Confederate Generals in the Western Theater, vol. 4 Lawrence Lee Hewitt, Thomas E. Schott, 2024-01-12 Like its predecessors the fourth and final volume of *Confederate Generals in the Western Theater* is an invaluable contribution to the historiography of a poorly understood theater of war presenting new interpretations of major figures while bringing to light both the triumphs and failures of lesser known generals Its cutting edge scholarship offers further grounding for the editors contention that the South's bid for independence was lost on its western battlefields and that the responsibility for those defeats lay more with the Confederate generals than with their opponents Among the ten chapters this collection includes C David Dalton on the death of Felix Zollicoffer at the Battle of Mill Springs in Kentucky Roger Durham on Robert E Lee's leadership early in the war of the Department of South Carolina Georgia and East Florida Brian S Wills on Abraham Buford's behind the scenes contributions to Nathan Bedford Forrest's famous exploits the late Nathaniel Cheairs Hughes Jr on the achievements and failings of Gideon J Pillow James M Prichard on John Hunt Morgan and his last Kentucky raid and Keith S Bohannon on Edward C Walthall a Virginia lawyer who overcame his lack of prior military experience to become one of the ablest generals in any of the war's theaters Some essays offer full biographies of their subjects others focus on a single campaign Along with the previous volumes this exemplary collection encourages an important rethinking of the course of the Civil War and its ultimate outcome Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University He is the author of *Port Hudson Confederate Bastion on the Mississippi* among other publications and his honors include the 2013 Nevins Freeman Award for the advancement of American Civil War scholarship and support for the Round Table movement Thomas E Schott worked as a historian for the Department of Defense He is the author of *Alexander H Stephens of Georgia A Biography* which won the Jefferson Davis Award He is coeditor and contributor with Lawrence Hewitt of *Lee and His Generals Essays in Honor of T Harry Williams* as well as several volumes of *Confederate Generals in the Western Theater* and *Confederate Generals in the Trans Mississippi*

The Cavalries in the Nashville Campaign Dennis W. Belcher, 2020-06-01 The Nashville Campaign culminating with the last major battle of the Civil War is one of the most compelling and controversial campaigns of the conflict The campaign pitted the young and energetic James Harrison Wilson and his Union cavalry against the cunning and experienced Nathan Bedford Forrest with his Confederate cavalry This book is an analysis of contributions made by the two opposing cavalry forces and provides new insights and details into the actions of the cavalry during the battle This campaign highlighted important changes in cavalry tactics and never in the Civil War was there closer support by the cavalry for infantry actions than for the Union forces in the Battle of Nashville The retreat by Cheatham's corps and the Battle of the Barricade receive a more in depth discussion than in previous works on this battle

The importance of this campaign cannot be overstated as a different outcome of this battle could have altered history. The Nashville Campaign reflected the stark realities of the war across the country in December 1864 and would mark an important part of the death knell for the Confederacy. *Early Struggles for Vicksburg* Timothy B. Smith, 2022-06-28. In *Early Struggles for Vicksburg* Timothy Smith covers the first phase of the Vicksburg campaign, October 1862 to July 1863, involving perhaps the most wide-ranging and complex series of efforts seen in the entire campaign. The operations that took place from late October to the end of December 1862 covered six states, consisted of four intertwined mini-campaigns, and saw the involvement of everything from cavalry raids to naval operations in addition to pitched land battles. In Ulysses S. Grant's first attempts to reach Vicksburg, this fall/winter campaign marked the first of the major efforts to reach Vicksburg. It was the epitome of the by-the-book concepts of military theory of the day. But the first major Union attempts to capture Vicksburg late in 1862 were also disjointed, unorganized, and spread out across a wide spectrum. The Confederates were thus able to parry each threat, although Grant, in his newly assumed position as commander of the Department of the Tennessee, learned from his mistakes and revised his methods in later operations, leading eventually to the fall of Vicksburg. It was war done the way academics would want it done, but Grant figured out quickly that the books did not always have the answers, and he adapted his approach thereafter. Smith comprehensively weaves the Mississippi Central Chickasaw Bayou, Van Dorn Raid, and Forrest Raid operations into a chronological narrative while illustrating the combination of various branches and services, such as army movements, naval operations, and cavalry raids. *Early Struggles for Vicksburg* is accordingly the first comprehensive academic book ever to examine the Mississippi Central Chickasaw Bayou campaign and is built upon hundreds of soldier-level sources. Massive in research and scope, this book covers everything from the top politicians and generals down to the individual soldiers, as well as civilians and slaves making their way to freedom, while providing analysis of contemporary military theory to explain why the operations took the form they did. *Tales of Old Blount County, Alabama* Robin Sterling, 2013-08-19. Many of the people and events in Blount County history are well documented; others not so much. This book of essays is an attempt to revisit some of the well-known events of our county's past, add a little more background, and present our history from a Blount County point of view. In addition to illuminating some familiar topics, this book attempts to bring to light people and events who played significant roles in the development of Blount but were somehow overlooked or skimmed over by the primary reference books. People and events which were the topic of conversation among our ancestors but over time have been forgotten. These fun-to-read tales will promote a greater understanding of the history of Blount County. *Five Tragic Hours* James Lee McDonough, 2013-07-30. On a November afternoon in 1864, the weary Gen. John Bell Hood surveyed the army waiting to attack the Federals at Franklin, Tennessee. He gave the signal almost at dusk, and the Confederates rushed forward to utter devastation. This book describes the events and causes of the five-hour battle in gripping detail, particularly focusing on the reasons for such slaughter at a time when the

outcome of the war had already been decided The genesis of the senseless tragedy according to McDonough and Connelly lay in the appointment of Hood to command the Army of Tennessee It was his decision to throw a total force of some 20 000 men into an ill advised frontal assault against the Union troops The Confederates made their approach without substantial artillery support on a level of some two miles Why did Hood select such a catastrophic strategy The authors analyze his reasoning in full Their vivid and moving narrative with statements from eyewitnesses to the battle make compelling reading for all Civil War buffs and historians

As recognized, adventure as capably as experience virtually lesson, amusement, as skillfully as treaty can be gotten by just checking out a book **The Campaigns Of Lieutgen N B Forrrest And Of Forrests Cavalry** with it is not directly done, you could acknowledge even more just about this life, approaching the world.

We find the money for you this proper as competently as simple habit to acquire those all. We find the money for The Campaigns Of Lieutgen N B Forrrest And Of Forrests Cavalry and numerous books collections from fictions to scientific research in any way. in the middle of them is this The Campaigns Of Lieutgen N B Forrrest And Of Forrests Cavalry that can be your partner.
