Small Christian Communities A Vision Of Hope:

Small Christian Communities Thomas A. Kleissler, Margo A. LeBert, Mary C. McGuinness, 2003 This revised and updated edition of *Small Christian Communities A Vision of Hope for the 21st Century* is a rich source of practical information about how to make the vision of the parish as a community of many small communities come alive y *Resources for Small Christian Communities* Thomas A. Kleissler, Margo A. LeBert, Mary C. McGuinness, 1991-01-01 [Small Christian Communities and the Parish](#) John Paul Vandenakker, 1994 Examines the pastoral and theological implications of North American Small Christian Community programs **Christian Community in History** Roger Haight, 2004 E F G H I J K L M N O P Q R S T U V W Y Z **Christian Community in History Volume 2** Roger D. Haight, 2005-03-17 Ecclesiology from below as it operates in this work is directed to history it moves through the actual church of history to ecclesiology or to an understanding of the church both as it is and as it should be In the first volume that passage was fairly explicit because comprehensive ecclesiologies in our sense did not exist In this volume ecclesiology itself becomes much more directly the subject matter of the book but without losing sight of concrete history and the degree to which these ecclesiologies are historically conditioned Put somewhat differently the main goal of this comparative ecclesiology is not simply to lay down one after another different ecclesiologies that emerged over the last five hundred years although that describes the book with empirical accuracy Its larger intent is to show the richness vitality and creativity of the whole church as it moves through history adjusting to new times places and cultures [Parish Ministry for Returning Catholics](#) Patricia Barbernitz, 1993 An informative caring and community focused guide for parishes embarking on a ministry for returning Catholics **Preaching and Culture in Latino Congregations** Kenneth G. Davis, Jorge L. Presmanes, 2000 A collection of articles about preaching in Latino assemblies **The Church on the Margins** Mary R. Sawyer, 2003-07-24 Examines the state of the American Christian community from a cross cultural perspective **The Vitality of Liberation Theology** Craig L. Nesson, 2012-09-06 The Vitality of Liberation Theology argues for the ongoing necessity of a liberating theology in a world of endemic poverty and economic globalization Although some have declared liberation theology's demise or even its death Nesson articulates the imperative and logic of it for a new generation Latin American liberation theology burst forth as the most original and compelling theological movement from the developing world in the modern period The story of the emergence and proliferation of liberation theology as well as the opposition to this movement both within and without Latin America is one of the most significant and lasting developments in Christianity since the last third of the twentieth century Together with other forms of liberating theology from contexts of oppression in diverse parts of the world anti apartheid theology in South Africa and Namibia Minjung theology in Korea Dalit theology in India or Palestinian liberation theology Latin American liberation theology takes a prophetic stand against the hegemony of the status quo and joins league with other subaltern peoples in the cause of freedom from all forms of subjugation and oppression The dawn of Latin American

liberation theology inaugurated a new era in the global theological landscape Do Small Groups Work? Anna Creedon, 2021-05-31 Engaging with the Bible in a small group context has the potential to be transformative but the picture is not without some complications Key factors in determining whether a small group can be transformed through scripture include the use or abuse of experts the opportunity for challenge in the group and how study materials are used Do Small Groups Work not only presents extensive research into these questions with the potential to transform practice but also offers a unique window into how practical theological research can productively encounter scripture Small Christian Communities Today Joseph G.
