

The Canadian Legal System

Nick Larsen

The Canadian Legal System:

Canadian Law and the Canadian Legal System Jessie J. Horner, 2007 This text is designed for college and university level courses in Canadian Law This exciting first edition provides readers with a useful foundation that not only explains the basic components of the Canadian legal system but also explores its functions and goals It is broad and deep enough for students to grasp a thorough understanding of the system and to develop their own perspectives on the legal system and its relationship to society and social change Including examples of the sometimes brilliant and sometimes inane results that law produces this text will intrigue students and prepare them for further work in a legal framework in any field and advance their understanding of the rights and duties entailed in being a member of Canadian society The Canadian Law Times, 1918 From 1900 1908 includes the Annual digest of Canadian cases decided in the Judicial Committee of the Privy Council in the Supreme and Exchequer Courts of Canada and in the courts of the provinces **The Canadian Criminal Justice System** Nick Larsen, 1995 The administration of justice is an area of social policy that defies attempts to achieve a balance between order and the protection of the public and respect for individual rights The media contain daily accounts of the failure of the criminal justice system to repress crime It is within this social and legal context that this work is situated In addition to including a range of articles in the standard areas of policing courts and corrections recent articles deal with such controversial issues as aboriginal justice the recruitment of visible minorities by Canadian police forces and the role of women in the Canadian criminal justice system The collection concludes with a critical assessment of the retributive model that currently serves as the philosophical underpinnings of the Canadian criminal justice system **The Art of Science in the Canadian Justice System** David Milward, Charles Ferguson, 2017-04-07 Part autobiography part thought piece part references the book takes an insightful look at the experience and cases of renowned paediatrician and forensic expert witness Dr Charles Ferguson The book presents the interaction of science and law as it applies specifically the Canadian courts but the justice process as a whole Dr Ferguson s experience from a scientist and medical professional s perspective in dealing with lawyers judges and the process of testifying in numerous court offers a unique glimpse into how the two worlds of science and law don t always mesh In some cases the evidence is compelling and definitive In others far from it Ultimately the book presents the important role of the forensic expert and expert witness as a vital and deciding factor as the courtroom proceedings play out The cases presented in the book cases Dr Ferguson was personally involved with are interesting the conclusions and results arrived at by Dr Ferguson are well thought out and backed by his scientific expertise The results and conclusions arrived at by the courts is often expected sometimes surprising in specific cases even controversial Throughout all Dr Ferguson casts an independent and sometimes critical eye on the process presenting a compelling argument and heartfelt recommendation for science objectivity and justice to be served based on truth truth insofar as the facts of the cases presented through evidence and the testimony provided within the judicial process A fascinating read for university students

experts and witnesses lawyers and judges and anyone involved in the forensic process in the trying of criminal and civil cases

Law, Politics and the Judicial Process in Canada Frederick Lee Morton, 2002 Since the first edition of this popular textbook appeared in 1984 the Charter of Rights and Freedoms has transformed the role of the courts in Canadian politics The book introduces students to issues raised by the new political role of Canadian judges Law Politics and the Judicial Process in Canada features new introductions and new readings that deal with current issues in the realm of Canadian law and politics

Essays in the History of Canadian Law Philip Girard, Jim Phillips, 2011-12-15 This third volume of Essays in the History of Canadian Law presents thoroughly researched original essays in Nova Scotian legal history An introduction by the editors is followed by ten essays grouped into four main areas of study The first is the legal system as a whole essays in this section discuss the juridical failure of the Annapolis regime present a collective biography of the province's superior court judiciary to 1900 and examine the property rights of married women in the nineteenth century The second section deals with criminal law exploring vagrancy laws in Halifax in the late nineteenth century aspects of prisons and punishments before 1880 and female petty crime in Halifax The third section on family law examines the issues of divorce from 1750 to 1890 and child custody from 1866 to 1910 Finally two essays relate to law and the economy one examines the Mines Arbitration Act of 1888 the other considers the question of private property and public resources in the context of the administrative control of water in Nova Scotia

International Law and Domestic Legal Systems Dinah Shelton, 2011-09-29 Different countries incorporate and interpret international law in different ways This book provides a systematic analysis of the domestic constitutional regime of over two dozen countries setting out the status accorded to international law in those countries and its normative weight as well as problems relating to its implementation This country by country comparison allows the book to examine how the international legal order and domestic legal systems interact and influence each other Through a series of chapters on the role of international law in 27 countries throughout the world it shows a growing tendency towards greater democratic participation in treaty making coupled with a significant utilization of informal agreements that by pass such participation as well as a role for non binding normative instruments as persuasive authority in domestic judicial decision making The chapters suggest a stronger attachment to international law in legal systems that have survived a period of repression resulting in many cases in a higher normative status for international human rights instruments in those states The impact of the European Union on the constitutional order of its member states is also examined *Essays in the History of Canadian Law* Christopher English, 2005-12-15 The study of Canadian legal history has seen a remarkable growth in the past decade nowhere more so than in Atlantic Canada Given its early settlement and some of the liberties taken with legal procedure there as well as some creative interpretations of English law the region is ripe for close study in the legal history field This new collection examines that history on two islands Newfoundland and Prince Edward Island The essays examine legal themes developments and disputes and offer a framework for comparing ways of administering justice through the courts in the eighteenth and nineteenth centuries The cases examined are particularly interesting for the light they throw on legal process and especially on the motives of the parties Unlike in contemporary England and Upper Canada the English precedents gave way to local needs as equitable regimes emerged that put family and community interests first and treated all members of the family in ways tailored to their personal needs and circumstances This volume which includes a number of essays examining women s legal status and access to the courts is a comprehensive and fascinating examination of legal history in two Canadian provinces
