred to as a tiger is the large spotted jaguar And the black tiger mentioned in one of the stories in this book is the large South American puma Twenty of the folk tales included in this collection appear in my earlier book Amerindian Legends of Guyana published in 1995 However they have now been revised and in some cases retitled Among the thirty other stories are those of two clever tricksters in Amerindian folklore the lazy but sly Konehu and the wily rabbit Koneso Readers will find these legends of the original inhabitants of Guyana informative in the anthropological sense in addition to being interesting and entertaining at the same time
