Copyright Office, 1963 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January-June **Ghost Medicine** Andrew Smith, 2008-09-02 The summer before Troy Stotts turns seventeen his mother dies Troy and his father barely speak communicating instead by writing notes on a legal pad by the phone Troy spends most of his time with his closest friends Tom Buller brash and fearless the son of a drunk Gabe Benavidez smart enough to know he'll never take over the family ranch and Gabe's sister Luz whose family overprotects her and who Troy has loved since they were children Troy and his friends don't want trouble They want this to be the summer of what Troy calls ghost medicine when time seems to stop so they won't have to face the past or the future But before the summer is over their paths will cross in dangerous and fateful ways with people who will change their lives Rose a damaged derelict who lives with a flock of wild horses and goats and Chase Rutledge the arrogant sheriff's son Troy and his friends want to disappear Instead they will become what they least expect brothers lovers heroes and ghosts Ginty's Ghost Chris Czajkowski, 2015-06-15 After nearly

three decades of wilderness dwelling far from neighbours and roads with the nearest community accessible only via float plane or days of hiking Czajkowski purchases a derelict homestead with rough road access at Ginty Creek an hour's drive south of Anahim Lake Although the property is mostly swamp and the packrat infested buildings are uninhabitable the location affords beautiful views and abundant wildlife and the asking price is within her budget Ginty Creek was named for Ginty Paul the eccentric recluse who had previously owned the property Some locals remember Ginty affectionately while others feared her volatile temper or refused to step into her house for fear of being served chicken poop tea She had an open door policy to all of her animals the chickens would sleep with her and the bedroom doubled as a maternity ward for dogs cats goats and sheep Intrigued by the stories Czajkowski tracks down a pile of Ginty's letters and documents These combined with many fond bitter and bizarre anecdotes gleaned from interviews with area residents are all woven into the account As Czajkowski chronicles the many challenges of settling into her new home it becomes clear that she and Ginty have more than just a piece of land in common They also share a spirit of independence and resourcefulness as well as an unwavering desire for a solitary life immersed in the spectacular landscapes of British Columbia
