The Call For The Prophet:

The Call: Elijah the Great Prophet Patricia Grant, 2017-05-02 Twenty years ago Patricia Grant was called to the prophetic ministry and instructed by the Lord to become familiar with the lives and functions of the prophets in the Bible Now after being called once again to teach others about the five people in the Bible who were named for specific missions and trained by the Lord Grant brings to light the story of Elijah one of the five and compares his trials with her own Grant relies on her personal spiritual experiences to share how through Gods wisdom she discovered commonalities with ancient people who also faced hardships on the way to becoming prophets of nations While highlighting Elijahs challenges and revealing her own struggles throughout childhood and her lifetime Grant not only demonstrates how faith and Gods love have the power to bring one through darkness and into a healing light but also provides spiritual guidance for anyone seeking to overcome hardships and accomplish great things for the Lord The Call Elijah the Great Prophet shares a true story of Gods love and power as a woman is called to study ancient people and discovers they have more in common than she ever realized **The**

Calling of a True Prophet of God Carl L. Frye, 2017-03-14 When you came so close to dying as I have you tend to wonder why youre still here The things I have experienced the things that I have seen and heard are extremely hard to accept but they are facts I am not greater than anyone We all have an equal value to God Some people have similar callings but mine was more prophetic angelic and spiritual than most I read about the calling of Elijah and Elisha and I believe I can relate to that calling as well as the prophet Isaiah Isaiah chapter 6 I found myself so wrapped up in the flesh that I could not function in the spiritual realm but God changed all that He refined me like gold being mined and processed into bars He molded me until I was ready to be restored but yet I was still a work in progress Believe it or not everything that happened to me happened And I do not believe that Satan sent me a strong delusion because I believe what happened to me made me wiser smarter and stronger physically and spiritually I have felt the presence of God so strong I would shake all over when the anointing would pass over me But I have also seen and heard real evil that Hollywood could not or would not copy Rewa I evil is more dangerous than you will ever know or imagine and if you do not pray up fast and mature in the word of God it will oppress possess your body soul mind and spirit I know by experience the danger of demonic oppression There are no fictitious stories or delusional visions in this book This is drama in real life It is my prayer and desire that this book I have written will enlighten you to seek the truth give you the knowledge you need to fight the forces of evil and give you spiritual restoration in Jesus Christ It will not bring you to perfection because no man is perfect but God but it will give you a better insight and perspective on what God commands the church the body of Christ and all the men and women of God to do God can restore Joel 2 25 **The Call** Os Guinness, 2003-10-07 The Call continues to stand as a classic reflective work on life s purpose Best selling author Os Guinness goes beyond our surface understanding of God s call and addresses the fact that God has a specific calling for our individual lives Why am I here What is God s call in my life How do I fit God s call with my

Interpretation of The Meaning of The Holy Quran Volume 60 - Surah Ghaafir(Al-Mu'min) Nasoha Bin Saabin, I have written
 many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy
 Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe
 there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently
 there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the
 meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of
 Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The
 wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also
 led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking
 place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true

described; and thoughts on the call, appointment and support of Ministers; also on worship, and a vindication of the Ministry
of Women Henry FREEMAN (of the Society of Friends.),1824 **The Calling from God** Dr. Lowell Hardy,2018-05-11 The
 Calling from God shares an in depth analysis of various callings to individuals to preach from a biblical standpoint It comes in
 unique ways for each individual So the exact nature of the calling from God is difficult at best to describe for it does not lend
 itself to any private interpretation especially to someone not privy to the calling Within the text the reader will learn about
 the struggles of various people with God and within themselves All experiences are coercing demanding and cajoling for sure
 However the one called has to determine within oneself what God's will is for him herself The Calling from God will serve as a
 guide to those seeking answers about their possible destiny The book takes the approach that many are called but only a few
 answer because of uncertainty The book will help one decide what to do based on their life changing experiences with the

power of the Lord Jesus Christ The ones called must make sure of their calling for there is much to do since the harvest is great This book shows in detail some of the preparation needed as one grows in service to the calling from God All Christians are called by God the Father to be witnesses of his resurrection power by grace through faith in the Lord Jesus Christ For sure a call in any form lays a heavenly claim upon the one called This book helps one understand the calling from God and will help one reach a sound decision based on their life and experiences in comparison to selected biblical callings The Calling from God will serve a reference manual and a valuable source of information for anyone thinking about answering or has answered the call from God The decision to serve is very personal as you will learn from the book The Calling from God and many biblical examples If you are struggling with the decision to serve or not to serve this book is for you You will know after reading The Calling from God if you are one of the few chosen to serve and trust Gods wisdom in leading you to point others to the uplifted Christ Will you answer the call from God The alternative is to wrestle with the Spirit as conviction works slowly and agonizingly in the soul This book is a must read
