The Boy With The Bronze Axe:

The Boy with the Bronze Axe Kathleen Fidler, 2018-04-19 Kathleen Fidler's classic story is set in the ancient Stone Age village of Skara Brae on Orkney. This is a fascinating and vividly portrayed story of life nearly 3 000 years ago. Kali and Brockan are in trouble. They have been using their stone axes to chip limpets off the rocks but they've gone too far out and find themselves trapped by the tides. Then an unexpected rescuer appears: a strange boy in a strange boat carrying a strangely sharp axe of a type they have never seen before. Conflict arises as the village of Skara must decide what to do with the new ideas and practices that the boy brings. As a deadly storm threatens, the very survival of the village is in doubt. Step back into the Stone Age and learn about the daily life and rituals of the ancient village of Skara Brae in this compelling fictional account of the famous Orkney settlement. Vivid descriptions and accurate historical details bring the village to life and make this an ideal choice for those studying the Stone Age curriculum. Pagan Themes in Modern Children's Fiction P. Bramwell, 2009-03-31 Applying a range of critical approaches to works by authors including Susan Cooper, Catherine Fisher, Geraldine McCaughrean, Anthony Horowitz and Philip Pullman, this book looks at the formative and interrogative relationship between recent children's literature and fashionable but controversial aspects of modern Paganism. Between the Wind and the Water Caroline Wickham-Jones, 2014-04-30 The archaeological sites of Orkney give us an unparalleled glimpse into prehistory. Inscribed as the Heart of Neolithic Orkney World Heritage Site in 1999, four great monuments—the village of Skara Brae, the Ring of Brodgar, the Stones of Stenness, and the burial mound of Maeshowe—are also at the center of the archipelago's story. This book looks at what makes these monuments so special. Caroline Wickham-Jones explores the Neolithic world in which they were built, how they came to be a focus through the ages, and what they mean today. Picts, saints, Vikings, antiquarians, and tourists populate Orkney's past, a history which is channeled through these dances of stones. This new second edition replaces the highly successful and widely used first edition, which sold over 1 000 copies. The text has been fully updated to take account of recent discoveries and research, including the now world-famous site, Ness of Brodgar. In addition, there are over thirty new images, including stunning photographs of Orkney's archaeology and landscape. *The Boy's Odyssey* Homer, 1908 **The Love Position** Evie Alexander, 2024 Enjoy this laugh-out-loud steamy romance series by award-winning romantic comedy author Evie Alexander.
