George Rodrigue

The Cajuns Of George Rodrigue:

The Cajuns of George Rodrigue George Rodrigue,1976 **The Art of George Rodrigue** George Rodrigue,2001 The Cajuns Shane K. Bernard,2009-09-28 The past sixty years have shaped and reshaped the group of French speaking Louisiana people known as the Cajuns During this period they have become much like other Americans and yet have remained strikingly distinct The Cajuns Americanization of a People explores these six decades and analyzes the forces that had an impact on Louisiana s Acadiana In the 1940s when America entered World War II so too did the isolated Cajuns Cajun soldiers fought alongside troops from Brooklyn and Berkeley and absorbed aspects of new cultures In the 1950s as rock n roll and television crackled across Louisiana airwaves Cajun music makers responded with their own distinct versions In the 1960s empowerment and liberation movements turned the South upside down During the 1980s as things Cajun became an absorbing national fad Cajun became a kind of brand identity used for selling everything from swamp tours to boxed rice dinners At the dawn of the twenty first century the advent of a new information age launched Cyber Cajuns onto a worldwide web All these forces have pushed and pulled at the fabric of Cajun life but have not destroyed it A Cajun himself the author of this book has an intense personal fascination in his people By linking seemingly local events in the Cajuns once isolated south Louisiana homeland to national and even global events Bernard demonstrates that by the middle of the twentieth century the Cajuns for the first time in their ethnic story were engulfed in the currents of mainstream American life and yet continued to make outstandingly distinct contributions The Art of George Rodrigue George Rodrigue,2003-11 Long overdue this volume is a retrospective on the artist most noted for the Blue Dog covering his 40 year career *Rodrigue, Blue Dogs and Cajuns on the River* George Rodrigue,Louisiana State University (Baton Rouge, La.). Museum of Art,2011 **Claire by Moonlight** Lynne Kositsky,2005-04-12 Claire s future should be simple and predictable and include all the normal expectations of a young Acadian woman But her life is far from straightforward Her mother s mental illness is a blot on the family name and Claire feels the brunt of it keenly Her father long sickened by his wife s behavior barely finds the energy to fend for his ever growing family Claire s brother Jacques is increasingly angry and suspicious of the British soldiers who seem to take an unnatural interest in the family s daily routine Grandm re well she is Grandm re always hard to please never capable of a single word of praise no matter how hard Claire works to provide for all of them And then there is Sam Douglass handsome in his red coat and always paying attention to her What danger does she court just by talking to him Somehow Claire must make sense of it all before her home in Grand Pr is changed forever There are traitors about but who are they Is Sam one Is Jacques Most terrifying of all is she Lynne Kositsky paints a vivid portrait of the land the Acadians and a tragic chapter in history Claire by Moonlight traces the journey of one girl facing insurmountable odds who will forever remain haunted by the ghosts of those she loved **Cajuns and Their Acadian Ancestors** Shane K. Bernard,2010-02-11 Cajuns and Their Acadian Ancestors A Young Reader s History traces the four hundred year history of this distinct American ethnic

group While written in a format comprehensible to junior high and high school students it will prove appealing and informative as well to adult readers seeking a one volume exploration of these remarkable people and their predecessors The narrative follows the Cajuns early ancestors the Acadians from seventeenth century France to Nova Scotia where they flourished until British soldiers expelled them in a tragic event called Le Grand D rangement The Great Upheaval an episode regarded by many historians as an instance of ethnic cleansing or genocide Up to one half of the Acadian population died from disease starvation exposure or outright violence in the expulsion Nearly three thousand survivors journeyed through the thirteen American colonies to Spanish controlled Louisiana There they resettled intermarried with members of the local population and evolved into the Cajun people who today number over a half million Since their arrival in Louisiana the Cajuns have developed an unmistakable identity and a strong sense of ethnic pride In recent decades they have contributed their exotic cuisine and accordion and fiddle dance music to American popular culture Cajuns and Their Acadian Ancestors A Young Reader s History includes numerous images and over a dozen sidebars on topics ranging from Cajun music to Mardi Gras

A Cognitive-Historical Approach to Creativity Subrata Dasgupta,2019-03-20 At the heart of creativity is the practice of bringing something new into existence whether it be a material object or abstract idea thereby making history and enriching the creative tradition A Cognitive Historical Approach to Creativity explores the idea that creativity is both a cognitive phenomenon and a historical process Blending insights and theories of cognitive science with the skills mentality and investigative tools of the historian this book considers diverse issues including the role of the unconscious in creativity the creative process creating history with a new object or idea and the relationship between creators and consumers Drawing on a plethora of real life examples from the eighteenth century through to the present day and from distinct fields including the arts literature science and engineering Subrata Dasgupta emphasizes historicity as a fundamental feature of creativity Providing a unified integrative interdisciplinary treatment of cognitive history and its application to understanding and explaining creativity in its multiple domains A Cognitive Historical Approach to Creativity is essential reading for all researchers of creativity

Rise of the Cajun Mariners Woody Falgoux,2017-05-23 The story of four families of Cajun boatmen and their rise from trappers and shrimpers to mega millionaires Rise of the Cajun Mariners documents an untold piece of American history the beginnings of what is now the global multibillion dollar marine oil and gas industry In addition it gives an insightful insider account of one of America s only truly distinctive cultures the Cajuns The book tells the story through the Cajun boatmen who drive the boats that supply and move the men who work the offshore platforms The book follows four of these French speaking trailblazers as they scrape to buy and build their first boats and struggle toward success Their success stories will appeal to any believer in the American dream But it is also a candid account of a wild time in a rough vital business Most of the characters are as flawed as they are dynamic While they are master seamen they lead a lifestyle that for many of them is as much about drinking and whoring as it is about seamanship and deal making The seedy

side of their business adds complexity to their story and makes the tale especially human Rise of the Cajun Mariners is a fast paced tale about the rapid evolution of a worldwide industry the modernization of a culture and the deliverance of four fascinating families *How to Achieve a Heaven on Earth* hc John E. Wade II,2011-07-13 This collection of 101 essays from some of today s most notable thinkers and leaders focuses on the large problems of society as well as every day challenges and encourages readers to envision a positive change The essays explore the themes of peace democracy prosperity racial harmony ecology and health encouraging readers to find meaning in their own lives and share it with others
