Note from the author Some have raised objections to the title The Brethren as giving the idea of a sect others as arrogating to a particular community that which is equally true of all Christians Such thoughts never occurred to me while writing the book and were not suggested by those to whom I spoke of it Expressions such as the writings of Brethren the meetings of Brethren etc are in common use among themselves which simply mean a convenient designation and one which cannot be misunderstood In no other sense is it used here To be obliged to make use of a description instead of a name would greatly encumber the style and embarrass the writer
